Five Years Old Tonight

The Ohio Valley All-Star Football Game tonight celebrates its fifth anniversary although the first of the spectacles between the Northern West Virginia schoolboy star and a like representative squad from Eastern Ohio high school ranks was contested here on the Stadium greensward in the late summer of 1940.

This evening, for the first time since the Mountaineer combine of 1940 captured the inaugural contest, the rival squads are even. Tonight's winner will forge into the lead. Should it be the Buckeye combination it will mark three straight wins for the Ohioans, whose two victories were separated by a war-time cessation of gridiron hostilities.

The West Virginia All-Stars of 1940, directed by Bob Roe, then of Warwood high and Irvin "Stech" Howell of Benwood's Union high, launched this series by defeating an Ohio aggregation coached by Charles "Doc" Hartwig of Martins Ferry and John "Butch" Niemiec of Bellaire. The Buckeyes struck for a first quarter touchdown and converted the extra point. That lead of 7-0 prevailed through the third period. Then the Mountaineers, sparked by the elusive running of a later WVU halfback, Charley Helinski, bagged two touchdowns and one extra point to take down the decision, 13 to 7.

The margin of victory again was a touchdown in 1941 with the West Virginians scoring that six pointer and the extra point when the scoring was confined to the first quarter, 7-0. "Stech" Howell played a return engagement as the Northern Panhandle coach as Reed Clark, Wellsburg high, joined him as the board of strategy. "Butch" Niemiec also returned as Eastern Ohio coach with Bill Dorsey, who was leaving Powhatan high for Ridgefield Park, N. J., high coach, as his co-worker. Dorsey returns to the Valley this fall to assume the Bellaire St. John's high athletic post.

The war's spectre, which was to cause the game to be shelved for three years, provided an added incentive for players and fans in 1942 when that contest was staged for benefit of the Navy Relief Society. It also marked Ohio All-Stars' first victory under the handling of Gomer Jones of Martins Ferry and Myrl Kepner of St. Clairsville. Bob Roe returned as coach of the West Virginians with Carl Hamill of Weirton as his co-worker. The first training camp at the Bethany college campus, where the last three training sessions have been staged, was provided for this game.

The Buckeyes of that year—many of them looking ahead to prospects of a grimmer game on the world's battlefields—practically turned the contest into a rout. The Ohioans counted in the opening quarter, twice in the second period and went to the halftime intermission with a 20-0 advantage. The Eastern Ohionians were through for the evening but their efforts were sufficient to break the Mountaineers' grip on game victories for the West Virginians were to escape a shutout only by scoring a last period touchdown. The Ohioans were eventual winners, 20 to 7.

Last August, a preponderance of ex-servicemen appeared in the postwar revival edition and the Eastern Ohio combine, led by one of those ex-Army hands, Johnny Stojack, of Steubenville, remembered the performance of their 1942 predecessors. Bigger and older teams met here a year ago for any graduated senior of the previous four years was ruled eligible to appear in the renewal battle. They were coached for the first time, by veteran college mentors—the Ohioans by U of Alabama's Frank Thomas and the out-gunned Mountaineers by Lynn Waldorf, Northwestern University strategist.

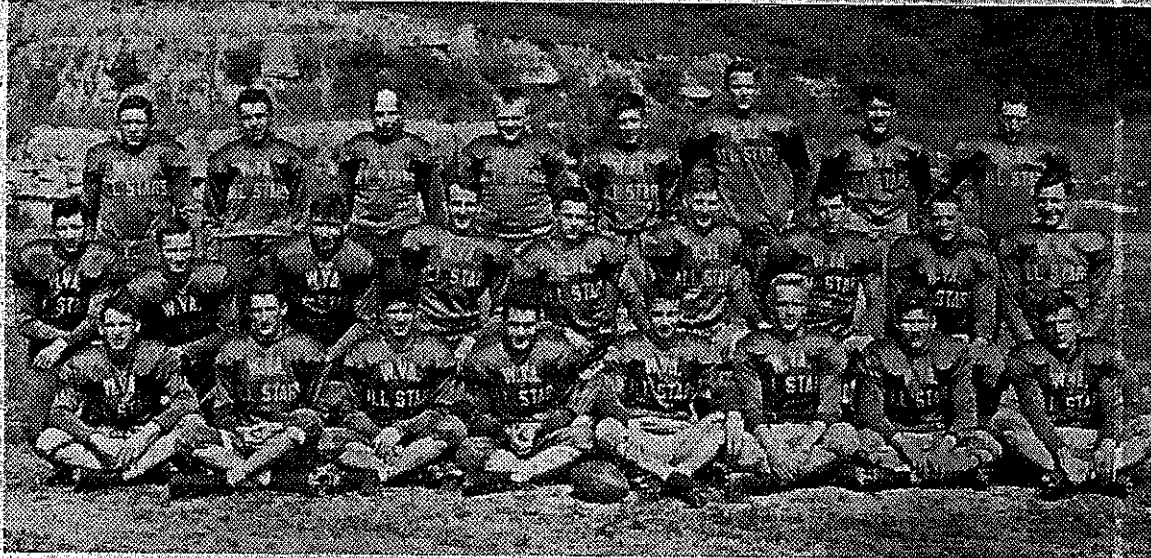

Stojack, with the Chicago Cardinals of the National Football League this year as a rookie back, lugged three Ohio touchdowns to power the big Buckeye combine to a 26-7 victory. That game, marked by two quick Ohio touchdowns during the first period and a third early in the second, set a series record for scoring. The Bucks ran their total to 26-0 with a final period counter before West Virginia could hit pay dirt. The final was Ohio, 26 to 7.

