Co-Captain Virgil "Flea" Oancea is serving his third year on the Purple Rider first team. Despite his lack of size, this youngster has been a valuable member of the Martins Ferry squad with his pep and pass-receiving distinguishing him. He uses his talents at end and halfback with equal ease and is a great favorite with Rider rooters.

Oancea is also Ferry high basketball captain-elect. He has been a regular on the cage squad ever since his freshman season.
