Park Strikes Gold

Patriots boys, girls prep for regional meet by taking 4-A crowns

Track teams want to be at their best when the calendar turns to May and into June.

And as the West Virginia schools get set to begin post-season action this week with regional competition, it's safe to say Wheeling Park is getting real close to its best on both the boys and girls' sides.

That point is further proven by the dominating fashion in which the Patriots swept the boys and girls 4-A titles during Saturday's Cal Giffin OVAC Track and Field Championship held at Bellaire's Nelson Field.

The Patriot boys — who are the reigning AAA State Champions in West Virginia — notched their fifth consecutive OVAC track and field title and their 19th title in school history, scoring 138 points. Weir High and Zanesville went second and

"I am just so proud of my kids. They have been working really hard and we were hoping for a good showing this week."

Chris Daugherty

third, respectively with 77 and 76 points.

The Lady Patriots, meanwhile, didn't want to be outdone by the boys, so they scored 116 points, which outdistanced Steubenville (94) and Weir High (76) for their seventh conference title in school history and second straight.

The Park boys exemplified a track team this week, winning just three open events. However, they claimed four of the five

relays and used their depth to notch the remainder of their tallies.

"I am just so proud of my kids," said Park head coach Chris Daugherty. "They have been working really hard and we were hoping for a good showing this week. I am just happy because it was a team effort. Our distance, field events, sprints, relays and hurdles all contributed."

The Patriot boys were led by senior distance dandy Ryan Beabout. The University of Tennessee signee came out Saturday and added to his lengthy resume, winning the 1600 in record-setting fashion. He circled the oval four times in 4:18.71, which was a little more than a second faster than the old mark, which had stood since 1985.

Beabout had won the 3200 title during Thursday's action, posting a solid 9:27.66 for the victory.

'Rocks, Colts Take Class 3-A Titles

Morgan's three distance victories help propel Barnesville girls to championship

By SETH STASKEY

Barnesville's girls track program knows a thing or two about winning OVAC titles. The Meadowbrook boys are learning more and more each year.

Those two perennial powers struck gold again Saturday as the Cal Giffin OVAC Track and Field Championships wrapped up at Nelson Field in Bellaire with the final day of competition in the four-day track and field extravaganza.

The Lady Shamrocks — who won the Class AA title a year ago and moved up to Class 3-A this sea-

son — didn't miss a beat, scoring 126 points, which was 12 better than runner-up and defending champion St. Clairsville. The Meadowbrook boys were hit hard by graduation, but used their speed and depth to hold off a strong fight from Oak Glen for the AAA boys title. The Colts finished with 98 points just seven better than the Golden Bears.

Barnesville and St. Clairsville went toe-to-toe for much of the meet, but the Lady Shamrocks' ace Stephanie Morgan and others proved to be too much for the Lady Red Devils.

"Ryan is just a competitor," Daugherty said. "He's lucky to weigh 100 pounds, but he's got the mentality of a linebacker in football. He's just a special kid."

The Patriots' only other individual winner came in the discus where Seth Myers prevailed with a twirl of 138-ft-2.

The Park baton passers strutted their stuff time and time again during the meet.

The foursome of Eric Mendenhall, Alec Wood, Travis McKinley and Brandon McKinley combined speed to win both the 4x100 and 4x200 titles in times of 43.80 and 1:31.14, respectively.

The team of Wood, Travis Beihl and the McKinley brothers combined to win the 1600-meter relay in a time of 3:27.65.

During Thursday's action, the Patriots' foursome of Kyle Gramlich, Kevin Busick, Logan Wojick and Beihl posted a 8:26.96 to win the 3200-meter relay.

"I've got a great group of assistant coaches (Matt Abel, distance; Scott Hundley, pole vault; Rick Marsh, throws and Brett Wysocki, hurdles) who work with me, and I am truly lucky to have guys who put that much time in," Daugherty said. "I think the five titles are a tribute to the work ethic of our kids at Park."

Weir High's Red Riders finished second despite the fact that they

claimed three individual running titles.

Senior Cameron Brown won the 200 meter dash in a time of 22.89. Classmate Josh Webb posted a 50.28 to win the 400 and senior distance ace Stewart Jones — who settled for second behind the aforementioned Beabout in the 1600 and 3200 meter runs — got a victory in the 800 in a solid time of 2:00.46.

Brooke's lone winner came in the shuttles when the team of Jim McFarland, Joey Casella, Isacc Jones and Cotey Wallace teamed to clear 40 hurdles in a blistering 58.98 for the title.

Indian Creek's Mike Smith was a double winner in Class AAAA. The Redskins' senior pocketed the 300 meter intermediate hurdle title in a time of 39.21 to go along with the long jump crown he took on Thursday.

Edison's lone winner was Alex Nutter who skimmed 10 hurdles in 15.38 to win the 110-meter highs.

Cambridge's Zach McVicker won the high jump, soaring over 6-ft-2. Zanesville won a trio of events. Senior Anthony Chandler won the 100 meter dash in a time of 11.29, while senior Greg Clayton prevailed in the shot put with a heave of 45-ft-10 1/4. Jordan Minnick won the pole vault Thursday.

The Lady Patriots relied a little more on individual victories than

the boys, but regardless of how you get the most points, it's just the matter of having the most according to head coach Russell Hutchins, a former Bellaire High athletic standout.

"The kids just came down and ran their butts off," a smiling Hutchins said as he watched his team hoist its championship trophy.

"It's kind of nice when you can come to a meet and you can have two girls in the finals of a lot of events. The kids just came out and stepped up, and I am actually surprised."

Leading the way for the Lady Patriots was junior distance dandy Courtney Yaeger who claimed both the 1600 and 3200 meter run titles and settled for a second in the 800. In the 1600, Yaeger posted a 5:20.42 for the gold. She won the 3200 on Thursday in record-style.

The only other individual win the Lady Patriots posted came in the 100 when junior DaShayla Bell posted a 12.77 for the gold medal.

The Lady Patriots laid claim to victories in both the 400- and 800-meter relays. The foursome of Bell, Monae Walker, Caitlin O'Leary and Austyn Creighton posted meet records in both races, running 50.32 and 1:46.67 to edge out speedy Steubenville in both races.

Wheeling Park's crack shuttle team of Alicia Bonar, Ashley Dolan, Hannah Gompers and

Miranda Rios put forth a 65.80 for the title, also setting an OVAC meet record.

Steubenville won four events en route to runner-up honors.

Taja Lawson claimed the 200 meter dash, posting a 26.95, while Arabia Littlejohn won the lap dash in 60.23.

In the field, Big Red's Catherine Pendergrast cleared 5-ft-2 for the high jump title.

The Big Red also won the 1600-meter relay in a time of 4:16.53 thanks to the efforts of Shari Thomas, Quay Johnson, Pendergrast and Littlejohn.

Weir High's Lady Riders had a strong meet. Alexandra Bobalik ran a 16.19 for the 100 meter high hurdle title. The foursome of Janelle Jones, Natalie Bohn, Sarah Cline and Tricia Marker posted a 10:40.00 for the 3200 relay title.

John Marshall's Lady Monarchs were victorious in three events. Sophomore Julie Young ran a 46.40 to win the 300 meter low hurdles, while senior Hilary Mysliweic marked the discus at 104-ft-7. Jami Fonner won the pole vault crown during Thursday's action.

Indian Creek's lone winner was Chelsea Furda who ran two laps in a solid 2:22.50 to win the 800M run.

Cambridge's Kate Fausett won the long jump with a mark of 15-ft-1 1/2.

TITLES

Continued from page B5

"This an experienced group of girls and they poured their hearts out the last couple of days," said Barnesville head coach Darrell Davis. "We got contributions from a lot of people in a lot of areas. We had a bunch of kids step up for us."

The Lady Shamrocks were once again led by who else other than the aforementioned Morgan who did something she hadn't done all season. She pulled the distance triple, running and winning the 800-, 1600- and 3200-meter runs just nine days after running a national best mark of 4:41.22 to win the mile at the prestigious Penn Relays.

Morgan got her day going with a record-setting run in the 1600. She cruised to a 5:00.90, which was 12 seconds better than the old mark, which had stood since 2002. She came back a few hours later and ran two laps in a time of 2:13.10, which broke the old mark of her oldest sister Ruthie, which she set in 2002. She capped her individual afternoon with a 11:35.29, which was also a meet record.

"I just wanted to go out and win for the team," Morgan explained after the two-mile. "I wasn't really trying to bust out or run PRs. It was all about the team today. I was happy with my 800 time and breaking your sister's record is always good."

The Lady Shamrocks clinched their 12th OVAC title in school history with a victory in the 1600 relay when the team of Amanda Wahl, Karly Jones, Allie

Doan and Morgan put forth a 4:07.77 to win the final event of the contest. Mariah Miller won the pole vault on Thursday for the Lady Shamrocks.

Doan notched the title in the 300 meter low hurdles in a time of 47.47.

St. Clairsville was led by senior sprint standout Lindsey Neavin who breezed to victories in the 100 and 200 meter dashes, posting marks of 12.88 and 26.75, respectively for her golds. The Lady Devils' only other victory came during Thursday's action in the high jump when frosh Ashley Gordon soared over 5-ft-3 for the title.

Meadowbrook's girls had a strong showing in the meet, finishing third. Freshman Mara Cain was the champion in the high hurdles, posting a 15.89. The Lady Colts' 400-meter relay team of Cain, Mercedes Taylor, Sara Reed and Mekenzie Grey posted a 52.22 to win.

The team of Cain, Lacey Kirkman, Darien Singleton and Gray ran a 1:49.42 to win the 800 relay. Kirkman was the winner in the long jump, posting a mark of 15-ft-4.

Oak Glen also put forth a solid meet. The Lady Golden Bears were led by junior Hailee Temple who won the 400-meter dash in a time of 60.86.

The Lady Golden Bears also won the shuttles when the team of Elizabeth Mazecka, LeAnn Haught, Emily McElhaney and Heather Robb joined forces to post a 1:10.60. Oak Glen also won the 3200 relay during Thurs-

day's action.

Bellaire's Megan Green added the discus title on Saturday with a throw of 116-ft-6, adding that title to the shot put crown she won on Thursday.

On the boys' side, Meadowbrook used speed and more speed to repeat as the 3-A champion, using victories in three of the five relays for the title.

"At the start of the year after losing all of the people we lost to graduation, we thought we were pretty well devastated," said Meadowbrook head coach John Epperson. "But, we've had some guys step up and as the season's gone along, we thought we had a shot at winning, but we knew it would be close and it would be tough."

It was definitely both of those for the Colts, but in the end the speed won out.

Meadowbrook got its first win of the meet on Thursday in the pole vault and picked up 10 more points in the high jump when senior Jesse Frymyer prevailed with a clearance of 6-ft-6. The Colts' got on the board on the track in the 300 hurdles when Brandon Conrad prevailed with a time of 40.72.

