OVAC Track:

Rotilio shines as Irish girls win Class A; Linsly boys capture Class 1-A boys and Barnesville Class 2-A girls

By SETH STASKEY Times Leader Sports Writer

In sports there is no better feeling than winning a champi-

The St. John Central girls and Linsly boys in 1-A, and the Barnesville girls and Wheeling Central boys in 2-A were able to experience that feeling Friday night at soggy Fleming Field in Shadyside.

The championship finals of the OVAC Small School track meet took place amongst intermittent showers, but the times

were still sizzling.

The Lady Irish made it a three-peat for their title, outpointing Shadyside 158.5 to 133.

The Cadets turned the backto-back trick, tallying 191 points, which was 66 better than the runner-up Tigers.

In 2-A, the Lady Shamrocks held off a late charge from a game Steubenville Central squad

to earn a 179-167 win.

Wheeling Central captured its first-ever OVAC track crown. tallying 104 points. Steubenville Central took the second-place trophy with 91 points.

The big schools wrap up the four-day Cal Giffin Track and Field Championships today at Bellaire.

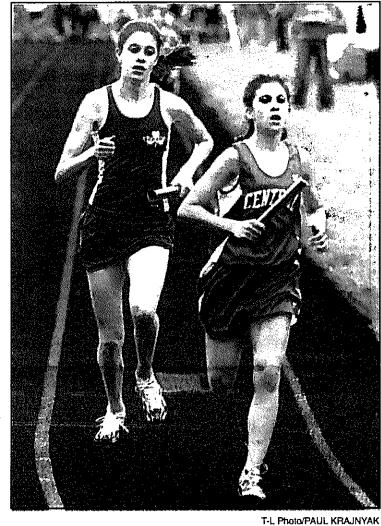

IN GIRLS' 1-A, the Lady Irish fought the prom and earlyseason adversity on top of Shadyside to earn their third straight conference crown.

"We didn't score as well in some places as we did last year, but we got outstanding performances from a lot of people," said Lady Irish head coach Bubba Kapral. "The first one is always special, but this is by far the sweetest.

"Shadyside has a super track team and we have a ton of respect for them," Kapral continued. "We thought coming into the season we had a chance to be a special team, but we lost a few people, and I didn't know if we could (win the title), but this is very sweet."

The Lady Irish enjoyed a total team effort, but sophomore speedster April Rotilio stole the show for the entire meet.

Rotilio -- who has been the area's second best sprinter for the past two seasons - emerged out of the shadow of Bridgeport senior Brittany Hocker some- last year."

BARNESVILLE'S Jenny Morgan (left) runs her leg of the 4x800 meter relay during the OVAC A/AA Track & Field Championships at Fleming Field. Morgan won the 800, one mile, and two mile and also ran a leg on the victorious 4x800 team.

what Friday night.

In the 200 meter dash final, Rotilio just nosed out Hocker for the gold medal on the lean at the finish line. Before the final places could be determined several meet officials had to look at the tape before issuing a final ruling.

In the end, Rotilio had pocketed the title and set a new Ohio Division III state record in the process with her 24.78. The mark eclipsed the old mark of 24.94, which Hocker had previously owned.

Brittany Hocker is the best in the state and she always will be," the modest and personable Rotilio said. "To come out here and be able to beat her is just awesome. It's probably better than the feeling at the state meet

Rotilio's afternoon got started when she finished second to Hocker in the 100 meter dash, turning in a solid 12.32. Hocker finished with a 12.16, which was just one-one hundredth off a state record of her own.

The Lady Irish sprint phenom came back in the 400 meter dash and won her first-ever OVAC individual title, cruising a lap in 57.80 for the gold.

"I felt weak after the 400, but during the 200 I felt awesome," Rotilio said. "I can't believe I lowered my personal records by as much, and setting a state record is just totally unbelievable.'

Rotilio was by no means alone as the Lady Irish pocketed individual titles in seven events.

Junior thrower Amanda Bushlow provided the Green events. She won the shot put on Wednesday and added the discus crown Friday with a throw of 97-ft-3.

Senior Courtney Ogilbee captured her second straight OVAC 800-meter title when she cruised two laps in 2:31.55 for the win.

Senior pole vaulter Jena Ehni claimed her speciality on Wednesday, clearing a meet record 9-feet.

The Lady Irish 4x400 team of Rotilio, Annie Wiater, Kayla Sharpe and Claire LeMasters turned in a 4:27.87 for the win. Rotilio sealed the deal when she ran down two other teams for the title on the anchor leg. The Lady Irish 4x800 team also prevailed during Wednesday's session.

The Green also got a solid effort from senior Brianne Cattran who finished second in the 3200 meter run and third in the 1600.

"Our ability to nickle-dime points here and there was big for us," Kapral said. "We won seven events, but we scored in 17 of the 18. Our elite people came through like we knew they would, but some of our other kids really stepped up, and I can't say enough about my coaching staff because those guys work their butts off, and it's reflected by the kids.'

Runner-up Shadyside -which was outscored in the field events by the Lady Irish 49.5-10 --could get no closer than seven points down.

The Lady Tigers, however, received a sterling performance from sophomore hurdler Bre Burkhart who left Fleming Field with four gold medals.

"We have been practicing really hard and I felt really good coming into the meet," Burkhart said following the shuttle relay. "Winning four titles in this meet is a great feeling."

Burkhart got her day started when she cruised over 10 hurdles en route to the high hurdle victory in 15.78. She then added the 300 hurdle title, turning in a season-best 48.80 for the crown.

Burkhart also ran on two winning relay squads.

The Lady Tiger shuttle team consisting of Burkhart, Corrina VanDyne, Lindsay Jovicic and Tru Reisberger turned in a 68.88 to establish a new 1-A standard.

Shadyside also picked up gold medals in both the 1600 and 3200 meter runs.

Freshman ace Marissa Melanko earned the OVAC title in the 3200 meter run, circling the oval eight times in 12:43.41. She also placed second in the 1600 and fourth in the 800.

Junior Carrie Bonar earned the right to be called an OVAC champion after capturing the long jump with a mark of 14-ft-

Junior Shayla Holenka used a furious kick on the fourth lap to capture the 1600 meter run in a time of 5:35.19.