Tonight, for the second straight year the rival squads are directed by college mentors. Red Drew, who succeeds Frank Thomas as U of Alabama's head coach, has readied the West Virginians for the 1947 combat. On the Ohio bench is Bob Higgins, veteran Penn State College coach, who is directing the current Buckeyes.

These All-Star teams are manned by schoolboys, by the way, youths who completed their high school careers with the 1946 season here in the Ohio Valley. The first postwar game's elastic eligibility rules have been scrapped and the contest will revert to youths you fans watched last fall for the last time in their respective schools' livery.

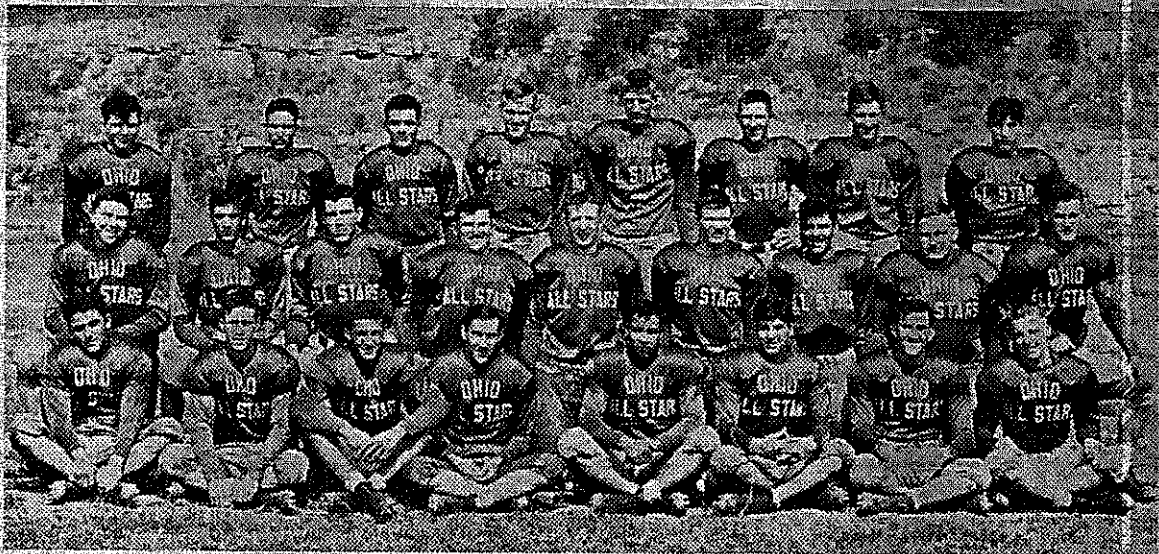

Here it is again, Fans, your game. The series is deadlocked and may the best team win!

The Coaches

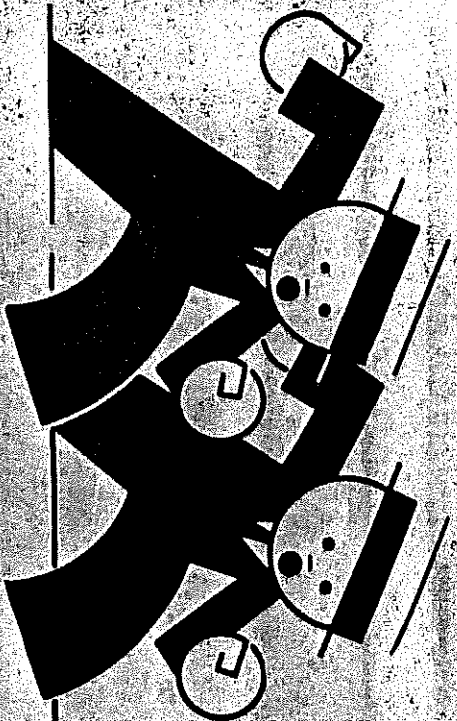

HAROLD (RED) DREW, named to succeed Frank Thomas as head football coach at Alabama early this year, is a New Englander with a 26-year coaching record and all but four of the years were spent at schools in the Deep South. Native of Maine, he was graduated from Bates college in 1916 and Springfield (Mass.) college in 1920. He lettered in football, baseball and track during his college career. Veteran of both world wars, he began his coaching career at Trinity college in 1920, went to Birmingham Southern in 1924. Assistant to Thomas at U of Chattanooga in 1928, becoming head football coach next year when Thomas went to U of Georgia. Rejoined Thomas when latter moved to Alabama in 1930, pair remaining together until Drew entered Navy in 1941 as Lt. Commander. Drew returned to Alabama in 1945, spent 1946 season as U of Mississippi head coach and was recalled to Alabama last January when Thomas' health forced his retirement.

ROBERT (BOB) HIGGINS will enter upon his 28th consecutive year of football coaching this fall and the 1947 season will mark his 18th year as head coach of his alma mater, Penn State. The Nitany Lion veteran, who left college to enter the first world war, had his first assignment at West Virginia Wesleyan in 1920. Five years later he moved to Washington University in St. Louis, returning to State College in 1928 as end coach and two years later becoming head coach of the Penn State Lions. As an undergraduate at the Littany campus, Higgins played varsity football for three years before entering the Army in 1917. He played overseas with the famous 89th Division team, winning a berth on Grantland Rice's "all-AEF" eleven. He returned to Penn State to finish his education and earn recognition from Walter Camp as a 1919 All-American end.

Here's the all-American setting for the after-the-game festivities, with Imperial Candlewick Crystal the star performer. This exquisitely fashioned table crystal teams up with any surroundings to make a winning combination for hospitality and good cheer; it scores high with hostesses of discrimination. There are substitutes, certainly—but none with the elegance, the distinctiveness, the sparkle of Imperial Candlewick's edge-around pattern. So choose Imperial
