Dear Parents and Friends of Bobcat Athletes:

As we progress through another athletic season at Cambridge High School, we would like to thank those of you who have consistently supported us through the years. High School inter-scholastic competition provides the opportunity for many of our youth to participate and refine their natural abilities. Self discipline, teamwork, and a sense of belonging are only three of the many qualities a well organized athletic program provides. Starting with the district administration down through the individual student participants, we are constantly looking to improve our program.

The obvious emphasis in the Cambridge City Schools is on academic excellence as evident by the performance of its students. Athletics provide an additional avenue down which the student can travel to become a well rounded, active citizen of the future. We encourage this development in all of our students, and your help will reinforce that mission.

Thank you for helping us. We wish good luck to the Bobcats.

Go Bobcats!

On behalf of the Cambridge City Schools, I would like to welcome you to C.H.S. and Bobcat Basketball. We are entering a new trend at Cambridge and know you will enjoy the excitement our team will provide.

It is a good time for our athletics at Cambridge High School. We have a good nucleus of athletes who have a strong desire to excell and raise our program to respectability, and we have a staff of coaches who are extremely dedicated to the same purpose. We hope each and every Bobcat Fan will find his place on this team and help us build Pride at C.H.S. In the near future there will be many new projects started to aid the efforts of our athletes and coaches and I hope you as a Bobcat Supporter will make yourself available to help.

Once again, to our guests tonight, we hope you feel welcome and enjoy the game. We appreciate the competition your athletes will provide for our young men tonight. It will indeed help them in their endeavor to excell.

Thank You For Buying This Program

This is one of the many projects of the Cambridge Booster Club to raise money for support of the 14 sports activities offered by the Cambridge School System.

Our purpose, as stated in our constitution, is: "to promote athletics in the Cambridge City Schools and aid the Athletic Association both with manpower and financial aid."

Major projects in which we were involved in the past were the sponsoring of Sports Awards banquets, recognition of outstanding athletes in the OVAC and post season tournaments, and continual refurbishment and replacement of athletic equipment.

This year's commitments are to provide \$20,000.00 to the athletic department toward the purchase of uniforms, equipment, video tape recorders and video tapes for all of the sports.

Our success in this will depend on wide participation of parents and Cambridge citizens in developing a sound and adequate base of support on which winning programs can be built. We must provide for our young men and women the environment and the opportunity through which they can express their abilities and around which the community can rally.

We extend our invitation to all, especially parents, to regularly attend our Booster meetings and assist us in support of our objectives.

President.....Tony Beardmore
Vice-President.....Jack Crowley