Junior Josh Quinn pocketed the 200 meter dash title in a time of 23.27.

Meadowbrook's crack 400, 800 and 1600 relay teams also prevailed. The 400 squad of Davey Deffenbaugh, Quinn, Keiffer Watson and Frymyer teamed for a 44.45. The same team won the 800-meter relay in

1:31.55. The Colts' 1600 relay team of Cameron Ferhman, Quinn, Deffenbaugh and Frymyer posted a 3:30.20.

Oak Glen won a pair of events on the track. Junior Griff Halstead won the 800-meter run in a time of 2:01.34 to go along with Matt Ritchie's win during Thursday's action.

Harrison Central had a pair of winners during the meet. Junior speedster Wes Skinner claimed the 100 meter dash in a time of 11.35 and a couple of events later, junior Derrick Sproul won the 1600 meter run in a time of 4:36.29.

Wheeling Central's lone victory came from senior hurdler Chris Martin who won the highs in a time of 15.60.

St. Clairsville won a pair of events. Senior Anthony Skrabak won the shot put competition by more than six feet, posting a heave of 53-ft-2 3/4 to go along with Jonathan Ebbert's win during Thursday's 3200.

Magnolia won a pair of events. Luke Seavy won the 400-meter dash in a time of 50.22 and Kile Hale won the discus on Thursday.

Union Local's Zach Azalio, Sam Nardo, Kyle Jarrett and Brandon Nicholes joined hurdling forces to run a 60.25 to win the shuttles.

Martins Ferry got into the winning act during Thursday's action when it claimed the 3200 relay.

Big schools ready to make OVAC Track debut Thursday

With the small schools off and running this evening, it's time for the big schools to get their final tune-ups in preparation for Thursday's opening of the annual Cal Giffin OVAC Track and Field Championships.

The meet opens at 3 p.m. at Nelson Field in Bellaire with trials and finals in field events, setting the stage for running to open at 3:30 p.m. Unlike in years' past, the big schools will follow the same order of events as the small schools in terms of qualifying for the finals in the 300 hurdles and 400 meter dash.

The big school meet wraps up Saturday, concluding the four-day track and field carnival.

The Meadowbrook boys and St. Clairsville girls are the defending Class 3-A champions, while Buckeye Local and Wheeling Park's girls tied for the 4-A title and the Patriot boys claimed the big school crown a year ago.

IN 3-A, a lot of the same faces as last year figure to be in the hunt for the gold trophy come Saturday afternoon.

On the girls' side, the Lady Red Devils have been one of the area's stronger teams all spring with the ability to score points in a variety of areas.

Senior speedster Lindsey Neavin leads the way for the Red Devils in the short sprints. She's been complemented well by frosh Ashley Gordon.

Emily Tennant is another who's come up big for the Lady Red Devils in the long jump and on relays. Jamie Matkovich and Christina Prezzia are solid, versatile athletes for the Lady Red Devils.

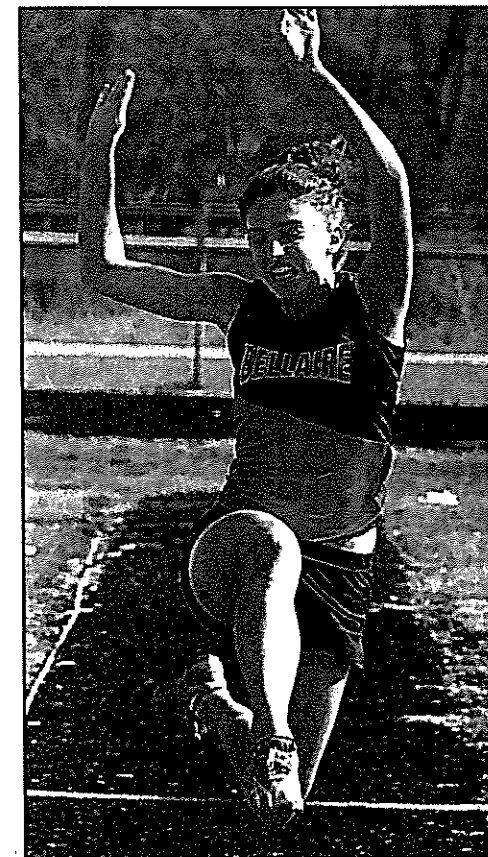

Sophomore Brooke Cenkus is the main Lady Devil entrant in the hurdles and also runs on the sprint relays.

The Pokas sisters – Olivia and Alex – are solid contributors in the middle distance events. Christina Seamon and Kate Hodgson are the Lady Devils' top distance running entrants.

"It seems like everyone gives their best performances of the year at the OVAC and

we have to follow suit if we are going to have a chance to be in the mix," said St. C. head coach Ben Frye. "We will have to come up big in the sprints and sprint relays and on top of that we'll need a total team effort because this meet will come down to fifth and sixth places."

The Lady Red Devils will receive a stiff challenge from Barnesville, which is the defending champion in Class 2-A, but has moved up this year.

Leading the way for the Lady Shamrocks is junior distance Stephanie Morgan. Morgan — the defending state champion in both the 1600 and 3200 meter runs — is coming off a victory at the Penn Relays where she ran a national best 1600 time of 4:41.22. She's unblemished this season and is versatile enough to run anything from 400 up, so it'll be a matter of what Coach Darrell Davis does with his phenom.

Barnesville is also fueled by senior Allie Doan in the 300 hurdles as well as relays. Junior Amanda Wahl is strong in the high jump and hurdles, while Abby Bishop is also one to watch in the hurdles. Sophomore Deanna Steele is in the pole vault mix.

Meadowbrook figures to make some noise on the girls' front this week. The Lady Colts are led by a pair of talented hurdlers in Maura Cain and Sara Reed.

Oak Glen will also score its share of points thanks to the sprinting of Hailee Temple in the 400. She's one of only two lap dasher in the conference to have gone under the 60-second barrier this spring.

Jamie Woofter expects to score well in the two throwing events. The Lady Bears also boast sound sprint relay squads.

Other female athletes to keep an eye on this weekend in the 3-A field include: Bellaire's Megan Green (discus and shot put) and Jalynn Keyser (long jump); Harrison Central's Ericka Skinner (high jump, 3200) and Union Local's Laura Minnich (pole vault).

THE 3-A BOYS race is equally wide open as the girls. No fewer than five teams come into the meet with legitimate hopes of claiming the pennant.

The defending champion Colts are once again strong. Senior high jumper Jesse Frymyer leads the way for the Colts in the field and also on relays. In the sprints, Keifer Watson and Josh Quinn lead the way in the 100 and 200 meter dashes, respectively. Brandon Conrad is one to watch in the 300 meter intermediate hurdles.

The Colts also boast the OVAC's fastest time in the 4x400, having ran a 3:27.33 this past weekend at John Glenn. The 4x200 team owns a conference-best 1:30.94 and the 4x1 is the third best, but best in 3-A with a 44.21.

Harrison Central is a team that figures to score well over the course of the 18-event meet. The Huskies are coming off a Buckeye 8 winning performance last Tuesday.

Junior sprinter Wes Skinner and junior distance ace Derrick Sproull figure to score well for the Huskies. Skinner is flirting with the 11-flat mark, while Sproull is prime to run under 4:40 this week in the 1600.

"I think we can make a run at the title," said Harrison head coach Ken Parker. "We need to score big points in the sprints and middle distance and our relays must be more consistent. We will need to score some points in the field and if we can come out of field events with a fair amount of points, we greatly increase our chances of finishing near the top."

The Red Devil boys — who finished second to the Huskies in the Buckeye 8 meet — should be in the mix for heavy scoring this weekend.

The Red Devils are led by a pair of talented distance runners in Alex Thornburg and Jonathan Ebbert who figure to be in the mix in both the 1600 and 3200 meter runs. St.

Clairsville also possesses the odds on favorite in both throwing events with senior strongman Anthony Skrabak who has blossomed into one of the area's premier throwers this spring.

The Saints also feature one of the valley's top shuttle teams and seniors Micahel Bigelow and Deleoiun Jackson are two to watch in the 110-meter high hurdles.

"The boys side is extremely competitive this year," Frye said. "We have to show up, give our best performances of the year and let the chips fall where they may."

Union Local — which finished second last year in this meet — is solid again this spring. Leading the way for the Jets is senior hurdler Sam Nardo who is the defending champion in the highs. He's a formidable entrant in both the highs and intermediates this spring.

Junior Brandon Nicholes is one to watch in the long jump after he flirted with the 21-foot barrier in last weekend's Bellaire Relays.

The Jets also offer solid sprint relays and a shuttle team that could fare well this weekend.

Oak Glen — which won the Shadyside Relays two weeks ago — is another team that could fare well thanks to its sprinting contingent. The Golden Bears are led by Griff Halstead in the 200 and 400 meter dashes. The Bears also feature strong relay squads, which should fare well this weekend.

Other individuals to watch include: Bellaire's Tyler Barnes (100); Magnolia's Luke Seavy (800); Wheeling Central's Chris Martin (hurdles), Aaron Schneid (throws); Barnesville's Jonny Miller (pole vault); Martins Ferry's 4x800 team, Cameron Gasmire (400, 800).

IN 4-A, the Wheeling Park Patriots appear to be poised to make a significant run at both championships this weekend.

A win for the Patriot boys would be their fifth straight and a remarkable seventh in nine years.

"I have been very happy with this year's team because they are a true team," said Park head coach Chris Daugherty. "We are scoring in a lot of areas and there isn't really a strong area compared to another."

That alone is going to make the Patriots tough to beat this weekend.

The Patriots are led into the meet by University of Tennessee signee Ryan Beabout in the long distance races. He's posted an OVAC best time of 9:11.58 and he also leads the 1600 field with a time of 4:20.90.

The Patriots also feature the OVAC's top 400 meter dasher in Brandon McKinley. His brother Travis

McKinley is also a solid contributor for the Patriots.

The Pats are also strong in the relays. Their 4x800 team is the OVAC's best with a mark of 8:22.6 and their 4x4 team has posted a 3:27.78. Their 4x1 and 4x2 teams are also amongst the valley's best.

"Relays are an important area for us," Daugherty said. "We need to place highly in each of those relays."

Wheeling Park is also strong in the field most notably the long jump, pole vault and discus.

Zanesville, Weir and Steubenville could make runs at the Park's supremacy, but each has deficiencies the Patriots should take advantage of.

The Blue Devils and Big Red have speed. Zanesville's got Anthony Chandler, Bryan Gaiters and Jordan Minnick in the sprints and forms solid relays. Minnick is also the valley's top pole vaulter having cleared 14-feet.