The Orange also prevailed in the 4x100 and 4x200 relays. The team of Kate Falbo, Bonar, Holenka and Michelle Marty ran two laps in 1:54.22 for the 800

The 400 relay unit of Jovicic, Bonar, Burkhart and Marty turned in a 53.04 for

THE 2-A girls meet appeared to be one of the conference's most competitive coming into the week.

It failed to disappoint. Barnesville built a commanding lead after day one and was able to hold on to capture its second title in the Darrell Davis era.

Davis knew going into the meet his team would have to get off to a strong start during Wednesday's meet.

We knew we had to perform well on Wednesday, and the kids really came through." Davis said, "This was a total team effort because a lot of people scored key points in key places because we knew

Steubenville Central had a good team."
The Lady Shamrocks off-set some of the Lady Crusaders' speed with their distance running and junior ace Jenny Morgan.

Morgan added four OVAC gold medals to her already impressive resume.

"Jenny Morgan is just phenomenal," Davis admitted. "A lot of teams that have that great sprinter, well we have that great

distance runner."

She captured the 3200 meter run on Wednesday and went back to work in the 1600 meter run Friday.

After running at the Penn Relays last weekend, Morgan returned to the Ohio Valley and won the 1600 meter run with

a blistering 4:58.40. She came back later in the meet and captured the 800 meter run with a time of

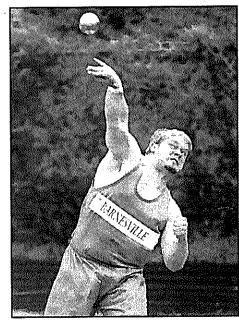

2:21.45. "I was happy with my mile," Morgan said. "I came out thinking that if I felt good I was going to go for it. I kind of sat back some on the first two laps, but I really turned it on for the last two laps."

Morgan may be get most of the publicity, but she was by no means alone.

The Lady Shamrocks only other victory besides Morgan on Friday came in the shuttle relay when the team of Emily Bilyeu, Danielle Holskey, Emily Carpenter and Chrissy VanDyne turned in

The western Belmont Countians got off to such a strong Start thanks to victories in three field events and the 4x800.

Seniors Ramsey Miller, Brianna Cook and Bilyeu captured the pole vault, shot put and high jump, respectively.

T-L Photo/PAUL KRAJNYAK BARNESVILLE'S Dan Spiczenski won the Class 2-A shot put title.

Junior distance ace Kris Schuerle -who ran on the winning 4x800 team -also finished second in the 16 and 3200 meter runs and added a bronze in the 800.

Steubenville Central, meanwhile, did all it could thanks to its speed.

The Lady Crusaders prevailed in seven track events, but couldn't hold off the Lady Shamrocks who scored in all but one event.

Junior sprinter Shatara Walters was a triple individual winner, claiming the long jump (16-3 1/4), high hurdles (15.47) and 100 meter dash (12.85).

Junior Abbey Sokol claimed the 200 meter dash for Čoach Bob Stanko's team, turning in a 26.99. Sophomore Jodi Bodo won the 400 title, turning in a lap in 62.65.

Central also broke the tape first in the 4x100 (51.28), 4x200 (1:50.19) and 4x400 (4:23.44).

Buckeye Trail's Brittni Borrero won the discus throw with a twirl of 118-ft-5. Shenandoah's Shannon Leasure won the 300 hurdles with a time of 48.32.

ON THE BOYS' SIDE, Coach Dave Plumby's Cadets were listed as the favorite coming into the meet and they failed to disappoint.

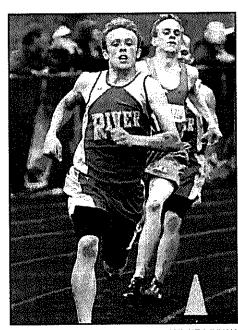

After watching St. John Central claim the lead after the first day of competition, the Cadets got rolling on the track en route to 191 markers.

"(You) have to be happy for the kids," Plumby said. "Winning this meet never gets old because it's a different set of kids

'We told the kids coming into the meet that if we were at our best tonight we had a great chance of being successful, Plumby continued.

Plumby figured his team would be staring up at a deficit after day one, but and a truckload of points on their

way.
"I kind of had Wednesday pegged,"
Plumby added. "I felt good coming into today because I knew we could get a lot of firsts plus seconds and third to build up

the points."

The Cadets were led in victory by senior dandy Mark Plumby who is in just his second full season of track and field.

Plumby left Shadyside with four gold medals draped around his neck. He won the 110 meter high hurdles to get things started for the Cadets in a season-best time of 14.75.

After jogging back up to the starting line, he blasted a 11.16 to claim the 100 meter dash.

Later in the meet he won the 200 meter dash with a blazing 22.94.

This is our biggest meet, and we work all year to do well in it," Plumby said. "This is extremely exciting because my dad is here to see it all. He taught me everything I know about this sport,"

The Cadets blew open the meet, which for all intents and purposes was a threeteam battle, when they placed first and second in both the 1600 meter run and 400 meter dash.

Senior Max Neubauer claimed the lap dash in a solid time of 52.76, which was just ahead of Frank Sokolowski

Junior Sam Adams claimed the mile run in 4:41.43, which was just one place

ahead of senior Preston Smith. The Cadets' speed came to the front when they captured all of the sprint

relays, including the shuttles. The 4x100 team of Plumby, Wayne Green, Neubauer and David Wharton pre-

vailed in 44.37. The 800 relay squad -- which consisted of Wharton, Neubauer, Green and Sokolowski -- was timed in 1:34.00. The 4x400 team -- made up of Green, Sokolowski, Neubauer and Ferrera -- ran

a mile in 3:39.69. The shuttle team of Wharton, Ferrera, John Vellenoweth and Neubauer ran a 58.77 for the title.

Vellenoweth got the Cadets started Wednesday when he claimed the pole vault. Green was also victorious in the long jump during the first day.
Runner-up Shadyside received a

strong meet from junior hurdler Dom Davolio.

Davolio captured his first OVAC title when he won the 300 hurdles with a 40.44. Earlier in the meet, he finished second in the 110 highs, but closed with a personal best effort of 14.99.

