**RICH HAHN**  
*Tigers' Head Football Coach*

Coach Hahn graduated from Norton High School in 1961 where he was selected All-Metropolitan two years in football and one year in basketball. He was first team All-District, received honorable mention All-Ohio in football, and member of the 1961 North All-Star squad.

In the fall of 1961 Rich attended the University of Michigan on a Football Scholarship where he was a member of the 1964 Big Ten Championship Football Team and participated in the 1965 Rose Bowl game against Oregon State. At University of Michigan he received his B.S. in Education with a major in physical education and minors in health and mathematics. He was also a member of Druids (Senior Honorary for Men of Outstanding Achievements).

Prior to coming to M.H.S. in 1973 as head football coach, he was reserve football and varsity tackle coach at Mansfield Senior High School and head football coach at Jefferson Area High School.

During Rich's seven years with M.H.S. he has developed a fine football program. His teams have compiled a record of 35-34-1 and the best single season record in 20 years. More important than his fine record Coach Hahn is well liked and respected by all. He has used football to give young people a valuable education they cannot receive in the classroom, and strived to make the game of football an enjoyable experience for our young men.

Coach Hahn and his wife, Jan, reside at 710 Washington Street with their four boys; Rich, 17; Brian, 12; Todd, 11; and Matthew, seven.