Big Red, meanwhile, is strong once again in the relay events despite the graduate of two-event state champion Maurice Bougard. DeTroy Smith is the top Big Red entrant in the open sprints. Salem James is the top Big Red hurdler with a valley-leading 15.1 clocking.

Weir High is solid in the distance events with Stewart Jones leading the way. The Red Riders also feature the top long jumper in Class 4-A in Cameron Brown.

Others to keep an eye on include: John Marshall's Mark Sampson (sprints, hurdles) and Carson Schambaugh (distance); Brooke's Jonathan McFarland (hurdles); Indian Creek's Mike Smith (hurdles) and Dorien Thomas (sprints); Buckeye Local's Joe Kubat (throws); Cambridge's Zach McVicker (800) and Beaver Local's Jon Bittenger (hurdles).

In the 4-A girls race, Wheeling Park appears once again to be the favorite with solid entrants in nearly every area of the meet.

"We feel we have a balanced team this year," said Lady Patriot head coach Russell Hutchins, a former Bellaire High football standout. "Our strengths will be on the track. We are young in most of the field events, so any points they can provide will be much-needed."

The Lady Patriots are led by distance ace Courtney Yaeger in the 1600 and 3200 meter runs. She's listed amongst the valley's best in both the 1600 and 3200 meter runs.

In the sprints, Monae Walker has been the dominant big-school sprinter all spring along with DaShayla Bell for the Patriots. Hannah Gompers is the top Lady Patriot entrant in the hurdles.

Park also boasts strong 4x1 and 4x2 teams. They also feature the OVAC's premier female shuttle team, which has posted a solid 65.43.

Buckeye Local — which got a share of the crown a year ago — was hit hard by graduation with key points now gone, but Lady Panther coach Julia Laiuvara-Beadling thinks her team could make some noise this weekend.

"We should have some great individual performances at the meet to help lift the team this year," Laiuvara-Beadling said. "If everyone performs as we planned, I think we can finish the in the top four."

The Lady Panthers are led by talented junior distance runner Sherry Borsos who owns one of the area's top times in the 1600 and 3200 meter runs this spring.

Other individuals to watch in 4-A include: Beaver Local's Macy Webber (middle distance); Steubenville's Arabia Littlejohn (sprints) and 4x200 team; Brooke's Julie DeStefano (long jump); John Marshall's Jami Fonner (pole vault) and Weir High's Alli Bobalick (hurdles).

The annual Cal Giffin OVAC Track and Field Championship has reached its halfway point as the large schools – classes 3-A and 4-A – got into the act Thursday evening at Bellaire's Nelson Field.

A few familiar faces grabbed the top spots after the opening day of action, which included finals in only a handful of events.

The Barnesville girls – the defending 2-A champion – snared the top spot in the 3-A girls race, accumulating 29

points. Meadowbrook and Oak Glen are second and third, respectively with 22 and 17 points, respectively.

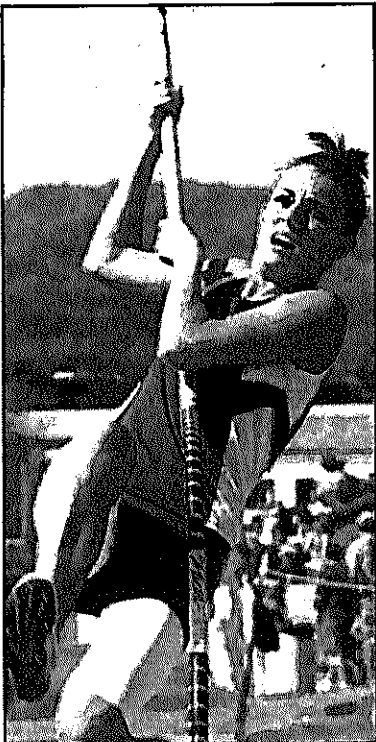

The St. Clairsville boys got off to a strong start to take the lead in the 3-A meet, scoring 27 points. Defending champion Meadowbrook scored 20, while both Wheeling Central and Barnesville tallied 19 during the first day of action.

Cambridge's girls got out of the gates quickly en route to 25 points, which is four more than defending co-champion Wheeling Park. Zanesville and John Marshall finished with 16 points.

The Wheeling Park boys – displaying both depth and talent – surged to the early lead with 49

points. That total is 29 better than John Marshall and 30 better than third-place Weir.

IN CLASS 3-A, the Lady Shamrocks – who expect to score well on the track on Saturday – got off to a strong start with a victory in the first event of the meet. Sophomore Mariah Miller cleared 8-ft-6 for the pole vault crown.

Defending champion St. Clairsville – which qualified in the short sprints and hurdles well during Thursday's action – picked up an unexpected victory in the high jump. Freshman dandy Ashley Gordon posted a career-best 5-ft-3 to claim the gold medal. She won by three inches.

Oak Glen – which also qualified well on the track – got a victory in the 4x800 relay when the team of Haley Baird, Alexandra Hauser, Kristen Ayers and Annah Cashdollar teamed for a 10:18.20 and the title.

Bellaire's Megan Green successfully defended her shot put crown when she launched the iron ball to a mark of 39-ft-11, which was some six better than her nearest competitor.

The Red Devil boys got a strong showing in the 3200 meter run thanks to junior Jonathan Ebbert who put forth a season-best effort of 9:59.70 to claim the two-mile title. Sophomore teammate Alex Thornburg finished right behind him, giving the Saints an early 18 points.

Meadowbrook's lone victory came in the pole vault. Colts' junior Shawn Light soared over 12-ft-6 for the gold.

Oak Glen – which had a solid day of qualifying – was led by junior Matt Ritchie who marked the sand at 20-ft-7 1/2 to win the long jump title.

Magnolia had a winner during the opening day. Blue Eagle Kile Hale twirled the platter to a mark of 144-ft-1 to win the discus.

IN CLASS 4-A, the Wheeling Park Patriots flexed their muscle early and often en route to a commanding lead.

The Patriots – of head coach Chris Daugherty – claimed victories in three of the five events contest.

Senior distance dandy Ryan Beabout – who has signed with the University of Tennessee – repeated in the 3200 meter run, circling the Nelson Field oval in 9:27.66 for the gold.

The Patriots got additional distance points when the four-some of Kyle Gramlich, Kevin Busick, Logan Wojick and Travis Biehl put forth a 8:26.96 clocking to win the 4x800.

Senior Seth Myers got the Pats going in the field when he won the discus with a toss of 138-ft-2, which was nearly three feet further than anyone else in the field.

Zanesville – which qualified well in the speed events – got 10 points from junior vaulter Jordan Minnick who established a new meet record, clearing 14-ft-1 1/2, which broke the old mark, which had stood since 1992. Earlier this week, Minnick established a new all-time Ohio Valley record when he cleared 15-ft-3.

Indian Creek claimed the other victory in the 4-A meet. Senior standout Mike Smith – who also posted the top qualifying time in the 300 intermediate hurdles – soared to a mark of 20-ft-10 for the long jump gold.

The Cambridge girls took the lead on the opening day, but did so without the luxury of a victory.

Wheeling Park – which figures to score well on Saturday on the track – got off to a good start thanks to a record-setting performance from junior Courtney Yaeger who ran a 11:17.20 for the gold. In the process she established a new meet record, breaking the old mark of 11:18.38, which had stood for 13 years.

John Marshall's ace vaulter Jami Fonner was once again victorious, clearing 9-ft-6 for the pole vault crown.

Steubenville's Catherine Pendergrast laid claim to the high jump title, soaring over 5-ft-2 for the title.

Zanesville junior Katie Umstott was the winner in the shot put, posting a throw of 37-feet to win by nearly two feet.

Action resumes Saturday with remaining field events at 10 a.m. and the running finals at 11 a.m.

The Cal Giffin Track and Field Championship passes out its first hardware of the weekend this evening at Shadyside's Fleming Field when the small schools put the finishing touches on the conference championship.

Irish squads on top at OVAC meet

Track and field - OVAC style - took center stage Wednesday evening.

The annual Cal Giffin OVAC Track and Field Championship got under way under sunny, yet chilly conditions at Shadyside's Fleming Field with the Class A and AA

schools starting their two-day trek toward the coveted pennant.

The meet wraps up Friday evening back at Shadyside with field events slated to begin at 4 p.m. and running finals take to the track at 5 p.m.

The St. John Central Fighting Irish got off to a strong start in the Class A team chase. The girls - who are the defending Division III state champions - came into the meets as the favorite and didn't disappoint,

racing to 34 points. Beallsville is currently second with 23.

Thanks to strength in distance and the pole vault, the Irish boys charged to the first-day lead with 46 points. Valley is second with 36 and Toronto is third with 24

points.

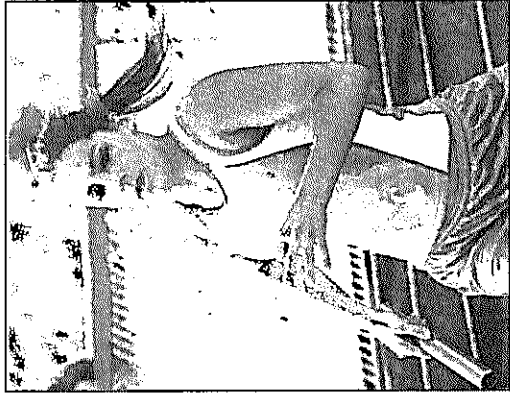

Defending AA boys' champion River got off to a good start, qualifying well, and posting 26 points. That total is four points better than the host Tigers. Caldwell is third with 20 and Linsly and Buckeye Trail each scored 18 in a nip-and-tuck AA field.

The Lady Redskins snatched the opening-day lead, finishing with 27 points in girls' AA.

Fort Frye is second with 20 and Buckeye Trail checks in with 19.5, while River accumulated 18.

In Class A, the Lady Irish won three of the four events contested and qualified well on the track.

Coach Bubba Kapral's team got off and running thanks to a repeat victory in the pole vault from sophomore Alexa Macri who was the only vaulter in the field to clear a height for the crown. She got over 6-feet for the gold.

The Irish distance domination wasn't limited to the males.

The foursome of Natalie Perzanowski, Jamie Perzanowski, Kelly Perzanowski and Sarah Kosky posted a 10:17.63, which was 25 seconds better than their nearest competitor for a victory in the 3,200 relay.

Junior thrower Lauren Jenkins - competing in her first Class A meet - gained gold in the shot put with a heave of 36 feet, 5 inches, which was nearly 5 feet better than the second-place finisher.

Included in the Fighting Irish qualifying was a record-setting performance. Senior hurdler Kylie Kidder posted a 15.40 in the highs, which established a meet record, breaking the old mark, which had stood for 11 years.