Junior discus thrower Erik Cwalinski claimed the platter event during Wednesday's action. He finished third in the shot put Friday.

St. John Central's boys also enjoyed a strong meet, finishing third in the team race just four points.

The Fighting Irish were sparked by three victories all of which came in the distance events.

Junior Michael Totterdale claimed the 800 meter run title when he ran two laps

Freshman Zach Yereb was the winner in the 3200 meter run Wednesday and the Irish 4x800 squad also prevailed.

THE 2-A boys' meet saw a little bit of

history for the Maroon Knights.

Wheeling Central -- which has a rich athletic history -- added a track title to its

numerous other awards. "This is almost over-whelming," said Central head coach Wayne Rutter. "Our kids really came out and performed well, and that's the kind of effort we knew we would need because there were some good teams in our class."

The Maroon Knights were led by their combination of speed and distance run-

Junior distance dandy Bobby Herron added the 1600 meter title to the 3200 title he claimed on Wednesday. Herron

ran four laps in 4:32.75. Junior Eric Novick captured the 110 meter high hurdles in a season-best mark of 14.95. Classmate Josh McKee prevailed in the 100 meter dash with a

The Knights' 4x200 team also earned a gold medal thanks to a 1:32.20.

Steubenville Central was led by the victory of junior Nick Drakos in the 200 meter dash. He captured the half-lap dash with a time of 22.96.

The Crusaders also captured the 4x400 and shuttle relay.

Barnesville -- which finished third in its return to 2-A -- was victorious in a pair of field events.

Senior shot putter Danny Spiczenski flexed his muscle in the shot put. The all-Ohioan from a season ago captured the conference title with a meet-record toss of 52-ft-9 1/2.

Senior Jason Bahmer claimed the pole vault on Wednesday, soaring over 12-

Senior hurdler Eric Householder was second in the 110 meter hurdles with a 14.97 and third in the intermediate hur-

River -- which came into the meet as the two-time defending champions -- finished fourth with 72 points.

Coach Tim Frye's Pilots were led by senior middle distance ace Ryan Whitlatch who captured the 800 meter run in 2:00.18.

The Pilots also captured the 4x800 title during Wednesday's action.

St. John's boys, girls lead Class A; Barnesville girls grab big lead in Class AA

By SETH STASKEY Times Leader Sports Writer

The four-day track and field carnival that is the Ohio Valley Athletic Conference Cal Giffin Track Championships kicked off

Wednesday night at Fleming Field in Shadyside.

The 1-A and 2-A classes got things rolling, running an abbreviated schedule of finals both on the track and in the field with qualifying also taking place. The remaining field events and running finals will be held Friday night back at Shadyside. The field events will begin at 4 p.m. with running slated for a 5

The conference's two largest classes -- 3-A and 4-A -- will get their meet started this afternoon at Bellaire.

As for Wednesday's action, some familiar faces put themselves in solid positions to make a serious run at the coveted conference title come

In 1-A, the two-time defending champion St. John Central girls racked up some 45.5 points, which is 24 better than Bishop Donahue. Paden City is currently third with 21.5.

The Irish boys also enjoyed a sterling first day of competition, tallying 55 markers, which is 15 ahead of pre-meet favorite

Linsly. Donahue is third with 20 points.

In 2-A, the much-anticipated showdown between Barnesville and Steubenville Central didn't live up to its billing after just four events. The Lady Shamrocks scored in bunches en route to 64 points. The Lady Crusaders - who are the defending champs --

closed the first day with just 18 points.

The 2-A boys race -- which looked to be wide-open -- appears

The Lady Irish -- who qualified well to Friday's finals -- also prevailed during the 4x800. The team of Annie Wiater, Claire LeMasters, Courtney Ogilbee and Brianne Cattran cruised eight laps in 10:46.95, which was more than a minute faster than its nearest competitor.

The only other event competed as a final was the high jump. Paden City senior Erica Spencer claimed the crown, soaring over 4-ft-10.

THE LADY SHAMROCKS, meanwhile, took over the 2-A meet early, winning all four events competed. Coach Darrell Davis' team was able to place two entrants in all four events.

Fantastic finishes, record-setting performances, upsets, and team firsts.

The finals of the Ohio Valley Athletic Conference Class A-AA championship meets at rainy Fleming Field in Shadyside had just about everything a track fan

could wish for Friday night.
Wheeling Central's first-ever conference track crown high-lighted the boys' meet as coach Wayne Rutter's Maroon Knights tallied 104 points to eclipse runner-up Steubenville Central with 91. Barnesville was third with 83 and River fourth with 74.

Barnesville, which last won the girls' Class AA title in 2001 before moving up to Class AAA, shook off two years of second-place finishes to outdistance defending champion Steubenville Central by a 179-167 margin.

Three-peat was the word of the night in Class A with Linsly's boys and Bellaire St. John's girls each taking home its third consecutive gold team tro-

in both the 100 and 200-meter dashes, went head-to-head with St. John's sophomore sprint ace April Rotilio with more on the

line than just a conference title.

Hocker, who had only lost two races in her high school career — the 100 in the state championship meet her freshman year and the 200 on the same stage her sophomore season – had already tasted victory in the 100 while Rotilio was the 400-meter champion last

But when the two got together one more time in the 200meter dash, it would turn into arguably one of the greatest races in Ohio Valley Athletic

Conference history.
Rotilio battled from behind in the final 20 yards and the two appeared to cross the finish line in a deadheat. However, after an extensive review of the finish line picture, the St. John standout was ruled the winner in record time.

The Fighting Irish flash was clocked in 24.78, to 24.79 for

Hocker, which is a new OVAC Class A record, alltime Ohio Valley record and an Ohio state record that will be submitted to OHSAA officials. Hocker's time also broke the former mark, which she held at 24.91.

St. John's also captured victories with Courtney Ogilbee in the 800 (2:31.55), Jena Ehni in the pole vault (9-0), and double-winner Amanda Bushlow with a 30-4 in the shot put and a 97-3 in the discus. The Irish also broke the tape in the 1600 and 3,200-meter relays.

