We give recognition in the program today to Floyd N. Reinbolt, principal of Bellaire High School for the last thirteen years. He is generally recognized as one of the leading high school principals of eastern Ohio.

He was born in New Riegel, Seneca County, and received his elementary education in that village. He graduated from Fostoria high school. To reach high school he walked daily from New Riegel to Berwick and then by train.

At Fostoria high, he played football under Coach L. C. Boles, who later was the successful Wooster college coach. In 1912, the Fostoria team won all its games without their goal line being crossed and was recognized as the state champions.

He began his school work in the rural schools of Seneca County. Desiring a college education, he soon entered Heidelberg. When he had finished two and one-half years, he enlisted for services in the U. S. army and spent eleven months overseas in a machine gun battalion. While in the service he played on the eighty-eighth division football team, continuing the fine record he made at Heidelberg before enlisting.

Returning home, he completed his A. B. work at Ohio State University. He then served as principal of Deshler High School for two and one-half years, after which he came to Shady Side in 1923 as principal and football coach. His success there attracted the attention of Bellaire school officials, and in 1925 he was employed here as a mathematics teacher and faculty manager of athletics.

In 1928 he became principal of Bellaire high school which position he still holds. The length of this service is proof of his success. Mr. Reinbolt is active in the American Legion, the Americus Club, the Presbyterian Church and the Ohio Valley High School Principals organization. He is influential in school work, church work and community welfare. The community needs more such men.

The ostrich fools only himself

It's "ostrich thinking" to hide valuable papers in your home and believe them to be safe. Thieves know where to look. Fire can find them even easier. A safe deposit box is different—it is carefully surrounded by modern safeguards. It will cost you only a few cents weekly to rent one. Why not do it now?

Captain of Big Reds

The honor of captain of the Bellaire-Martins Ferry game of 1941 goes to Richard Neuhart. Both last year and this year have proven Neuhart a capable ball player and an equally good sport. Last year Richard spent a full season on the varsity and earned himself a position on the mythical All-Star team of the Ohio Valley. Neuhart plays right tackle and is one of the most dependable of the linesmen. A physical defect kept him out of the first game but he was well enough to return for the remaining games. Neuhart's return to the team has added weight, skill and strength to the line.

Captain of Purple Riders

Captain Groza—All-Valley End last year and this year has been shifted to a tackle position and is rated as one of the best in the state.
