## A MESSAGE FROM THE PRINCIPAL

On behalf of the students and staff of River High School, I would like to extend to you a warm welcome for tonight's football game and marching band show.

It is the aim of our school to make available to all students in our high school the experiences that will develop individuals with strong healthy bodies and good moral character who will be equipped with the essential knowledge that will enable them to become contributing members in our democratic society.

In addition to our goal of providing quality academic programs, we take tremendous pride in our extra-curricular activities such as the marching band and football team. The young people you see this evening have worked extremely hard to develop individual skills and learn the value of being part of a team effort.

I would also like to thank you for your attendance this evening and hope that you will join with our cheerleaders to support the 1989 River High School "PILOTS".

Sincerely,

Gary D. Hunter  
Principal

Asst. Band Director, Jim Laurine. Field Commander, Patty Sprouse. Band Director, Ray Beaver.

River High Principal, Gary Hunter.  
Athletic Director, R. L. Potts.
