REGIS WOODS, Principal

A warm welcome to today's guests and visiting fans. Today's activities, both on and off the field are an extension of the educational development of our young people.

A sin the classroom a great deal of work has been put forth in preparing our young students for their performance. Sincere thanks is in order for many fine individuals and support groups that have played a major role in preparing for your visit to Nelson Field.

The Big Reds coaching staff and music departments have done an excellent job of preparation.

As you leave today's game we hope you are as proud of their performances as we are proud of having the opportunity to work and prepare the student body of Bellaire High School to become successful citizens.

Regis Woods
