Golf Honors Copped By Linsly, Brooke

Undefeated Linsly Military Institute and the Brooke Bruins cleaned up in high school golf Monday.

Linsly ran its astounding record to 30 straight in dual meet competition when the Cadets whipped St. Clairsville, 328 strokes to 343, at the Speidel course at Oglebay Park in a playoff for the Ohio Valley Athletic Conference title. Earlier the Cadets had won the OVAC West Virginia-side

tournament and the Red Devils had triumphed in Ohio-side competition.

Brooke led an 11-team field in the West Virginia Region One tournament, also at Speidel, with a team score of 349. Both the Bruins and second-place Wheeling Central qualified for the state tournament at Parkersburg. Central was 10 strokes behind Brooke while St. Mary's was third at 361.

Linsly has only the Wilson-Dancer city tournament on Wednesday at Wheeling Park separating it from a perfect season after yesterday's impressive performance, in which Jay Guthrie led the way with a 79 while Scott McNamera shot an 82, Hobie Bauer 83, and Bobby Clark 84. Doug Hocking's 81 paced St. C.

Mark King, of Triadelphia, claimed medalist honors in the Region One tourney with an 83 while Mark Magee, of Brooke, was second at 85. King qualified for the state tourney as an individual as did Scott Davis, of the Triads, and Carl Childers, of Oak Glen, who shot 86, along with Buddy Camilletti of Brooke and John Fahey of Central.
