THANKING YOU

Words will scarcely express nor space permit our thanking all those who have helped make this game of football a success. Vast are the preparations that must be made before this game can go on. Seldom do we realize how many organizations and individuals are concerned with this huge task. Should any one of these items of preparation be neglected we find the entire venture a failure.

The Alpha Hi - Y Club, our High School Y. M. C. A. unit, takes this opportunity to express its appreciation to all those patrons who gave their financial support in producing this program. To the hundreds of friends who purchased our programs we say, "Thank You."

So many are the groups and individuals who have contributed to our success that we fear to name them without the thought in mind that some one will be omitted. In view of this fact, let it suffice to say that we do appreciate the contribution made by all groups. They have given of their time and energy to make your trip to Nelson Field a pleasant moment to remember in the future.

WELCOME To The WILD CATS

ZING!
