## THE PURPLE RIDERS

The purple and white of Ferry High School  
Flying from above,  
The honor and school tradition  
We shall always cherish and love.

### CHORUS

O clear, O clear the way for Ferry High,  
To Sing her praise we come,  
With a U rah, rah, that hits the sky.  
We shout with fife and drum, Rah, rah!  
We see the Purple high,  
Through the fields and halls of fame.  
For when we hear our High School's name,  
We'll give a cheer for

FERRY HIGH

## Alma Mater

On the shores of old Ohio  
Where the coal and iron meet,

Stands our dear old Ferry High School  
Full of joys and memories sweet.

And the spirit that we find there  
growing up so strong and true,

Brings us back to friendships made there,  
Ferry High, we stand for you.

### SECOND VERSE

When our days of school are over  
And the path of life we tread,

Back to us will come the memories,  
Of those school days still not dead,

Then we'll long to see the teachers  
Who have helped us on our way;

Oh, We love you, Alma Mater!  
Ferry High, by you we'll stay.

### CHORUS

Ferry high school, Ferry high school,  
We'll always think of you.

And no matter what befalls us,  
Ferry High, we'll e'er be true.
