A warm welcome to today's guests and visiting fans. Today's activities, both on and off the field are an extension of the educational development of our young people.

As in the classroom a great deal of work has been put forth in preparing our young students for their performance. Sincere thanks is in order for many fine individuals and support groups that have played a major role in preparing for your visit to Nelson Field.

The Big Reds coaching staff and music departments have done an excellent job of preparation.

As you leave today's game we hope you are as proud of their performances as we are proud of having the opportunity to work and prepare the student body of Bellaire High School to become successful citizens.

STEVE KISK, Principal

As principal of Bellaire High School, I take this opportunity to welcome you to today's athletic contest. I'm extremely proud to be part of the great academic and, of course, athletic tradition here at Bellaire High School. I feel strongly that academics and athletics go hand in hand in the overall process of an individual's education.

It is a pleasure to welcome all past Big Reds to today's game and also, of course, to welcome parents, friends, and fans of the opposing squad. Speaking for all Big Reds, we hope today will be an enjoyable one for you. Thank you for attending today's game and have a safe journey home.

Sincerely,
Steve Kish, Principal
Bellaire High School
