## ***THANK YOU FOR BUYING THIS PROGRAM***

In addition to publishing these programs, other fundraising activities include concessions at numerous school athletic activities, concessions at major events in Guernsey County, raffles, car washes and the sale of various items.

All over the United States, the school dollar is being stretched farther and in the future, booster clubs may be called upon to provide more basic necessities for school sports. We like to think that we will be able to meet this challenge should it become necessary. This can be accompanied by a wide participation of parents and Cambridge citizens providing their support.

Please help us with our support of Cambridge athletics by, first of all, attending the athletic functions and second, by lending a hand in one of our fundraising activities. For those of you who have helped in the past, we gratefully thank you and for those of you would like to become involved in booster activities, we welcome your support and participation and encourage you to attend the Bobcat Booster meetings which are held the first Monday of every month at the high school.

Help us back the best, our "Bobcat Athletes".

President	Mike Carpenter
Vice President.....	Dave Conrath
Second Vice President.....	John Mark Nicholson
Secretary .....	Kim Conrath
Treasurer.....	Barbara Allen
