

**Do what you say
you are going to
do, when you say
you are going to
do it, in the way
you said you you
are going to do it.**

–Larry Winget

**One must change
one's tactics
every ten years
if one wishes to
maintain one's
superiority.**

**–Napoleon
Bonaparte**

**To live is to choose.
But to choose well, you
must know who you
are, what you stand
for, where you want to
go, and why you want
to get there.**

the life of every
problem when
it is big enough
to see, yet small

**When people
face adversity,
they make one of
four decisions:**

Flee it

Forget it

Fight it

Face it.

There are three kinds of people in our society: those who can't see or refuse to see the problems; those who see the problems and because they didn't personally create them are content to blame someone else, and those who see the problems and though they didn't create them are willing to assume personal responsibility for solving them.

—John Perkins

There is a choice you have to make

In everything you do

So keep in mind that in the end

The choice you make makes you.

**Two natures beat within
my breast,**

**The one is foul, the other
blessed.**

**The one I love, the other I
hate;**

**The one I feed will
dominate.**

**There's a great
difference
between worry
and concern. A
worried person
sees a problem.
A concerned
person solves
the problem.**

**Change must
happen
within you
before it
can happen
around you.**

**We cannot
become what we
need by
remaining what
we are. If you
desire growth,
then you must
embrace change.**

**You can look at
others to place
the blame or you
can look at
yourself to
discover your
opportunities.
The choice is
yours.**

**I cannot always
choose what
happens to me,
but I can always
choose what
happens in me.**

**Stop fixing the
blame and start
fixing the
problem.**

–Larry Winget