The only victory in Class A that didn't go the way of the Irish went to Bishop Donahue. Sophomore Lacey Hampton cleared 4 feet, 10 inches to win the high jump.

The Irish boys scored all of their points in three events.

The Johnnies went 1-2 in both the 3,200-meter run and also the pole vault, while claiming the 3,200 relay title.

In the 3,200, the sophomore duo of Luke Holubeck and Matt Moscato ran with each other for the majority of the eight laps before Holubeck pulled away for the victory in a time of 10:08.86.

In the pole vault, senior Dan Sansone cleared a personal-best height of 13 feet, 3 inches for the gold medal. He was followed by junior Carl Piper in the event.

The Irish foursome of Moscato, Ian Gulley, Marty Swartz and Sam Foster turned in a 9:03.97, which was 39 seconds better than their nearest competition in the 3,200 relay.

The Lumberjacks climbed to their second-place standing thanks to brilliance in the discus and long jump.

Senior Haden Kocher marked the sand at 20 feet, 11 inches for the gold medal in the long jump, while classmate Jerry Mason twirled the discus to a mark of 137 feet, 8 inches for that title.

In Class AA, the River boys got off to a strong start and had only one victory to propel them, as five different schools claimed individual titles.

Senior Harold Earley claimed the discus throw with a mark of 153 feet, 6 inches.

Shadyside took its second-place standard thanks to one victory as well.

OVAC track gets under way Wednesday in Shadyside

• Small schools wrap up Friday; Big schools on tap Thursday

Runners to your marks.

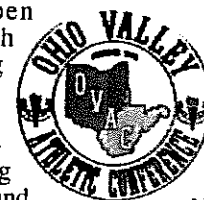

That will be the command that will be heard loud and clear throughout the Ohio Valley this week as area thinclads get into the OVAC Championship spirit.

The annual Cal Giffin OVAC Track and Field Championships open Wednesday and run daily through Saturday at Shadyside's Fleming Field and Bellaire's Nelson Field.

The small schools open Wednesday in Shadyside and conclude on Friday, while the big schools get into the act Thursday and wrap up on Saturday.

A total of six running finals and 12 field events will take place during the first day of action along with qualifying heats of the short sprints, 300 hurdles and 400 dashes.

The fields for the small divisions has been changed somewhat. Defending girls' 2-A champion Barnesville is now in 3-A as is Wheeling Central. However, Shadyside and Linsly have bumped up to the the 2-A field, while Rosecrans makes its OVAC

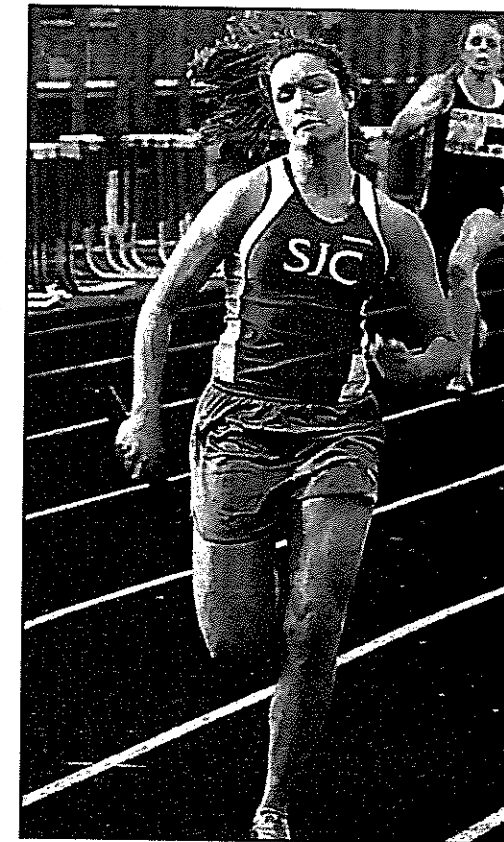

Track debut in 1-A and Toronto is also in the 1-A field.

In 1-A, the girls' race appears to be a matter of by how many rather than who. The St. John Central girls — who have won six championships in a row and nine in school history — are the class of the field and class of the conference.

The defending Division III state champions have a some of everything. Whether it be sprinters, hurdlers, distance runners, jumpers or throwers, the Lady Irish have got it.

The Lady Irish corp group is led by Kylie Kidder, Natalie Perzanowski, Justene Delman, Kelly Perzanowski, Alexis Campbell, Lauren Jenkins, Audra Macri, Alexa Macri Emily Hawthorne and Sarah Kosky in a wide variety of events.

"The OVAC championship meet is definitely one of the highlights of the track and field season," said Lady Irish head coach Bubba Kapral, who's been at the helm for each of the Green's girls titles. "Our girls have experienced a tremendous season thus

far. We believe the girls are primed for a strong run at retaining our conference crown. We look formidable across the board."

A couple of other local individuals to keep an eye on include: Bridgeport's Cassie Grandstaff (sprints), Beallsville's Savannah Burke (jumps, middle distance).

The 1-A boys field is a little more wide open with a bevy of teams ready to make a run at the crown.

Toronto, Beallsville, Bishop Donahue and St. John all have reasons to enter the meet with high hopes.

The Irish are led by their distance contingent with junior Sam Foster leading the way in the two longer races. Junior Dan Sansone is one to watch in the pole vault.

While distance and field events have been the strength of the Irish the past couple of seasons, Kapral is looking for his speed to step up.

"I see this as a four-way battle," Kapral said. "Each team has some strong points as well as weaknesses. For us, distance and pole vaulting with a be a springboard. I think the team title can be won with about 100 points. Our big key is for our sprinters and relays to come through."

Beallsville is led by Craig Neiswanger in the field events and the hurdles. Derek Rippey is another Blue Devil to watch along with junior Eric Lucas.

The entire 1-A field consists of: Bishop Donahue, Paden City, Weirton Madonna, Bishop Rosecrans, St. John, Conotton Valley, Beallsville, Bridgeport, Valley and Toronto.

The 2-A field is deep and equally wide open on the boys' side.

Buckeye Trail has been strong during the early stages of the season. The Warriors are coming off a runner-up finish at the prestigious Shadyside Relays two weeks ago. The Warriors are strong in the field with Brock Davis, Ethan Cunningham and Isaac Cunningham doing the brunt of the damage. Trail is also solid in the sprints and hurdles with the same trio.

"The field events, sprints and relays are crucial to the overall team performance," said Trail head coach Toni Gallow. "We are looking forward to the potential for record-setting events."

Stuebenville Catholic is another to keep an eye on. The Crusaders boast one of the conference's top sprinters regardless of class in senior burner Dan Cook who ranks among the valley's best in all three open races.

The defending champion River Pilots won't go quietly this weekend by any means. Coach Tim Frye's program has won six titles in its history and could very well make another run this week.

Junior strongman D.J. Duke is aiming for his third consecutive title in the shot put and owns the valley's best heave and all-time valley record with a throw of better than 60-feet. Harold Earley is another Pilot to watch this weekend in the field events along with Chad Potts in the pole vault.

Shadyside - which leads the OVAC membership with 28 track and field crowns - won the title in 2006 and settled for second a year ago to Linsly. The Tigers are led by senior Troy Tollett who's come on of late in the distance races. Senior Nathaniel Haney is another solid entrant in the sprints for the Orange.

The aforementioned Cadets are third amongst OVAC schools with 16 conference banners in track and field. Linsly is led by versatile senior Nader Sawtarie, senior strongman Chidozie Oparanozie and senior C.J. Goodwin.

Some of the other individuals in 2-A to keep an eye on include: Shenandoah's Joey Wheeler (long jump, hurdles), Fort Frye's Jeremy Anderson (distance) and Caldwell's Tyler Cordell (distance).

Stuebenville Catholic's girls appear to be the odds on favorite in 2-A on the distaff side entering the meet.

Coach Bob Stanko's Lady Crusaders are led by speed, relays and jumpers. Bernadette Dubois, frosh Teddi Maslowski, and Eliza Scarnecchia lead the sprinting contingent. Jane Claire Vosteen is the premier high jumper in the field.

Shadyside has a trio of girls to watch this week. Senior Laken Gibson will be entered in the high jump, while hurdling dandies Kelsey Holloway and Rebecca Haney should fare well.

River is led by Sara Blatt - who has missed a big portion of the early season and also Kayla Krepansky in the pole vault.

Buckeye Trail is led by Kaci Cunningham in the sprints. *Staskey can be reached at sstaskey@timesleaderonline.com*

Wheeling Park sweeps 4-A OVAC track titles

By **SETH STASKEY**
Times Leader Sports Editor

Track teams want to be at their best when the calendar turns to May and into June.

And as the West Virginia schools get set to begin post-season action this week with regional competition, it's safe to say Wheeling Park is getting real close to its best on both the boys and girls' sides.

That point is further proven by the dominating fashion in which the Patriots swept the boys and girls 4-A titles during Saturday's Cal Giffin OVAC Track and Field Championship held at Bellaire's Nelson Field.

The Patriot boys — who are the reigning AAA State Champions in West Virginia — notched their fifth consecutive OVAC track and field title and their 19th title in school history, scoring 138 points. Weir High and Zanesville went second and third, respectively with 77 and 76 points.

The Lady Patriots, meanwhile, didn't want to be outdone by the boys, so they scored 116 points, which outdistanced Steubenville (94) and Weir High (76) for their seventh conference title in school history and second straight.

THE PARK boys exemplified a track team this week, winning just three open events. However, they claimed four of the five relays and used their depth to notch the remainder of their tallies.

The Patriot boys were led by senior distance dandy Ryan Beabout. The University of Tennessee signee came out Saturday and added to his lengthy resume, winning the 1600 in record-setting fashion. He circled the oval four times in 4:18.71, which was a little more than a second faster than the old mark, which had stood since 1985.

Beabout had won the 3200 title during Thursday's action, posting a solid 9:27.66 for the victory.

The Patriots' only other individual winner came in the discus where Seth Myers prevailed with a twirl of 138-ft-2.

The Park baton passers strutted their stuff time and time again during the meet.

The foursome of Eric Mendenhall, Alec Wood, Travis McKinley and Brandon McKinley combined speed to win both the 4x100 and 4x200 titles in times of 43.80 and 1:31.14, respectively.

The team of Wood, Travis Beihl and the McKinley brothers combined to win the 4x400 in a time of 3:27.65.

During Thursday's action, the Patriots' foursome of Kyle Gramlich, Kevin Busick, Logan Wojick and Beihl posted a 8:26.96 to win the 4x800 relay.

Weir High's Red Riders finished second despite the fact that they claimed three individual running titles.

Senior Cameron Brown won the 200 meter dash in a time of 22.89. Classmate Josh Webb posted a 50.28 to win the 400 and senior distance ace Stewart Jones — who settled for second behind the aforementioned Beabout in the 1600 and 3200 meter runs — got a victory in the 800 in a solid time of 2:00.46.