Shadyside got twin wins from sophomore Bre Burkhart in the hurdle events with a 15.78 clocking in the 100 hurdles and a 48.80 in the 300's. Other Lady Tiger victories came from junior Shayla Holenka in the 1,600 (5:35.19), freshman Marissa Melanko in the 3,200 (12:43.41) and junior Carrie Bonar with a 14-9 in the long jump.

The hosts also raced to wins in the 400, 800 and the shuttle hurdle relay. Paden City's Erica Spencer won the high jump with a 4-10 effort.

Linsly totaled 11 overall titles en route to another smallschool boys' title with senior speedster Mark Plumby zipping to individual crowns in the 100

(11.16), 200 (22.94) and 110meter high's (14.75).

Also claiming titles for the Cadets were Max Neubauer in the 400 (52.76), Sam Adams in the 1,600 (4:41.43), John Vellonoweth in the pole vault (14-0) and Wayne Green in the long jump (19-4.25).

The Wheeling-based school also took four of five relays capturing the 400, 800, 1,600 and the shuttles. The Linsly 400 unit established a meet record with a 44.37 clocking.

Other champions included Mike Totterdale of St. John's in the 800 (2:02.69), Fighting Irish freshman Zach Yereb in the 3,200 (10:35.26), junior Dom Davolio of Shadyside in the 300's (40.44), the Tigers' Erik Cwalinski in the discus (144-2), Bishop Donahue's 52-9.50 to break the standard Brian McCulley in the shot put set in 1973 by River High Brian McCulley in the shot put set in 1973 by Rive (45-11) and the St. John's standout Eric Brubaker. 3,200 baton-passing unit.

The Bishops' Matt Beiter was not only a champion, but a record-setter in the high jump with a 6-7 effort. Beiter's mark bettered the 6-4.25 established by Shadyside's Brian Boston in 1984.

Both Class AA meets had exciting team races with Wheeling Central and Barnesville both taking home the top tro-phies ahead of the Crusaders.

The Maroon Knights captured five titles on the night, led by iron-lunged junior Bobby

Herron's victories in the 1,600 (4:32.75) and 3,200 (9:59.93). Junior Eric Novick skimmed the 110 high's in 14.95 while also finishing second to Wellsville's Marc Lascola in the 300 intermediates.

Another Central junior, Josh McKee, broke the 100-meter dash tape in 11.49.

The fifth Maroon Knight title came in record-setting fashion with the 800-meter relay foursome clocking 1:32.20 to edge the former mark established by Cadiz High (1:32.84) back in 1993.

Barnesville High senior Danny Spiczenski was also on the top of his game, breaking one of the oldest marks in either the Class A or AA meets. Spiczenski pumped the iron ball

Also winning titles were Nick Drakos of Steubenville Central in 200 (22.96), Brian Leasure of Caldwell in 400 (52.54), Ryan Whitlatch of River in the 800 (2:00.18), the Redskins' Shane McLaughlin in the high jump (6-2), the Shamrocks' Jason Bahmer in the pole vault (12-6), Derek Thompson of Wellsville in the long jump (20-10.5) and Caldwell's Michael Jeffery in the discus

relay, Wellsville the 400 and the Pilots the 3,200 relay.

There was no question coming into the meet that the girls' AA crown would either be heading to Barnesville or Steubenville, it was just a matter of who would outlast whom.

And with three victories, including a record, by spectacular sophomore Jenny Morgan that team ended up being the Shamrocks.

Morgan, who broke her sister Ruthie's 2001 record in the 1,600, also won the 800 and 3,200. Her 5:48.40 clocking in the 1,600 was over 25 seconds faster than her older sister's previous mark.

She also took the two-mile in 11:47.75 and the half-mile in

Barnesville also got individual titles from Emily Bilven in the high jump (5-0), Ramsey Miller in the pole vault (9-0) and Brianna Cook in the shot (40-5.75). The 'Rocks 3,200 and shuttle hurdle teams were also victorious.

Catholic Central also took home its share of champions with triple-winner Sharara Walters in the 100 (12.85), 100 hurdles (15.47) and the long jump (16-3.25). Abbey Sokol in the 200 (26.99) and Jodi Bodo in the 400 (1:02.65).

21-foot mark in senior T.J. Ney and frosh ace Jayson Keyser. "The field events are real big for us," Miller said. "We have to be able to get a lead during the first day and then just try to hold on Saturday."

The Big Reds don't run out of points once they get on the track. Keyser will be the top entrant in the 110 high hurdles and 300 hurdles.

Bellaire will also enter strong

relay teams and distance runners. Martins Ferry will be in the hunt for the team title. The Purple Riders possess probably the most speed in the meet and also enter two of the valley's premier throwers.

"We have a good group of seniors, and they are looking forward to their last chance to participate in the OVAC meet," said Rider head coach Dirk Fitch. "Our throwers and sprinters will once again lead us, so we expect to be competitive, and hopefully by Saturday afternoon we are in the mix."

The Purple people are led by senior sprinter Kyle Ray who will be the favorite in both the 100 and 200 meter dashes. Classmate Kevin Lee will be one of the premier entrants in the 400 meter dash.

The Ferrians also have strong 4x1, 4x2 and 4x4 squads, which should be able to place extremely high.

In the field, senior strongman Nick Stankovich leads the way. The senior has been the area's premier shot putter, having put the iron ball more than 54-feet this spring.

The 3-A girls meet has become the Bellaire Invitational, seeing that the Lady Reds have won the title the past four years running.

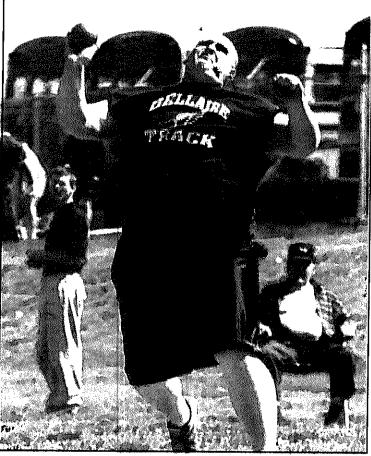

The Lady Reds figure to be near the top of the leaderboard when all the dust settles once again this season.

"We have to get some people back and healthy, and if we can do that I think we have a good chance again," Miller admitted. "Our distance and field events are going to be big for us to score some points.'

