TO: BUCKEYE SPORTS FANS

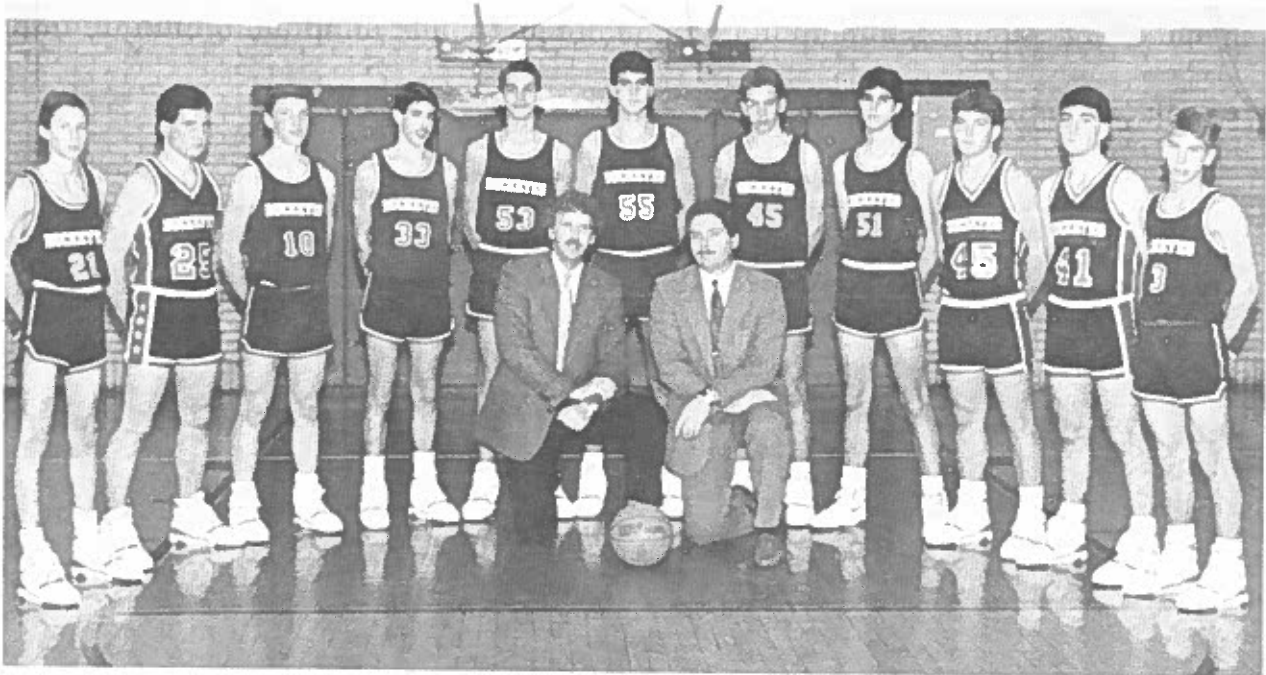

DAN STEPHENS
Principal

Welcome to Southwest High School, home of the Buckeyes! The 1989-90 winter sports program will again be one of building, growing and learning. The coaches and participants have spent many long evenings preparing for this season and anticipate giving the Buckeye fans many enjoyable nights of excitement.

Although we are only in our second year of competition as Southwest Buckeyes, we are continuously building for the future of our District. The young men and women of Buckeye Local are part of a new era of excitement in sports and academic programs.

As a Buckeye Fan, we appreciate your support of the young people who participate in our programs. Thank you for being an active part of the Southwest Winter Sports Program.

Sincerely,
Dan Stephens, Principal
