## IF THE SHOE FITS

*Please don't curse that boy down there  
He is my son you see  
He's only just a boy you know  
He means the world to me  
I did not raise my son, dear fan  
for you to call him names  
He may not be a superstar  
It's just a high school game,  
So please don't curse those boys down there  
They do the best they can  
They never tried to lose a game,  
They're boys, and you're a man.*

*This game belongs to them, you see  
You're really just a guest  
They do not need a fan like you  
They need the very best  
If you have nothing nice to say  
Please leave the boys alone  
And if you have no manners,  
Why don't you stay at home!  
So please don't curse those boys down there  
Each one's his parents' son,  
and win or lose or tie, you see,  
To us, they're NUMBER ONE!!!!*

## 1988 St. Clairsville High School Football Coaching Staff

### "Head Coach" • MIKE YOUNG

Mike Young is St. Clairsville High's 1988 Head Football Coach. Mike has served as Assistant Coach for the last 16 years and has held a myriad of other athletic positions for the Red Devils during this period.

Coach Young has played a key role in the Red Devil's success over much of the last two decades. He joined the staff in 1972 and worked primarily with the freshman team the first two years. For the last 14 seasons, he's had charge of the offensive and defensive backs, two areas where the Red Devils have always been formidable.

Mike was a three-sport performer (football, basketball and tennis) at Wheeling Central High. He then went to West Liberty State College where he played tennis and served as student trainer, a position that enabled him to gain additional coaching knowledge.

His first teaching-coaching job was in Ohio County. He taught one year at old Lincoln High while serving on the staff at Wheeling High. The following year he went to St. Clairsville where he has since become a fixture.

In addition to serving on the football staff for 16 years, he has been the school's athletic trainer for all boys' and girls' sports. Also, for 11 years, he was boys' and girls' tennis coach. His 1983 & '84 boys' tennis teams won OVAC titles and advanced to the quarterfinals of the state tournament. Mike has also served as assistant varsity basketball coach for the last 7 years.

**Creative Photography**  
**Bellaire, Ohio**  
**676-3585**

Six years ago Mary Rataiczak and Paul Marchese fulfilled their dream. They opened their own photography studio, where they could take the time necessary to produce creative portraiture. They decided to specialize in high school seniors, and took many courses in creative posing and backgrounds. They built their own outdoor studio with all of the scenes created for photography. For their indoor studio they've purchased so many backgrounds and props that no longer do all seniors look alike.

Today, their reputation has made them the leaders in senior photography. They have added a third photographer to their staff. Scott has just graduated from the most prestigious school of photography in Daytona Beach, Florida. He brings with him an excellent knowledge of portraiture, plus an outstanding background in black & white printing, which has set our studio ahead of the competition in yearbook prints and programs.

Rat & Cheese incorporated in 1987 as 'R & C' but retains their original name.

# *Thank You!*

Red Devil Moms would like to take this opportunity to thank all those who helped in preparing this 1988 St. Clairsville Red Devil Football Program.

We thank all of the advertisers in this program for their support and we encourage all fans of St. C. sports to help by patronizing the advertisers in this program. We'd like to remind you that all monies made from the sale of this program go to St. Clairsville High and Jr. Hi sports.

My special thanks to Gene Sirca for all his time & devotion in making this excellent program. And to R & C Photography for their tremendous time and effort...JOB WELL DONE!

Also to the "Moms" who continually help throughout the year - GOD BLESS, and to our athletes - continued SUCCESS andLUCK to you all.