Indian Creek's Mike Smith was a double winner in 4-A.

The Redskins' senior pocketed the 300 meter intermediate hurdle title in a time of 39.21 to go along with the long jump crown he took on Thursday.

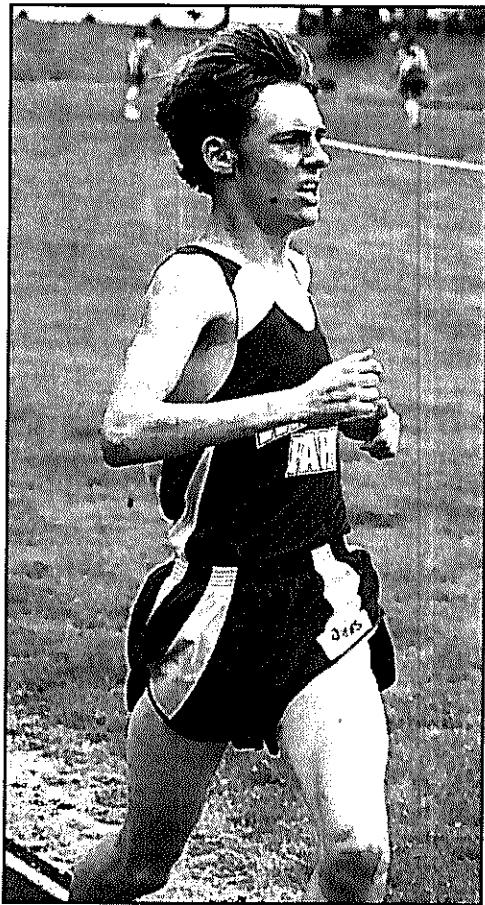

Edison's lone winner was Alex Nutter who skimmed 10 hurdles in 15.38 to win the 110-meter highs.

Cambridge's Zach McVicker won the high jump, soaring over 6-ft-2. Zanesville won a trio of events.

Senior Anthony Chandler won the 100 meter dash in a time of 11.29, while senior Greg Clayton prevailed in the shot put with a heave of 45-ft-10 1/4.

Jordan Minnick won the pole vault Thursday.

THE LADY PATRIOTS relied a little more on individual victories than the boys, but regardless of how you get the most

points, it's just the matter of having the most according to head coach Russell Hutchins, a former Bellaire High athletic standout.

Leading the way for the Lady Patriots was junior distance dandy Courtney Yaeger who claimed both the 1600 and 3200 meter run titles and settled for a second in the 800. In the 1600, Yaeger posted a 5:20.42 for the gold. She won the 3200 on Thursday in record-style.

The only other individual win the Lady Patriots posted came in the 100 when junior DaShayla Bell posted a 12.77 for the gold medal.

The Lady Patriots laid claim to victories in both the 4x1 and 4x200 relays. The foursome of Bell, Monae Walker, Caitlin O'Leary and Austyn Creighton posted meet records in both races, running 50.32 and 1:46.67 to edge out speedy Steubenville in both races.

Wheeling Park's crack shuttle team of Alicia Bonar, Ashley Dolan, Hannah Gompers and Miranda Rios put forth a 65.80 for the title.

Steubenville won four events en route to runner-up honors.

Taja Lawson claimed the 200 meter dash, posting a 26.95, while Arabia Littlejohn won the lap dash in 60.23.

In the field, Big Red's Catherine Pendergrast cleared 5-ft-2 for the high jump title.

The Big Red also won the 4x400 relay in a time of 4:16.53 thanks to the efforts of Shari Thomas, Quay Johnson, Pendergrast and Littlejohn.

Weir High's Lady Riders had a strong meet. Alexandra Bobalik ran a 16.19 for the 100 meter high hurdle title. The foursome of Janelle Jones, Natalie Bohn, Sarah Cline and Tricia Marker posted a 10:40.00 for the 3200 relay title.

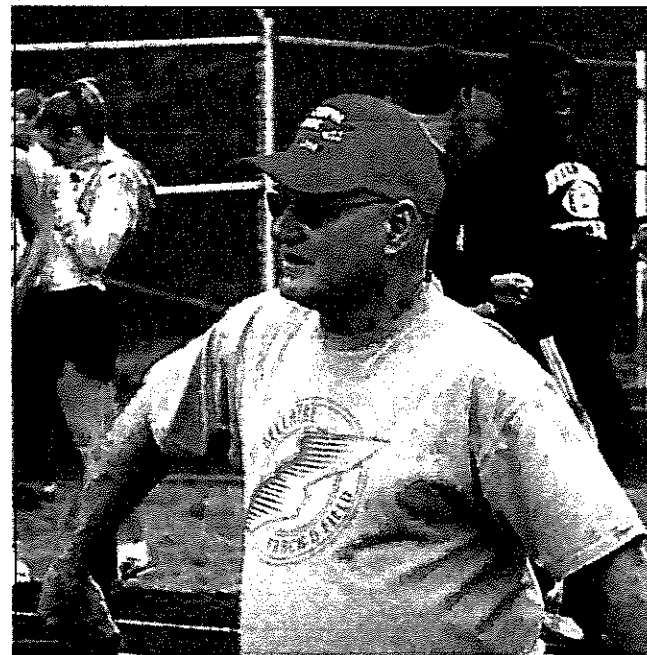

Indian Creek's lone winner was Chelsea Furda who ran two laps in a solid 2:22.50 to win the 800M run.

Cambridge's Kate Fausett won the long jump with a mark of 15-ft-1 1/2.

10 or 12 false starts — was basically a forgone conclusion for the Lady Irish, the fact that it was the seventh straight is something that Kapral is most pleased with.

"I didn't realize we won that many events," Kapral said. "What impresses me about tonight was our times and marks were off the charts in every area, which is something I really didn't expect."

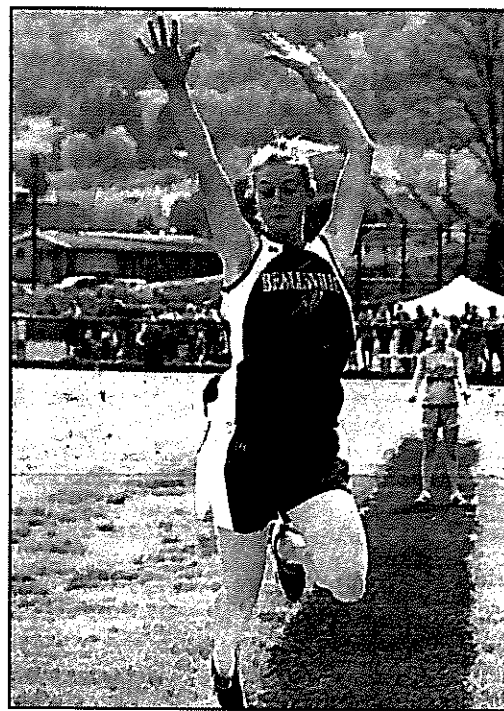

Seeing that the title — barring

10 or 12 false starts — was basically a forgone conclusion for the Lady Irish, the fact that it was the seventh straight is something that Kapral is most pleased with.

"No one has ever done that girls-wise, so it was nice to get that record," Kapral said. "We knew going in that we were the team to beat if we performed, but it's how we performed. We won events, but we also won them very impressively."

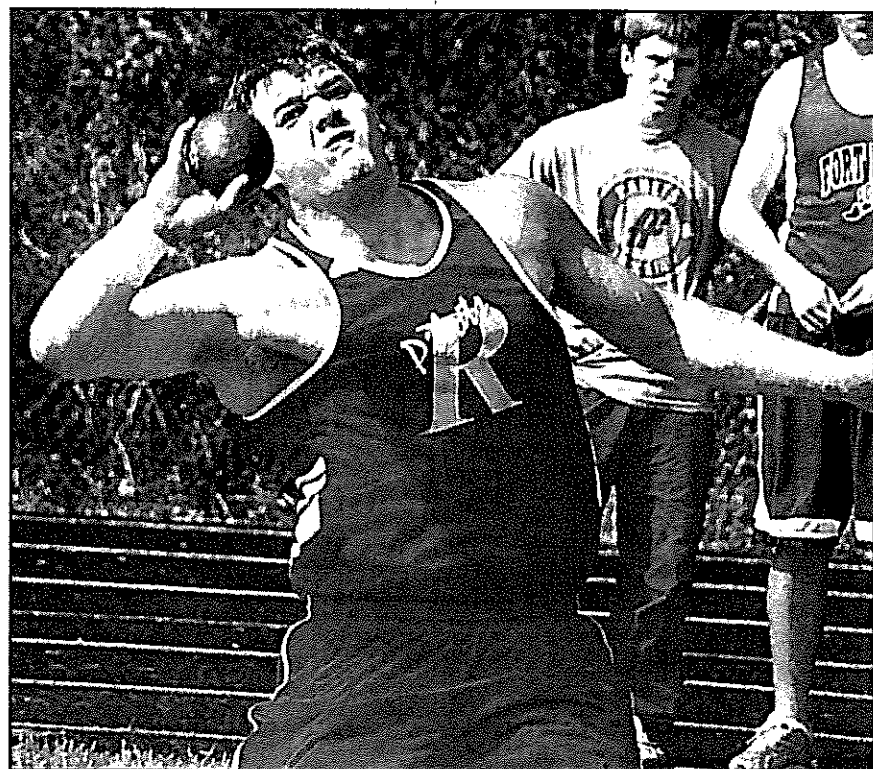

The Lady Irish — who define the term team — were once again led by their senior duo of Kylie Kidder and Natalie Perzanowski who both departed Fleming Field for the final time with four gold medals draped around their necks.

Kidder — an all-Ohioan in both hurdle events — got her medals in record-setting fashion.

RIVER HIGH'S D.J. Duke unleashes a shot put heave of 58-feet to win the iron-ball event Friday at the OVAC Track and Field Championship in Shadyside.

Steubenville CC sweeps Class 2-A hardware; Duke sets record

Coming into Friday's final day of the Class 2-A Cal Giffin OVAC Track and Field Championship, Bob Stanko liked his Steubenville Catholic Crusaders' chances of claiming both titles.

However, as he waited around Friday for the action to get under way at Shadyside's Fleming Field, he started getting nervous.

The nerves were quickly calmed as the Crusaders scored early and often on the track en route to a sweep in 2-A with both the boys and girls winning by big margins.

The Lady Crusaders — who were the odds-on favorites coming into the meet with their speed and depth — rolled to 170 points, which was 83.5 better than runner-up Buckeye Trail.

The Crusader boys, meanwhile, scored 104 points, which was 22.5 better than runner-up Linsly, which came into the meet as the defending 1-A champions.

