GOOD LUCK "BIG REDS"

STEVE KISH, Principal

As principal of Bellaire High School; I take this opportunity to welcome you to today's athletic contest. I'm extremely proud to be part of the great academic and, of course, athletic tradition here at Bellaire High School. I feel strongly that academics and athletics go hand in hand in the overall process of an individuals education.

It is a pleasure to welcome all past Big Reds to today's game and also, of course, to welcome parents, friends, and fans of the opposing squad. Speaking for all Big Reds, we hope today will be an enjoyable one for you. Thank you for attending today's game and have a safe journey home.

Sincerely,
Steve Kish, Principal
Bellaire High School

THERE'S AN ARMY OF CHOICES OUT THERE.

It's not easy. Sometimes the number of choices you have seems mind-boggling. But sometimes, when you know what you want, freedom of choice is a great thing. Look at today's Army.

There's the Active Army and the Army Reserve. If you qualify for Active, you serve 2-4 years, choose from over 300 skills to train in, and in over 80 of those skills you could be eligible for up to \$25,200 in college money.

If you already have a job or are in school, consider the Army Reserve. All it takes is one weekend a month and two weeks a year. Plus, you'll learn a useful skill and earn over \$1,200 a year.

Both choices give you career experience, physical conditioning, new friends, good pay, and a chance to serve your country. It's all up to you. Call your local Army Recruiter.
