Dear Parents and Friends of Bobcat Athletes:

As we progress through another athletic season at Cambridge High School, we would like to thank those of you who have consistently supported us through the years. High School inter-scholastic competition provides the opportunity for many of our youth to participate and refine their natural abilities. Self discipline, teamwork, and a sense of belonging are on-ly three of the many qualities a well organized athletic program provides. Starting with the district administration down through the individual student participants, we are constantly looking to improve our program. The obvious emphasis in the Cambridge City Schools is on academic excellence as evident by the performance of its students. Athletics provide an additional avenue down which the student can travel to become a well rounded, active citizen of the future. We encourage this development in all of our students, and your help will reinforce that mission.

Thank you for helping us. We wish good luck to the Bobcats.

Go Bobcats!

In addition to the thrill of winning a close ball game, or leading a team to a good season, the coach bears a heavy responsibility to each athlete and his parents. This awesome task can best be expressed by the statements made below.

ATHLETES DEVELOP MOST...

- When they want to know. The inner motivation of earnest desire for understanding is a strong one.
- When they feel at ease, yet with a sense of expectancy.
- When they have a clear goal.
- When they are at ease with the people in charge.
- When they help to plan ahead.

Keep in mind that the athlete wants to be someone and may become someone with your help.

If an athlete should make a mistake, try to be sure that he learns from it and that it does not put you in opposing camps, and does not become a catastrophe for him, and does not carry with it the loss of self-respect.

Even though he has made a mistake, even though you cannot approve what he has done, be sure that he understands that he still has your love and respect and willingness to work with him.

JOE MOWAD
Head Coach

On behalf of the Cambridge City Schools, I would like to welcome you to McFarland Stadium and Bobcat Football. We are entering a new trend at Cambridge and know you will enjoy the excitement our team will provide.

It is a good time for our athletics at C.H.S. We have a good nucleus of athletes who have a strong desire to excel and raise our program to respectability, and we have a staff of coaches who are extremely dedicated to the same purpose. We hope each and every Bobcat Fan will find his place on this team and help us build Pride at C.H.S. In the near future there will be many new projects started to aid the efforts of our athletes and coaches and I hope you as a Bobcat Supporter will make yourself available to help.

Once again, to our guests tonight, we hope you feel welcome and enjoy the game. We appreciate the competition your athletes will provide for our young men tonight. It will indeed help them in their endeavor to excel.

THE BOBCAT MARCHING BAND

The Cambridge High School "Bobcat" Marching Band is made up of 85 playing members, 2 Field Commanders, 3 Majorettes and 11 members of the Flag Corp. The Marching Band is one of several performing groups in the Cambridge Band Program which have established a statewide reputation for the achievement of excellence.

The members of the "Bobcat" Band continually strive to produce a pleasant musical sound and achieve absolute precision of all of their marching maneuvers.

During the past several years the Marching Band has performed Pre-game and Half-time shows for the following colleges and universities: Denison University, Muskingum College and Capital University. They have performed in the Otterbein Band Day for 10 consecutive years. The band has also performed at the following High School Band Festivals and Competitions: Defiance, Newcomerstown, Logan, Barnesville, Cuyahoga Falls, Massillon, New Philadelphia and Newark.

The 1980 Band placed 1st in their class and was named Grand Champion at the Newcomerstown Competition. They placed 3rd in their class at the New Philadelphia Competition and received the on-ly Superior rating awarded in their class at the Ohio Music Education Association State Marching Band Finals.

The members of the band and their directors hope that you will enjoy the Pre-game and Half-time performances this season.