"Our kids love this meet," Stanko smiled after he heard his teams had clinched the titles mathematically. "I truly believed the whole time that our boys had a chance and it depended on a lot of things and our sprinters really came through for us."

When sprinters come through, it's big because the sport of track and field is about speed and the sprint events outnumber the distance events.

Senior Dan Cook took that philosophy and sprinted this week. Cook came to Shadyside with a chip on his shoulder and wanted nothing more than to head back to Jefferson County with the school's third OVAC title in four years. He wanted it so much he asked Stanko to address the team privately Tuesday at practice.

"I was telling the guys that even though we are a relatively young team that I believed in them and we could do this," the personable Cook relayed. "Age doesn't mean anything, and I had faith in them all year long, and I told

them nothing was going to rain on our parade this week."

Nothing - not even a few-intermittent showers late in the afternoon - could stop the Crusaders and more specifically, Cook, who ran away with the 100 and 200 meter titles in times of 11.03 and 22.47, respectively.

Sophomore Lance Westlake came up big, finishing right behind Cook in the two short sprints. Frosh Danny Schlich was a runnerup in the 3200 on Wednesday. Dan Fischer was a runnerup in the intermediate hurdles and the Crusaders were second in the 4x8 relay.

The runner-up Cadets used their speed and relay dominance to grab the runner-up plaque. The Cadet team of Brett Saltick, C.J. Goodwin, Chidozie Oparanozie and Nader Sawtarie put forth a 44.90 clocking to win the 4x100 title.

The 4x2 team of Saltrick, Cody Campbell, Goodwin and Sawtarie posted a solid 1:33.35 to win the 800 relay, while the team of Saltrick, Matt Fahey, Campbell and Sawtarie ran a 3:33.32 to win the 4x400.

The shuttle team of Michael Dugas, Campbell, Devin Hardy and Oparanozie ran a 63.52 for the victory in the hurdle relay.

Buckeye Trail was led by senior Brock Davis who claimed the OVAC gold medal in the 400 meter dash in a time of 51.75. Junior Ethan Snyder prevailed in the 110-meter high hurdles in a time of 15.48 and he came back a few events later and ran a 40.91 to win the 300 meter hurdles.

In the field, Isaac Snyder soared over 6-feet for the victory in the high jump.

River - which was the defending 2-A champion - got another big-time effort from junior strongman D.J. Duke who launched the shot put to a mark of 58-feet to break his own meet record from a year ago. On Wednesday, Harold Earley claimed the discus title with a twirl of 153-ft-6.

Shadyside's lone gold medalist was junior David

but we saw some people coming and they just stepped right in."

The Lady Crusaders were led by freshman Teddi Maslowski who pulled the impressive double and won the 100 meter high hurdles and then went back up the track and posted a victory in the 100 meter dash. She ran winning times of 15.76 and 12.93 for the gold medals.

However, she wasn't done.

She came back later in the meet and ran an impressive 46.78 to claim the 300 meter low hurdle crown.

"At the beginning of the year, I really thought it was impossible for me to win anything at this meet, but my teammates kept encouraging me," Maslowski said, grinning widely. "I ran my best time in the 300 hurdles, and I usually run faster times in the preliminaries, so I was really happy with the meet."

Junior speedster Bernadette Dubois got into the gold medal act by winning the 200 and 400 meter dashes in 26.22 and 59.97, respectively. She picked up two more gold medals later in the evening by running on two victorious relay teams.

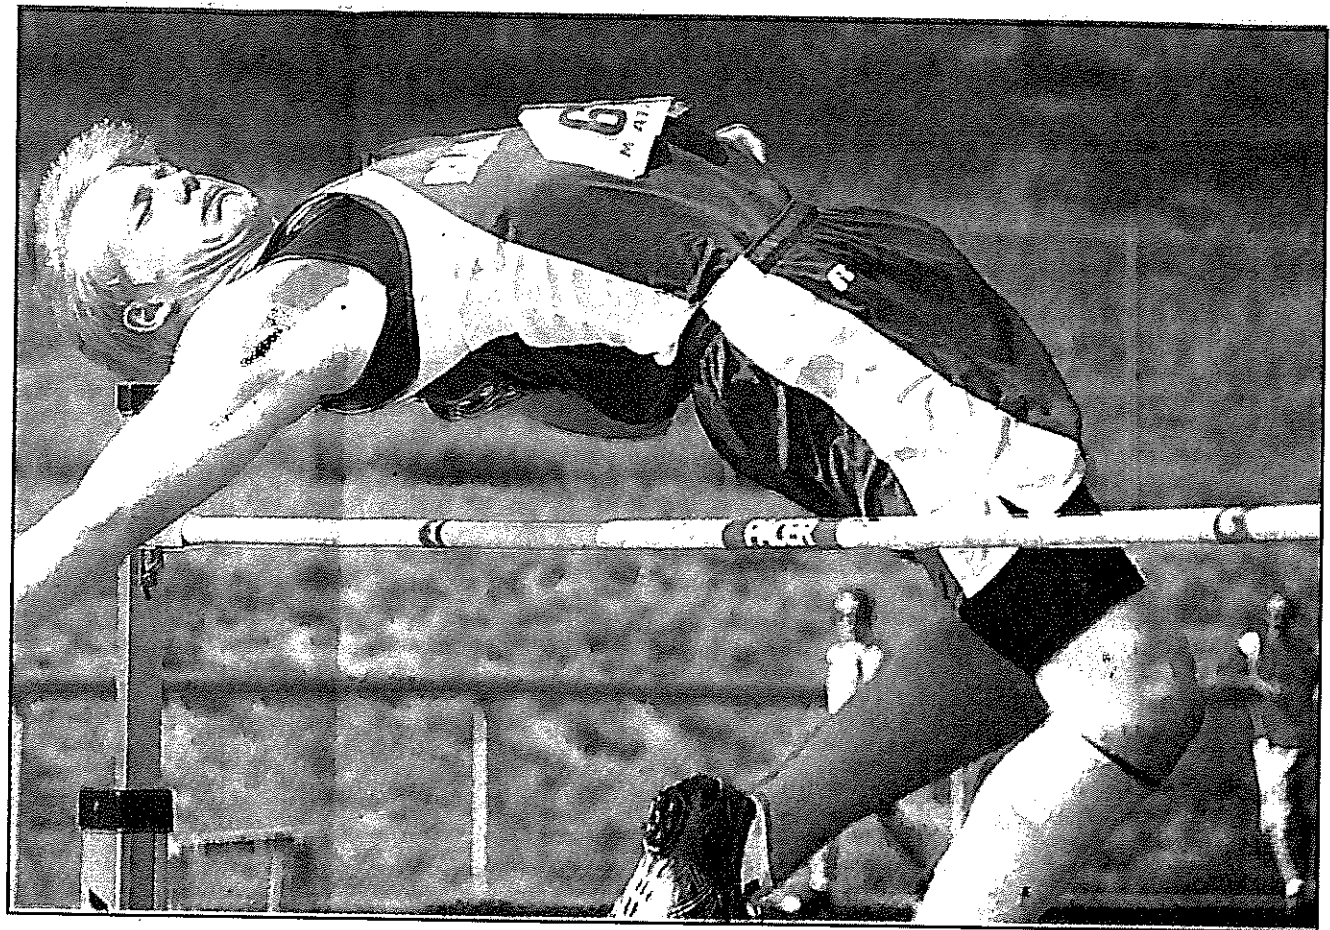

Junior Jane Crosby - who's been battling injuries according to her coach - responded with a victory in the 800 meter run, circling the oval twice in 2:34.17 for the title.

The Lady Crusaders' 4x200 team of DuBois, Maslowski, Kristine Varkony and Katrina Vosteen ran a 1:48.65 for the gold. Catholic Central's 4x4 team of DuBois, Christina Homol, Cassy Stevens and Vosteen posted a 4:16.50 for that title to end the meet.

Buckeye Trail's lone meet champion was freshman Niki Montgomery posted a 5:50.40 for the title in the 1600 and on Wednesday, she ran eight laps in 12:24.99.

Linsly won a pair of relay events in the meet. The Lady Cadets' 4x100 team of Katie Jochum, Addie Jochum, Jessica Jenkins and Chelsea Hennen ran a 53.09 for the crown.

The Linsly 4x800 team of Breanna Burkhardt, Jessica

The 'Red Rocket' skimmed 10 hurdles in a time of 15.37, which established a new meet record during the first 1-A event of the meet.

She came back later and posted a smoking 45.39 clocking in the 300 meter low hurdles, which is not only a meet record, but also a Fleming Field record.

"I ran really well today," Kidder said. "We are really happy to win it again, and everyone contributed to this, which makes it even better. I was really nervous for the lows today, and I felt really good coming out of the blocks and then when I heard the time I was really excited."

The Lady Irish - with Kidder running on the team - posted a pair of victories in the sprint relays.

The team of Kidder, Emily Hawthorne, Alexis Campbell and Justene Delman posted a meet and stadium record time of 50.18 to win the 400 relay. The same foursome won the 800 relay earlier in the meet in a time of 1:47.64.

Perzanowski, meanwhile, has an already impressive resume, which includes 11 OVAC team titles in her 12 varsity sports. She added four more gold medals this weekend, including the distance sweep Friday.

"Everyone is running really well right now, and I think we're more of a team working together better than we have the last three years."

Perzanowski's fourth gold came on Wednesday when the Lady Irish claimed the 4x800 title in a time of 10:17.63.

The aforementioned Campbell also pocketed four gold medals in the sprints. Along with running a leg on each of the sprint relays, Campbell posted a season-best 59.79 for the 400 title and earlier she ran a 12.49 for the 100 title.

Junior workhorse Justene Delman turned in another brilliant meet. She continued to serve as the top 200 meter dasher in the area, posting a 26.17 for the title along with running on both relays.

In the field, the Lady Irish were also productive. Senior Audra Macri - who's been the third Lady Irish option in the discus for much of the season - took part in the OVAC and made the most of her opportunity. She twirled the platter to a mark of 118-ft-9 for the title.

"We are really fortunate to have three quality discus throwers," Kapral said. "Audra was flirting with the school record and she really stepped

relay.

THE TORONTO boys made the most of their first season in Class 1-A rolling to the team title, which is the school's fifth and first since 1996.

The Red Knight boys were fueled to the championship by victories in six events.

Senior speedster Brandon Hunter put forth a brilliant meet with a pair of victories, winning the 100 and 200 meter dashes in 11.34 and 23.19, respectively.

The only other individual victory for the Red Knights came when sophomore Zach Cernansky won the 300 meter intermediate hurdles in a time of 42.04.

The Red Knight boys also claimed the three shorter relays. The runner-up Irish of St. John once again dominated the distance events en route to its runner-up hardware.

