AN OPEN LETTER TO OUR SON

Dear Son,

As we sit here in the stands and watch you come running out on the floor to play another game, our hearts fill with pride and our eyes swell with tears. We know how much practice and dedication it took to get you to this point. We have also seen the frustration on your face when you thought that your jump shot was off and might not be able to correct it. We know how many extra hours you've worked beyond the regular practices.

So son, even if your team wins or loses and even if you don't play this game, you are still No. 1 to us, because we love you and will cheer you on no matter what happens.

*Love,
Your Mom and Dad*