IN 4-A, the team races in both boys and girls appear to be wideopen with no true favorite.

The Buckeye Local boys appear to be a team that could be a factor. The Panthers have been strong thus far this season.

Bellaire boys, girls sweep OVAC 3-A championships

By SETH STASKEY Times Leader Sports Writer

The Ohio Valley Athletic Conference is just going to start designing its 3-A track pennants in Red and Black.

The Bellaire Big Reds captured their third title in four years, while the Lady Big Reds claimed their fourth straight Class 3-A female crown to make it a clean sweep Saturday afternoon at warm and sunny Nelson Field in Bellaire.

The Big Reds' boys racked up 137 markers, which was 39 better than runner-up Martins Ferry.

Oak Glen was third overall with 64 points.

The Lady Big
Reds, meanwhile, got

off to a strong start on Thursday and carried it over en route to 119 points. Tyler Consolidated took home the second-place hardware with 99

Wheeling Park's boys captured their fourth title in six years in the 4-A race, while the Weir girls won their first-ever OVAC crown.

The Patriots finished the 18-event meet with 97 points, which was some 18 better than Steubenville. Weir, meanwhile, closed with 89, which was 24 more than Zanesville.

IN 3-A, the Bellaire boys captured their 20th OVAC title in school history thanks to the solid mix of elite and

depth.
"We thought coming in that we were the favorite, but we knew we had to perform," Miller said. "These kids set this as a goal every year, so

it's a nice reward for them.' The Big Reds -- who captured the Shadyside Relays crown and finished second at last week's Bellaire Relays -- claimed titles in five events, but were able to score in all but one

 Bellaire boys, girls grab first day leads in OVAC Class 3-A track championships

By SETH STASKEY Times Leader Sports Writer

The finals in all four classes are now set.

The 3-A and 4-A schools began their quest for the coveted Ohio Valley Athletic Conference track championship Thursday evening at Nelson Field in Bellaire.

After the completion of a few finals in each class and the running of semi-final heats of the short sprints, a few familiar faces perched themselves on the top of the team standings.

The remainder of the field events and running finals will be contested Saturday back at Nelson Field. The small schools put the finishing touches on their meet tonight at Shadyside.

Bellaire -- which captured both the boys and girls' 3-A titles a year ago -- put itself in position to hoist yet another banner after scoring 49 points in the girls and 48 markers on the boys' side.

The Magnolia girls are currently sitting in second with

18 points and Union Local is third with 14.

St. Clairsville's boys are currently second in the team standings with 26 points, while Meadowbrook is third with 18 markers.

The Edison girls grabbed the lead after five scored events in 4-A by scoring some 42 points. That total was 15 better than Zanesville and 22 better than Wheeling Park.

The Patriot boys grabbed the first-day lead with 33 tallies. Beaver Local and Zanesville each had 24 points.

IN 3-A, Coach Monte Miller's Big Reds ran roughshod over the rest of the field, scoring in all five events, including two champions. Senior pole vaulter Brandon Lodi got the Big Reds to the strong start

when he soared over 12-feet to win his specialty. The Big Reds' crack 4x800 team of Phil Green, Eric Wise, Mike

Coach Monte Miller's host Bellaire squad once again proved dominate, winning their seventh overall triple-A crown in eight years, with the Lady Big Reds claiming their fourth straight title and the boys getting back to the podium for the third time in four seasons at balmy Nelson Field.

The Bellaire boys breezed to victory with 137 points to easily outdistance arch-rival Martins Ferry (98) and third place Oak

The Golden Bears are the only team other than Bellaire to win a Class AAA track championship over the past four seasons, taking the boys' crown in 2002.

Meanwhile, on the distaff side, the Big Reds racked up 119 points to 99 for runner up Tyler Consolidated, which finished just one point ahead of Magnolia.

With their victory, the boys also took over the top spot in team titles with 20 track banners overall, one ahead of Shadyside which is the small-school leader in crowns.

The Big Red ladies captured six individual championships, three in distance events and three in field events.

Leading the pack was senior distance ace Aimee Vavrek who

Park Boys Regain Class AAAA Crown, Weir Girls Win First

By TRACY WATSON For The News-Register

While Wheeling Park was busy enjoying a return to Ohio Valley Athletic Conference prominence in Saturday's Class AAAA boys' title meet, Weir High was proudly stepping into the girls' winner's circle for the first time in school history at sun-blasted Nelson Field.

The Patriots of coaches Bernie Dolan and Chris Daugherty put up 97 markers to outdistance Steubenville (79) and Beaver Local (65) for the boys' team title while the Lady Red Riders racked up 89 with Zanesville (65) and Big Red (61) left to battle it out for the runner-up hardware.

Wheeling Park's title gives the Red-White-and-Blue their third championship in four years and 12th in school history while dethroning defending kingpin East Liverpool.

The Patriots recorded only four individual titles in the two-day

involved in three. Wakim was the 800-meter winner in 2:04.01 while also adding the 1,600-meter crown in 4:36.32.

He would also team with Sean Flanagan, Tim Flatley and Matt Keding to post a 8:30.06 clocking in taking the 4X800-meter relay. Sophomore Justin Famoso soared 12 ft. to give Park the pole vault title also.

While Wakim was the only double-winner in the boys' bigschool meet, he was not the only one putting up impressive numbers.

Leading the pack was Beaver Local high jump specialist Pat Woods, who provided a recordbreaking performance.

The senior flew 6 ft. 11 in. to capture the event and now owns both the OVAC and Nelson Field record.

For The News-Register While Wheeling Park was busy enjoying a return to Ohio Vallev Athletic Conference prominence in Saturday's Class AAAA boys' title meet, Weir High was proudly stepping into the girls' winner's circle for the first time in school history at sun-blasted Nelson Field.

The Patriots of coaches Bernie Dolan and Chris Daugherty put up 97 markers to outdistance Steubenville (79) and Beaver Local (65) for the boys' team title while the Lady Red Riders racked up 89 with Zanesville (65) and Big Red (61) left to battle it out for the runner-up hardware.

Wheeling Park's title gives the Red-White-and-Blue their third championship in four years and 12th in school history while dethroning defending kingpin East Liverpool.

