The Boosters' Club Scores Again

Little needs to be said to the average fan about the Big Red Boosters' Club when it comes to the loyal support of our High School Athletic Program. Within the past year the various Boosters Clubs in all our Valley cities and towns have organized their entire strength and capabilities to the one purpose of progressing the athletic and youth programs in the entire valley. They have very efficiently organized our pre-season All-Star game which appears to have become an annual event. This has been a fine source of money to help our various Boosters' Clubs defray the expense of their contributions to our High School Athletics.

Last year the Bellaire Boosters' Club purchased and installed a new public address system. This we want them to know has been greatly appreciated by the fans. The entire installation and operation has been under the able direction of the Boosters' Club. They deserve your commendation for their continued untiring efforts.

The most recent contribution of the Boosters' Club is our new electric scoreboard. This was purchased by the Bellaire Athletic Asso-

ciation and the Boosters' Club on an approximately fifty-fifty basis. This is certainly a fine investment toward modernizing our athletic plant.

The scoreboard was supposed to have been in operation for the Ferry game, but due to transportation difficulties the company could not get the board in operation on time, since it only arrived in Bellaire a few hours before game time. This same type of scoreboard is owned by Wheeling Stadium and has proven to be a very accurate device for keeping score.

The same few men who do all the work in operating the Boosters' Club have done much and given freely of their time to help furnish good, clean entertainment for our teen age set.

All last winter the Boosters' Hall was used on Saturday nights for dances. Those dances were carefully supervised and were greatly appreciated by both the younger set and their parents. May we say in passing that the Boosters' Club would greatly appreciate your name on their membership roll, as well as the money you would contribute to a worthy cause. The price? Membership per person is two dollars (\$2.00) a year.

—HE WILL SERVE YOU WELL—

THANKS TO OUR LOYAL BOOSTERS

The Hi-Y Club takes this opportunity to thank our advertisers, both large and small, for their part in making this program possible. We also wish to thank each and every person who buys our programs repeatedly to help out our club and school. It has been with your loyal cooperation that we have been able to produce a High School Football Program surpassed by none and equalled by few.

It has been our policy to keep the price of our advertising at a minimum so as to enable a large number of friends to subscribe rather than just a select few who could afford higher prices. In the past four years the cost of producing this program has increased sixty percent, yet our advertising and sale prices have remained the same. This increase cost has greatly reduced our margin of profits, but by careful planning and good sales we have been able to continue with our same pre-war program.

During the war years our profits were used to purchase war bonds. Last year the Hi-Y Club made the first payment of one thousand dollars on our new public address system recently installed in the high school. Our next gift to the school will be a new curtain for the stage, we hope.

Thanks again to our advertisers and to our friends; we are both proud and fortunate to have such loyal supporters.
