Hold That Line--Big Reds!

You can open a hole in that line if you hit it hard enough and have confidence in your ability to make way for the back-field to plow through.

Life is like that.

One way to be able to plow through the adversities of life is to have a savings account that will back you up in time of need.

I wish to sincerely thank the voters of the 18th congressional district for the fine vote of confidence they gave me in Tuesday's election.

Serving the people of the district in Congress I will work untiringly for the common welfare of all the people and will especially work diligently for the protection of Ohio Valley industries and of farms to the end that prosperity may again come to us.

Sincerely

Earl R. Lewis