The Patriots recorded only four individual titles in the two-day

standout Mike Wakim being involved in three. Wakim was the 800-meter winner in 2:04.01 while also adding the 1,600-meter crown in 4:36.32.

He would also team with Sean Flanagan, Tim Flatley and Matt Keding to post a 8:30.06 clocking in taking the 4X800-meter relay. Sophomore Justin Famoso soared 12 ft. to give Park the pole vault title also.

While Wakim was the only double-winner in the boys' bigschool meet, he was not the only one putting up impressive num-

Leading the pack was Beaver Local high jump specialist Pat Woods, who provided a recordbreaking performance.

The senior flew 6 ft. 11 in. to capture the event and now owns both the OVAC and Nelson Field record.

Woods also dispatched of the

Liverpool's Aric Long, who shared the meet record at 6-9.75. Reed was the stadium record holder. After clearing 6-11, however, the Beavers' star declined on the opportunity to go for the 7 ft. barrier.

Steubenville flash Moe Bougard took the 100 in 11.69 with Buckeye Local's Tyler Kirkland breaking the tape in the 200 in 23.47, Cambridge's Brian Gognat claiming the 400 in 51.86, the Panthers' Evan Matthews in 10:49.43 in the 3,200, Dan Kinsey of Beaver in the 110 high's in 15.70 and Mike Abbott of Steubenville in the 300 intermediates in a smoking 39.84.

Field event champions included Beaver's Matt Vujaklya in the long jump (21-5.5), the Bobcats' Jess East in the shot (51-7) and Weir High's Aaron Gurskey in the discus names of a couple of former (153-11). Cambridge won the high jump legends in Wheeling 4X100 (44.86), Steubenville (153-11). Cambridge won the

Local the 4X400 (3:33.83) and John Marshall was best in skimming the shuttle hurdles in 59.19.

Weir High's first-ever team crown was spearheaded by sophomore bullet Ayreal Thompson, who captured first in the two shorter sprints and also anchored two of the Lady Red Riders' winning baton-passing units.

Thompson won the 100 in 12.70 and the 200 in 26.36 while also leading the victorious 4X100 (51.71) and 4X200 (1:49.47) relay triumphs. Stephanie Myers, Janice Drelick and Jamie Archie joined the shorter relay unit while Drelick, Archie and Emily Miller assisted on the longer of the two.

Weir also took the 4X800 in 10:20.82 and the shuttles in 1:07.00, which tied the meet record established originally by Cambridge last season.

And while Thompson was key

Beaver Local's Paul Ferry may have been the outstanding performer of the meet.

The senior, who participated with an injury, won both hurdle events, the 100's in 15 flat and the 300 lows in 47.87, while breaking her own meet standard in the long jump.

Ferry, who went 17-8.5 last season, topped that mark yesterday with an 18-1.5 effort.

Edison junior Tasha Modranski was a two-time champion in the 1,600 (5:40.79 and the 3,200 (12:23.98) while Zanesville junior weight-specialist Allison Lawyer won the shot put (35-8.75) and the discus (123-2).

Other Class AAA girls champions included Buckeye Local sophomore Abbey Becca in the 400 (1:01.16), Carley Gregson of Weir in the 800 (2:28.92) and John Marshall's Stephanie Prager in the pole vault (7-6). Steubenville fook the 4X400 relay crown.

'We haven't talked about being the defending champions (with our kids). We know where we are strong, and where (Barnesville) is strong, so I really think it's going to be a lot of fun to watch.'

Where the Lady Crusaders are strong is in the sprints and hurdles with juniors Abby Sokol and Shatara Walters, respectively. Central also possess strong relay squads and talented field event performers in Jen Smith and Ĵami Dent.

Barnesville, meanwhile, will try to off-set some of the Lady Crusaders' speed with distance running.

Coach Darrell Davis' team -which has lost just once, ironically enough to Catholic Central at last week's Burger King Invitational -- has moved back to 2-A after spending last season in

"It really should be a great meet," Davis said. "They have some nice sprinters and field event people, so only time will teil.'

Davis is hoping his team can get off to a strong start on the first day since the 3200 meter run, shot put and pole vault are three of his team's stronger events.

"Those are events are where we are strong, so it's very crucial that we get off to a good start,' Davis said.

The Lady Shamrocks are led by sophomore distance dandy Jenny Morgan who is scheduled to compete in at least two open events. Junior Kris Schuerle is another formidable entrant in the distance races.

Senior Brianna Cook, senior Ramsey Miller, senior Emily Bilyeu, senior Katie Welch and frosh Lacey Butler are all solid field event participants.

Wheeling Central could be another team to watch. The Lady Maroon Knights have enjoyed a solid season thus far. They are strong in hurdles, distance and sprint relays.

The 2-A boys' race could be one of the most wide-open classes of the whole weekend.

River comes into the meet as the two-time defending champions, but the Pilots were hit hard by graduation.

Veteran mentor Tim Frye still has depth and talent, which could make his team a legitimate title threat once again this week.

"This is a very competitive meet," Frye said. "There are probably four or five teams that could have a shot at winning depending on how the points are spread."

The Pilots are led by senior middle distance ace Ryan Whitlatch and senior distance

runner Pat McGuire. Junior Roy Campbell is a solid entrant in the pole vault.

The Pilots also boast strong 4x4 and 4x8 teams.

"We are hoping to turn in our best performances of the season and see what happens," Frye said. "This should be a great meet to watch, one that could go down to the final event before being decided."

Barnesville -- which returns to 2-A this season after spending the past two years in 3-A -- is another team to watch as the meet unfolds.

"We really think we have a good opportunity to contend for the title," said head coach Sean McCrate. "Wheeling Central appears to be very talented based on their performance at the Shadyside Relays and Coach (Tim) Frye will definitely have his (River) team ready to com-

hurdler Eric Senior Householder is probably the favorite in both the high and intermediate hurdle events.

Senior Jason Bahmer is one of the top pole vaulters in the field. The 'Rocks also boast solid relay

"If we are to contend we must receive second-level points,' McCrate continued. "We have a number of athletes that should score well, but the key to our team performance will be some of the lesser experienced athletes performing to their capabilities.'

Wheeling Central has enjoyed very strong season. The Maroon Knights are led by senior hurdler Eric Novick.