Junior ace Sam Foster was a double winner Friday. He claimed the 800 and 1600 meter runs in times of 2:06.58 and 4:38.07, respectively.

Sophomore Luke Holubeck, senior Dan Sansone and the Irish 4x800 team prevailed on Wednesday. Holubeck was the winner in the 3200 meter run, while Sansone prevailed in the pole vault.

from a year ago. On Wednesday, Harold Earley claimed the discus title with a twirl of 153-ft-6.

Shadyside's lone gold medalist was junior David Bonar who prevailed in the pole vault.

SAYING THE Lady Crusaders are a balanced track team might still be an understatement. Steubenville Catholic scored in a bevy of places and won nine events in the process.

"Our girls have been unbelievable," Stanko said after watching his team claim its eighth OVAC title and third in four years. "Each year we lose a ton of people and we ask ourselves, 'how do we replace that?,"

Katie Jochum, Addie Jochum, Jessica Jenkins and Chelsea Hennen ran a 53.09 for the crown.

The Linsly 4x800 team of Brenna Burkhart, Jessica Patterson, Anna Giesmann and Madison Andreini posted a 10:41.06 for the OVAC title.

River had a productive meet, winning three titles. Junior Epic Ways claimed the discus title with a throw of 95-ft-3.

The Lady Pilots' shuttle team of Megan Arman, Laignell Roberts, Lindsay Hendershot and Kelsey Krempasky posted a 1:12.90 for the shuttle title. Krempasky won the pole vault on Wednesday.

already impressive resume, which includes 11 OVAC team titles in her 12 varsity sports. She added four more gold medals this weekend, including the distance sweep Friday.

"I was really happy with my 1600 time because it's the best I've run this season," Perzanowski explained. "I will be perfectly honest, the only reason I probably won the 800 was because Kelly (Perzanowski) wasn't feeling well, so I just give her credit for going out there and running."

She got her afternoon started with a victory in the 1600 meter run, circling the track four times in 5:16.03. She then won the 800 in a time of 2:24.98 and finished her individual evening with a 12:05.59 to capture the 3200 meter run.

"This was another really good team effort for us," Perzanowski said.

"We are really fortunate to have three quality discus throwers," Kapral said. "Audra was flirting with the school record and she really stepped up. In big meets, the discus is a character event and she's got a lot of character."

On Wednesday, Lauren Jenkins won the shot put and sophomore Alexa Macri won the pole vault.

The runner-up Lady Blue Devils were fueled by a pair of victories.

Senior ace Savannah Burke made use of her final attempt in the long jump finals, marking the sand at 16-ft-2, which edged out SJC's Delman by three-fourths of an inch for the gold.

The Lady Blue Devils' foursome of Rebecca Garlick, Alexis Kanzig, Tori Jarrett and Brandy Contos posted a 4:25.28 to capture the 4x400 meter

title. Dan Sansone and the Irish 4x800 team prevailed on Wednesday. Holubeck was the winner in the 3200 meter run, while Sansone prevailed in the pole vault.

Valley was third in the meet. The Lumberjacks were led by a double win of Jerry Mason who added the shot put title (46-ft-7 1/4) to the discus title he won on Wednesday. Haden Kocher was the long jump champ on Wednesday as well.

Beallsville was victorious in a pair of events. Senior standout Craig Neiswanger was the high jump champ, soaring over 6-ft-2.

The Blue Devils' shuttle team of Tyler Thornberry, Eric Lucas, Derek Rippey and Neiswanger posted a 63.18 for the gold in the hurdle relay.

The victory means John Marshall will have to defeat the seeded Wheeling Parkersburg today, beginning at 1 p.m. to advance to the regional.

"Two plays go different ways in this ballgame and we're playing for the sectional championship," a disappointed, but enthusiastic Brooke coach Wes Eddy said. "There's nobody that can be more proud right now than me."

Irish girls win again while Steub. Central completes sweep

Simply dominant!
That's the only way to summarize the showings put forth by the St. John Central girls and Toronto boys during Friday night's OVAC Class A final of the Cal Giffin Track and Field Championship held at Fleming Field in Shadyside.

The Lady Irish — who came in as heavy favorites — didn't disappoint, winning 14 of the 18 events en route to their seventh straight title, which is an OVAC record, breaking a three-way tie with Bellaire and Barnesville. The Green finished with 198 points, while up-and-coming Beallsville was second with 76.

The Toronto Red Knights took out a little frustration on the track, rolling to 134 points, which was 37 better than runner-up St. John.

The Irish were not only victorious in all of those events, but they

record.
"I ran really well," Kidder said. "We are really happy to win it again, and everyone contributed to this, which makes it even better."
Perzanowski, meanwhile, swept the distance events.
"I was really happy with my 1,600 time because it's the best I've run this season," Perzanowski explained.

She got her afternoon started with a victory in the 1600-meter run, circling the track four times in 5:16.03. She then won the 800 in a time of 2:24.98 and finished her individual evening with a 12:05.59 to capture the 3200-meter run.

Alexis Campbell also pocketed four gold medals in the sprints. Along with running a leg on each of the sprint relays, Campbell posted a season-best 59.79 for the 400 title and earlier she ran a 12.49 for the 100 title.

The Irish were once again led by Kylie Kidder and Natalie Perzanowski, who both departed Fleming Field for the final time with four gold medals draped around their necks.

Kidder got her medals in record-setting fashion, skimming 10 hurdles in a time of 15.37, which established a new meet and track

record.

OVAC TRACK AND FIELD

SJC tops A; River boys, Caldwell girls lead AA

• Big schools get under way tonight at Bellaire

By SETH STASKEY
Times Leader Sports Editor

Track and field - OVAC style - took center stage Wednesday evening.

The annual Cal Giffin OVAC Track and Field Championship got under way under sunny yet chilly conditions at Shadyside's Fleming Field with the Class 1-A and 2-A schools starting their two-day trek toward the coveted pennant.

The meet wraps up Friday evening back at Shadyside with field events slated to begin at 4 p.m. and running finals take to the track at 5 p.m.

The St. John Central Fighting Irish got off to a strong start in the Class 1-A team chase. The girls - which are the defending Division III state champions - came into the meets as the favorite and didn't disappoint, racing to 34 points. Beallsville is currently second with 23 tallies.

Thanks to strength in distance and the pole vault, the Irish boys charged to the first-day lead with 46 tallies. Valley is currently second with 36 markers and Toronto is third with 24 points.

Defending 2-A boys champion River got off to a good start, qualifying well, and posting 26 points during the opening day. That total is four points better than the host Tigers. Caldwell is third with 20 and Linsly and Trail each scored 18 in a nip-and-tuck 2-A field.

The Lady Redskins snatched the opening-day lead, finishing with 27 points in girls' 2-A. Fort Frye is second with 20 and Buckeye Trail checks in with 19.5, while River accumulated 18.

IN CLASS 1-A, the Lady Irish won three of the four events contested and qualified exceptionally well on the track.

Coach Bubba Kapral's team got off and running thanks to a repeat victory in the pole vault from sophomore Alexa Macri who was the only vaulter in the field to clear a height for the crown. She got over 6-feet for the gold.

The Lady Irish distance domination wasn't limited to the males. The foursome of Natalie Perzanowski, Jamie Perzanowski, Kelley Perzanowski and Sarah Kosky posted a 10:17.63, which was 25 seconds better than their nearest competitor for a win in the 4x800.

Junior thrower Lauren Jenkins - competing in her first Class 1-A meet - gained gold in the shot.

put with a heave of 36-ft-5, which was nearly five-feet better than the second-place finisher.

qualifying was a record-setting performance. Senior hurdling dandy Kylie Kidder posted a 15.40 in the highs, which established a new meet record, break-

ing the old mark, which had stood for 11 years.

The only victory in Class A, which didn't go the way of the Irish went to Bishop Donahue. Sophomore Lacey Hampton cleared 4-ft-10 to win the high jump.

The Irish boys scored all of their points in three events.

The Johnnies went 1-2 in both the 3200 meter run and also the pole vault, while claiming the 4x800 title.

In the 3200, the sophomore duo of Luke Holubeck and Matt Moscato ran with each other for the majority of the eight laps before Holubeck pulled away for the victory in a time of 10:08.86.

In the pole vault, senior Dan Sansone cleared a personal-best height of 13-ft-3 for the gold medal. He was followed by junior Carl Piper in the event.

The Irish foursome of

Moscato, Ian Gulley, Marty Swartz and Sam Foster turned in a 9:03.97, which was 39 seconds better than their nearest competition in the 4x800.

The Lumberjacks climbed to their second-place standing thanks to brilliance in the discus and long jump.

Senior Haden Kocher marked the sand at 20-ft-11 for the gold medal in the long jump, while classmate Jerry Mason twirled the discus to a mark of 137-ft-8 for that title.

IN CLASS 2-A, the River boys got off to a strong start and had only one victory to propel them as five different schools claimed individual titles.

Senior Harold Earley claimed the discus throw with a mark of 153-ft-6.

Shadyside took its second-place standard thanks to one victory as well. The Tigers were led by talented junior pole vaulter David Bonar who soared over 12-ft-6 for the victory.

Caldwell's team of Jordan Croucher, Austin Schott, Daniel Connolley and Tyler Cordell put together eight laps in a time of 8:39.22 for the title in the 4x800.

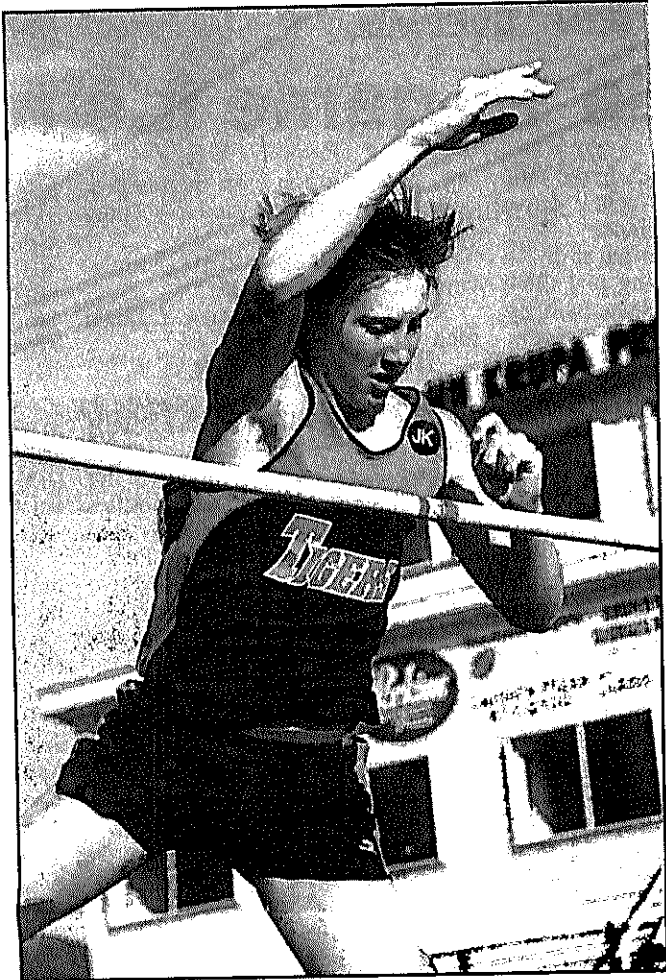

Shenandoah senior all-Ohioan Joey Wheeler added the OVAC long jump gold to his lengthy resume when he marked the sand at 21-ft-6 on his final attempt of the competition.

