Wishing For A
Successful Season

**ANTHONY N.
PIRRAGLIA**

WILL YOU DO THIS MAN A FAVOR?

This is Iron Eyes Cody, shown in Weirton filming an anti-litter message for television. He is the symbol of the national effort to clean up our communities. Littering is a thoughtless habit, unworthy of any good American. Besides making Weirton look better, local people have another good reason not to litter: Steel cans in the litter stream bring pressure for forced deposits on beverage containers, and that threatens the jobs of employees at Weirton Steel, where tinsplate for cans is a major product.

Do Iron Eyes a favor, and yourself, too. **Don't litter.**
It just isn't natural.

THEODORE R. WHITAKER – '34

Let's give a cheer for Weir High 'til victory.
And let us make Weir High our pride.
For we will sing and cheer forever.
Through all kinds of weather.
Praise her far and wide,
Come on you teammates, Fight with courage and
strength
'Til the victory's won,
And raise the Red and Black high o'er our
heads,
And lead and we will follow on.

**WEIR HIGH ALMA MATER
HAIL TO WEIR**

Among the hills of West Virginia
Stands my fair and lovely alma mater
For light, for truth, for fair of play
Stands my fair and lovely alma mater.

May thy days be ever free,
May thy children bring thee fame,
May thy teachings always be
Strong as the steel that bears thy name.

Though years may pass and time may borrow,
Though ways may darked my tomorrow
My thoughts and prayers will always be
With thee my lovely alma mater,
All hail! All hail!
Hail to Weir!
