---

STEVE KISH, Principal

As principal of Bellaire High School; I take this opportunity to welcome you to today's athletic contest. I'm extremely proud to be part of the great academic and, of course, athletic tradition here at Bellaire High School. I feel strongly that academics and athletics go hand in hand in the overall process of an individuals education.

It is a pleasure to welcome all past Big Reds to today's game and also, of course, to welcome parents, friends, and fans of the opposing squad. Speaking for all Big Reds, we hope today will be an enjoyable one for you. Thank you for attending today's game and have a safe journey home.

Sincerely,  
Steve Kish, Principal  
Bellaire High School

## KNOWING SOME SIMPLE MATH CAN BRING YOU CLOSER TO COLLEGE.

It's called The New GI Bill Plus The New Army College Fund. And it's one great way to save money for college while receiving valuable training in an Army skill.

As a soldier, you contribute \$100 a month from your first full 12 months' paychecks (for a total of \$1,200). The government

and the Army contribute the rest (up to \$9,600 from the government and up to \$14,400 from the Army).

And as you earn, you'll also learn. Your Army skill training will give you knowledge, experience, and a sense of pride.

The New GI Bill Plus The New Army College Fund add up to one smart financial aid program. See your local Army Recruiter for more information.