Fort Frye's Jeremy Anderson - who recently ran under 10 minutes in the 3200 - won the two mile by some 20 seconds, posting a solid 10:10.81 for the title.

The 2-A girls meet was like the boys in terms of four different schools laid claim to individual titles during the meet.

Caldwell grabbed the lead on the strength of senior Amanda See, OVAC, Page C2

Connell's win in the shot put. She prevailed with a put of 31-ft-0 1/4.

Stuebenville Catholic - which qualified extremely well and expects to pick up a truckload of points on the track Friday - watched as senior standout Jane Clare Vosteen soared over 5-ft-2 for the high jump title.

River's Kelsey Krempasky continued her strong season in the pole vault. She cleared 8-feet for the title.

Buckeye Trail freshman Niki Montgomery won the 3200 meter title, circling the Fleming Field oval in 12:24.99 for the victory.

The OVAC Track and Field weekend continues today as big schools get their competition under way at Bellaire's Nelson Field with field events starting at 3 p.m.

Barnesville girls win 3-A

Barnesville's girls track program knows a thing or two about winning OVAC titles. The Meadowbrook boys are learning more and more each year.

Those two perennial powers struck gold again Saturday as the Cal Giffin OVAC Track and Field Championship wrapped up at Nelson Field in Bellaire with the final day of competition in the four-day track and field extravaganza.

The Lady Shamrocks — who won the Class 2-A title a year ago and moved up to Class 3-A this season — didn't miss a beat, scoring 126

points, which was 12 better than runner-up and defending champion St. Clairsville. The Meadowbrook boys were hit hard by graduation, but used their speed and depth to hold of a strong fight from Oak Glen for the 3-

A boys title. The Colts finished with 98 points just seven better than the Golden Bears.

BARNESVILLE and St. Clairsville went toe-to-toe for much of the meet, but the Lady Shamrocks' ace Stephanie Morgan and others proved to be too much for the Lady Red Devils' speed-based outfit.

"This an experienced group of girls and they poured their hearts out the last couple of days," said Barnesville head coach Darrell Davis.

"We got contributions from a lot of people in a lot of areas. We had a bunch of kids step up for us."

The Lady Shamrocks were once again led by who else other than the aforementioned Morgan who did something she hadn't done all season. She pulled the distance triple, running and winning the 800, 1600 and 3200 meter runs just nine days after running a national best mark of 4:41.22 to win the mile at the prestigious Penn Relays.

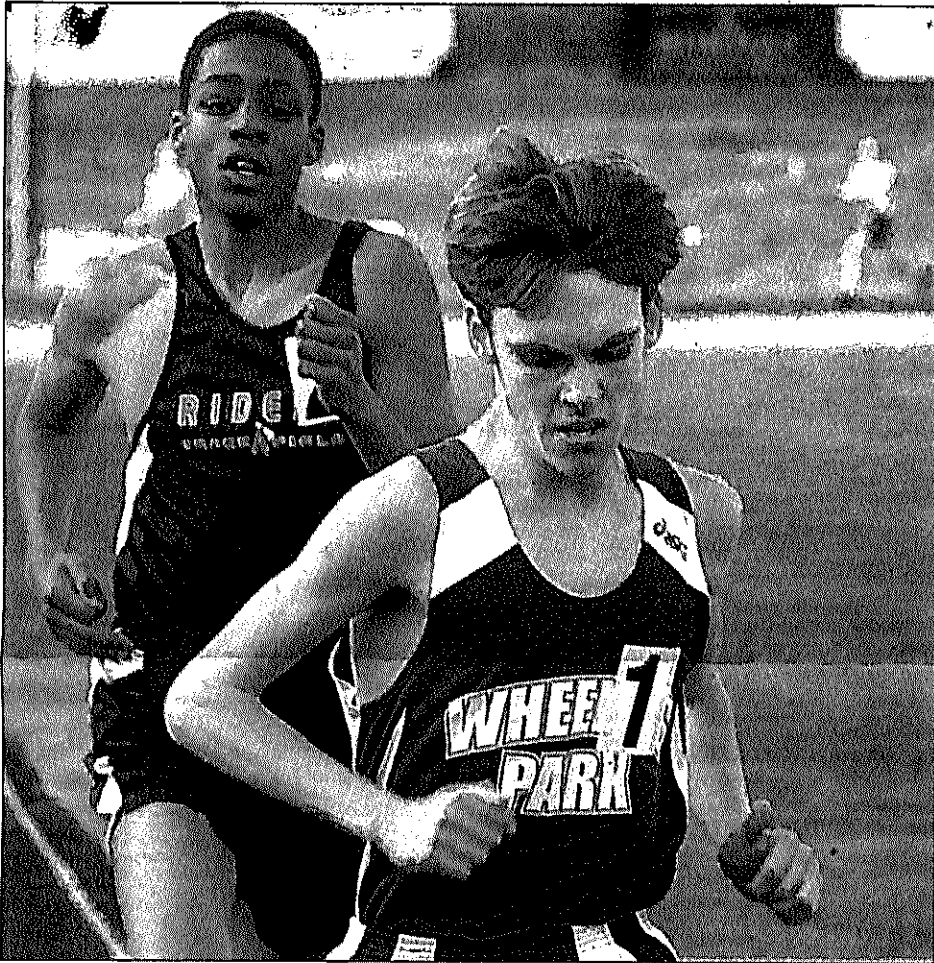

Morgan got her day going with a record-setting run in the 1600. She cruised to a 5:00.90, which was 12 seconds better than the old mark, which had stood since 2002. She

The annual Cal Giffin OVAC Track and Field Championship has reached its halfway point as the large schools — classes AAA and AAAA — got into the act Thursday evening at Bellaire's Nelson Field.

A few familiar faces grabbed the top spots after the opening day of action, which included finals in only a handful of events.

The Barnesville girls — the defending AA champions — snared the top spot in the AAA race, accumulating 29 points. Meadowbrook and Oak Glen are second and third, respectively with 22 and 17 points.

The St. Clairsville boys got off to a strong start to take the lead in the AAA meet, scoring 27 points. Defending champion Meadowbrook scored 20, while both Wheeling Central and Barnesville tallied 19 during the first

day of action.

Cambridge's girls got out of the gates quickly en route to 25 points, which is four more than defending co-champion Wheeling Park. Zanesville and John Marshall finished with 16 points.

The Wheeling Park boys — displaying both depth and talent — surged to the early lead with 49 points. That total is 29 better than John Marshall and 30 better than third-place Weir.

The Wheeling Park Patriots flexed their muscle early and often en route to a commanding lead.

Coach Chris Daugherty's Patriots claimed victories in three of the five events contests.

Senior distance ace Ryan Beabout — who has signed with the University of Tennessee — repeated in the 3,200-meter run, circling the Nelson Field oval in 9:27.66 for the gold.

The Patriots received addition-

al distance points when the foursome of Kyle Gramlich, Kevin Busick, Logan Wojick and Travis Biehl put forth a 8:26.96 clocking to win the 3,200 relay.

Senior Seth Myers got the Patriots going in the field when he won the discus with a toss of 138-foot-2, which was nearly 3 feet further than anyone else in the field.

Zanesville — which qualified well in the speed events — received 10 points from junior vaulter Jordan Minnick who established a meet record, clearing 14 feet 1 1/2 inches, which broke the old mark, which had stood since 1992. Earlier this week, Minnick established an all-

time Ohio Valley record when he cleared 15-ft-3.

Indian Creek claimed the other victory in the AAAA meet. Senior standout Mike Smith — who also posted the top qualifying time in the 300 intermediate hurdles — soared to a mark of 20 feet, 10 inches for the long jump gold.

The Cambridge girls took the lead on the opening day, but did so without the luxury of a victory.

Wheeling Park — which figures to score well Saturday on the track — got off to a good start thanks to a record-setting performance from junior Courtney Yaeger who ran a 11:17.20 for the gold. In the process she established a meet record, breaking the old mark of 11:18.38, which had stood for 13 years.

John Marshall ace vaulter Jami Fonner was once again victorious, clearing for the pole vault crown.

Steubenville's Catherine Pendergrast laid claim to the high jump title, soaring over 5 feet, 2 inches for the title.

Zanesville junior Katie Umstott was the winner in the shot put, posting a throw of 37-feet to win by nearly two feet.

In Class AAA, the Shamrocks girls — who expect to score well on the track Saturday — got off to a strong start with a victory in the first event of the meet. Sophomore Mariah Miller cleared 8 feet, 6 inches for the pole vault crown.

Defending champion St. Clairsville — which qualified in the short sprints and hurdles well during Thursday's action — picked up an unexpected victory in the high jump. Freshman Ashley Gordon posted a career-best 5 feet, 3 inches to claim the gold medal. She won by 3 inches.

Oak Glen — which also qualified well on the track — got a victory in the 3,200-meter relay when the team of Haley Baird, Alexandra Hauser, Kristen Ayers and Annah Cashdollar teamed for a 10:18.20 and the title.

Bellaire's Megan Green successfully defended her shot put crown when she launched the iron ball to a mark of 39 feet, 11 inches, which was six feet better than her nearest competitor.

The Red Devils boys received a strong showing in the 3,200-meter run thanks to junior Jonathan Ebbert who put forth a season-best effort of 9:59.70 to claim the 2-mile title. Sophomore teammate Alex Thornburg finished right behind him, giving the Saints an early 18 points.

Meadowbrook's lone

victory came in the pole vault. Colts' junior Shawn Light soared over 12 feet, 6 inches for the gold.

Oak Glen — which had a solid day of qualifying — was led by junior Matt Ritchie who marked the sand at 20 feet, 7 1/2 inches to win the long jump title.

Magnolia had a winner during the opening day. Blue Eagle Kile Hale twirled the platter to a mark of 144 feet, 1 inch to win the discus.

Action resumes Saturday with remaining field events at 10 a.m. and the running finals at 11 a.m.

The Cal Giffin Track and Field Championship passes out its first hardware of the weekend this evening at Shadyside's Fleming Field when the small schools put the finishing touches on the conference championship.
