"The Stats"

They're talented, they're polite and mannerly, they're beautiful. They are "The Stats." Now entering their eighth year at Bellaire High School, "The Stats" have earned a reputation around the Ohio Valley as being the best in basketball statistics. Responsible for charting over 10 categories for every player who walks onto the court, the girls have become an integral part of Bellaire's offense and defense. Quickly enabling the coaching staff to spot strengths and weaknesses, their work also aids the local media. "The Stats" are more than just another group of girls; "The Stats" are becoming a legend.
