THANKS FROM THE BOARD OF EDUCATION

Again the Bellaire electorate has voiced its sentiment in favor of educational opportunity for the youth of the city by supporting the two mill levy outside the ten mill limitation. For this action the Bellaire Board of Education desires to express its appreciation for the confidence expressed in the public schools. Fine educational opportunity is afforded the youth of Bellaire, and youth in general is responding to the opportunity.

The board of education is happy to announce at this time that school taxes for the coming year will be almost two mills lower than last year, and lower than any year since 1923.

THANKS FROM THE HI-Y CLUB

The Bellaire Hi-Y Club wishes to take this opportunity to thank those fans who have been purchasing programs throughout the season and we hope they added to your enjoyment at the games. We trust you will patronize the merchants who make this book possible by their advertisements.