The Knights also possess strong relay squads.

The complete 2-A field includes: Wellsville, Toronto, Caldwell, River, Fort Frye, Steubenville Central, Buckeye Trail, Monroe Central, Wheeling Central, Shenandoah and Barnesville.

IN 1-A, the boys' race appears to be a three-team race, while the girls' looks to be a two-team event.

Coach Dave Plumby's Linsly Cadets appear to the favorite in the boys race.

Linsly -- owners of eight conference titles in 15 seasons under Plumby -- has been one of the area's strongest teams all spring, capturing titles at the Tyler Consolidated Invitational, Relays Brooke Williamstown Invitational.

"We have done well so far

this season," Plumby said. "But, our kids know they have to show up and perform and other things will take care of themselves.

"I think the world of guys like Bubba (Kapral) and Joel (Joseph), and I know they will have their teams ready, so we have to be ready for the challenge.

The Cadets boast a solid combination of elite talent and depth.

The talent is spearheaded by versatile senior Mark Plumby who will be entered in the 100, high hurdles, 300 hurdles and run on a sprint relay squad.

Seniors Wayne Green and Tony Walls have also been solid contributors in the sprint relays and long jump. Junior John Vellenoweth is the valley's premier pole vault, having soared over 14-ft-6.

Sam Adams, Keith Ferrera and Preston Smith headline the Cadets' distance stable.

Wednesday is big for us because we have several strong events," Plumby admitted. "We have to score in the finals' competed, but at the same time we have to qualify people."
Shadyside -- which has a ster-

ling track tradition -- is another formidable entrant in 1-A.

'I would have to say Linsly is the favorite entering the meet," said Tigers' head coach Joel Joseph. "Linsly has a very balanced team that may be one of the best boys teams in the val-

The Tigers, however, will score points in the hurdles with junior Dom Davolio and sophomore Lyle Burkhart. The Tigers' sprint relays have also been for-

midable all spring.
"Our boys have been improving all season," Joseph admitted.
"I know they will be ready to go and will give us everything they have to help make the meet as close as possible."

St. John Central is another team that has been improving all season.

The Irish are led by their deep Nick Habursky and freshman Zach Yereb.

also formidable with junior Michael Totterdale. The Green can score in the pole vault with junior Jake Palmer and in the sprints with sophomore Kyle Hathaway.

"This OVAC is a no-brainer because Linsly is the class of the boys' field," said Irish head coach Robert "Bubba" Kapral. "I am quite pleased with our boys because we have a young team, but we have a chance to score a lot of points."

The 1-A girls' event could be like watching a good game of chess between two-time defending champion St. John Central and Shadyside.

other areas, leaving Kapral and Joseph having to play the chess match to get as many points as possible.

St. John Central -- which came into the season with visions of grand things - has taken a hit with the unexpected loss of two defending OVAC champions.

The Green are still formidable with sophomore sprinter April Rotilio in the 100, 200 and 400 meter dashes.

Senior Brianne Cattran is the defending conference champion in the 1600 and 3200 meter run. Senior Jena Ehni is the top entrant and defending champ in the pole vault. Senior Courtney Ogilbee is the defending champion in the 800 meter run.

"We started out the season with what we thought may be the the best girls' team we have had in a long time, but it hasn't worked out that way," Kapral admitted. "Losing two key people from last year took a lot of wind out of our sails, but despite that we have competed surprisingly well. We have a lot of respect for Coach Joseph and his program. Shadyside has a strong nucleus of quality athletes.

Shadyside, meanwhile, has been a formidable squad all spring, finishing as the top small school in most invitationals.

The Lady Tigers have strug-

gled mightily this spring to score points in the field in events other than the long jump.

"St. John's holds a lead in the field events, and we really can't afford any blunders on the track due to that deficit in the field,"
Joseph explained. "I really feel,
however, that the points we can score on the track will make this a very competitive meet.'

Shadyside holds a big advantage in the hurdle races with sophomore ace Bre Burkhart entered in both the highs and lows. Senior Lindsay Jovicic is another strong competitor in the 300 hurdles.

Junior Carrie Bonar is the Lady Tigers' top entrant in the long jump, while Michelle Marty sophomore Zach Foster, junior leads the Orange sprint contin-

We know that Coach Kapral always has his teams ready come OVAC time, and we expect that to be the case once again this week," Joseph admitted. "I know are kids are ready, and having (St. John) as our biggest competition, really makes things more entertaining.'

Bridgeport's Brittany Hocker enters her final OVÁC meet seeking the four-peat in the 100 and 200 meter dashes.

The entire 1-A field consists of: Mount DeChantal, Bishop Donahue, Paden City, Conotton Valley, Weirton Madonna, Both the Lady Irish and Lady Tigers are strong in certain areas, Bridgeport, Linsly, Shadyside and left-over field events will be competed Friday evening.

The 3-A and 4-A schools will open their competition Thursday afternoon at fine Nelson Field in Bellaire with champion on ship finals slated for Saturday.

This season appears to be no exception as the Lady Big Reds took the first day lead in the Class AAA meet while Miller's boys have also jumped to the head of the class heading into Saturday afternoon's finals at Nelson Field.

big school girls meets could have their third team champion in as many years while Wheeling Park attempts to take the top spot on

the podium for the third time in four years.

Bellaire's girls picked up three individual titles and a second, third and fourth-place finish en route to 48 points with Magnolia a distant second with 18 and Union Local and Tyler Consolidated tied for third with 14.

The Big Red boys also impressed, putting 49 first-day tallies on the board to forge ahead of St. Clairsville, which is sitting with 26 tallies.

In the AAAA meet, Wheeling Park has forged its way to the top with 33 opening session tallies while Zanesville and Beaver Local are a close second with 24 each. Meanwhile, Amber Watson cleared 8-foot-0 to take the pole vault with freshman teammate Kathryn Jones fourth as Bellaire put itself in good position for a fourth consecutive conference girls team crown.

Senior distance ace Aimee Bell won the only other event and the Patriot 4x800 baton-

Bellaire's boys, looking for a repeat team championship and third in four campaigns, also showed depth in jumping to the forefront.

The Redmen won the 4x800meter relay in 8:38.4 while Brandon Lodi got over 12-0 to claim the pole vault title.

