MR. REGIS WOODS  
High School Principal

A warm welcome to all Big Reds, today's guests, and visiting fans. Today's activities, both on and off the field, are an extension of the educational development of our young people.

As in the classroom, a great deal of work has been put forth in preparing our students for their performance. Sincere thanks is in order for many fine individuals and support groups that have played a major role in preparing for your visit to Nelson Field. Special recognition should be given to the Big Reds' Touchdown Club and the Bellaire Band Parents for their efforts. The Big Reds' coaching staff and music department have done an excellent job of preparation for today's game.

"Pride" is a Big Reds' tradition and as you leave today's game we hope you are as proud of their performance as we are proud of having the opportunity to work and prepare the student body of Bellaire High School to become well adapted citizens.

Regis Woods
