WE SERVE IN PEACE

Belmont county can boast of the activities of the American Legion posts for its various activities, serving now in peace as its members did during the war.

Pupils of the Belmont county schools derive much from the activities of the American Legion posts, especially through the programs of Americanism and youth activities.

The National Americanism program, which is of concern to the young people, is divided into three groups, education, youth activities and community service.

The educational features include, school awards, flag education, citizenship schools, American education week, national constitution week, keeping boys in school, cooperation with parent-teachers association, cooperation with schools in observing patriotic holidays.

Youth activities include, boy scouts, C. M. T. C. and R. O. T. C. junior baseball, boys' and girls' week, junior rifle clubs, 4-H clubs, girl scouts and girl reserves, boys' state.

Community service includes, safety first programs, elimination of fire hazards, emergency relief units, playgrounds and recreation for community, aviation activities, city advertising, swimming pools, erection of memorials, community service council, conservation activities.

Nearly every post in Belmont county has sent boys each year for the past four years to the Buckeye Boys' State, one of the greatest boys schools in the state. Nearly every post has conducted the annual essay contests, and Belmont county has had numerous district winners, two of whom from Bellaire have been state winners. Junior baseball teams have been sponsored in some of the posts.

There are many other activities, not listed in which the posts have participated, to help the community, state and nation.

The American Legion invites those former service men, with an honorable discharge, willing to serve in peace as they did in war, to become affiliated. Posts are located in Martins Ferry, Bellaire, Bridgeport, Shadyside, Powhatan, Belmont, Neffs, Barnesville, Bethesda, Flushing and St. Clairsville. All of these posts are identified as one working unit for the things that are fine, and good and clean in Belmont county.

It is a rare honor to belong to the American Legion. This honor is afforded to only one out of every 50 persons in the United States.

WM. OFTERDINGER, Bridgeport,

Chairman of Belmont County Council
American Legion.

JAMES A. DIXON

This year our football programs have been more attractive and have included more interesting write-ups and pictures than we have had in former years. A great deal of the credit for this rightfully belongs to Jim Dixon, our Freshman Coach.

Jim has always been too modest to have his picture published so we had to do it without his knowledge. This was done with the co-operation of the printer who simply substituted his picture for some other material which Jim had planned to include.

Dixon has given a great deal of his time and energy in the training of our team and no small share of the team's success is due to his efforts.

F. N. REINBOLT.

THANK YOU OUR SCHOOLS

The American Legion of Bellaire appreciates the fine courtesies which have been extended them throughout the years by the board of education, the teachers and the pupils for permitting us to join with you in many worthwhile activities.

Your consideration of us on this 21st anniversary of the signing of the armistice, will stand as a memorial in the history of our organization.

Our wealth is determined in what we do and not in what we have and, by the way in which you have accepted our efforts to aid in building a finer and better community in which we live.

Let us all try to do the things that will always be a tribute to those who died, that we might live.

STEVEN POLINSKY

The able manner in which Polinsky has handled the team during Coach Niemiec's absence has convinced the fans that he is a football coach in his own right. Coach Niemiec has informed us that all the credit in directing the team in the Ferry game positively belongs to Steve. He also tells us that at no time did he tell Steve what plays or players to use. Steve had an extremely difficult assignment in coaching the team for the two hardest games on the schedule and he came through in great shape.

Polinsky is a product of Muskingum College where he was one of the most versatile athletes that ever came from that school. Incidentally, Muskingum has consistently had top notch teams in the Ohio Conference.

Polinsky is a keen student of football, and has a strong competitive spirit. He is painstaking in his methods and never spares himself.