St. Clairsville junior Mitch McGarry won the long jump with a 21-7 effort while Martins Ferry's David DeFranco twirled the discus 146-9. However, the host's Jayson Keyser and T.J. Ney were second and third behind McGarry and Sean Porter and Aaron Agnew were right behind DeFranco.

'Rocks, Irish **Sprint to Lead**

By TRACY WATSON For The Intelligencer

While there is still a long way to go until the team trophies are passed out Friday night, powerful Bar-

OVAC TRACK nesville opened up a huge first-day lead in the Ohio Valley Athletic Conference

Class AA girls' field Wednesday at Fleming Field in

Shadyside.

The Lady Shamrocks swept all four events contested last night to run up 64 points with defending champion Steubenville Central second with 18 and Wheeling Central third at 12 tallies.

Meanwhile, the Maroon Knights boys are the double-A pace-setters with 36 points, 10 more than Wellsville, while Barnesville is third with 24.

In Class A, St. John's will take the lead into Friday's final session on both sides with the girls taking three of four events to forge a 45.5-21.5 advantage over Bishop Donahue.

On the boys' side, the Fighting Irish have 55 tallies with Linsly second at 40 and the Bishops third with 20 markers,

Even though the Lady Sharnrocks seem well in control in Class AA, the Crusaders should begin piling up the points in sprints and hurdles in the finals, which could lead to a thrilling

OVAC Track:

• Rotilio shines as Irish girls win Class A; Linsly boys capture Class 1-A boys and Barnesville Class 2-A girls

By SETH STASKEY Times Leader Sports Writer

In sports there is no better feeling than winning a champi-

The St. John Central girls and Linsly boys in 1-A, and the Barnesville girls and Wheeling Central boys in 2-A were able to experience that feeling Friday night at soggy Fleming Field in Shadyside.

The championship finals of the OVAC Small School track meet took place amongst intermittent showers, but the times were still sizzling.

The Lady Irish made it a three-peat for their title, outpointing Shadyside 158.5 to

The Cadets turned the backto-back trick, tallying 191 points, which was 66 better than the runner-up Tigers.

In 2-A, the Lady Shamrocks held off a late charge from a game Steubenville Central squad to earn a 179-167 win.

Wheeling Central captured its first-ever OVAC track crown, tallying 104 points. Steubenville Central took the second-place trophy with 91 points.

The big schools wrap up the four-day Cal Giffin Track and Field Championships today at

IN GIRLS' 1-A, the Lady Irish fought the prom and earlyseason adversity on top of Shadyside to earn their third straight conference crown.

"We didn't score as well in some places as we did last year, but we got outstanding performances from a lot of people," said Lady Irish head coach Bubba Kapral. "The first one is always special, but this is by far the sweetest.

"Shadyside has a super track team and we have a ton of respect for them," Kapral contin-ued. "We thought coming into the season we had a chance to be a special team, but we lost a few people, and I didn't know if we could (win the title), but this is very sweet.'

The Lady Irish enjoyed a total team effort, but sophomore speedster April Rotilio stole the show for the entire meet.

Rotilio -- who has been the area's second best sprinter for the past two seasons -- emerged out of the shadow of Bridgeport senior Brittany Hocker some-

what Friday night.
In the 200 meter dash final, Rotilio just nosed out Hocker for the gold medal on the lean at the finish line. Before the final places could be determined several meet officials had to look at the tape before issuing a final

In the end, Rotilio had pocketed the title and set a new Ohio Division III state record in the process with her 24.78. The mark eclipsed the old mark of 24.94, which Hocker had previously owned.

Brittany Hocker is the best in the state and she always will be," the modest and personable Rotilio said. "To come out here and be able to beat her is just awesome. It's probably better than the feeling at the state meet last year."

Rotilio's afternoon got started when she finished second to Hocker in the 100 meter dash, turning in a solid 12.32. Hocker finished with a 12.16, which was just one-one hundredth off a state record of her own.

The Lady Irish sprint phenom came back in the 400 meter dash and won her first-ever OVAC individual title, cruising a lap in 57.80 for the gold.

"I felt weak after the 400, but during the 200 I felt awesome," Rotilio said. "I can't believe I lowered my personal records by as much, and setting a state record is just totally unbelievable."

Rotilio was by no means alone as the Lady Irish pocketed individual titles in seven events.

Junior thrower Amanda Bushlow provided the Green

with a double win in the weight events. She won the shot put on Wednesday and added the discus crown Friday with a throw of

Senior Courtney Ogilbee captured her second straight OVAC 800-meter title when she cruised two laps in 2:31.55 for the win.

Senior pole vaulter Jena Ehni claimed her speciality on Wednesday, clearing a meet record 9-fect.

The Lady Irish 4x400 team of Rotilio, Annie Wiater, Kayla Sharpe and Claire LeMasters turned in a 4:27.87 for the win. Rotilio sealed the deal when she ran down two other teams for the title on the anchor leg. The Lady Irish 4x800 team also prevailed during Wednesday's session.

The Green also got a solid effort from senior Brianne Cattran who finished second in the 3200 meter run and third in

'Our ability to nickle-dime points here and there was big for us," Kapral said. "We won seven events, but we scored in 17 of the 18. Our elite people came through like we knew they would, but some of our other kids really stepped up, and I can't say enough about my coaching staff because those guys work their butts off, and it's reflected by the kids.'

Runner-up Shadyside which was outscored in the field events by the Lady Irish 49.5-10 --could get no closer than seven points down.

The Lady Tigers, however, received a sterling performance from sophomore hurdler Bre Burkhart who left Fleming Field with four gold medals.

"We have been practicing really hard and I felt really good coming into the meet," Burkhart said following the shuttle relay. "Winning four titles in this meet is a great feeling."

Burkhart got her day started when she cruised over 10 hurdles en route to the high hurdle victory in 15.78. She then added the 300 hurdle title, turning in a season-best 48.80 for the crown.

Burkhart also ran on two winning relay squads.

The Lady Tiger shuttle team consisting of Burkhart, Corrina VanDyne, Lindsay Jovicic and Tru Reisberger turned in a 68.88 to establish a new 1-A standard.
