"Good Luck Warriors"

SUPERINTENDENT'S MESSAGE

During this sports season, we would like to welcome our fans, parents and the visiting teams and their fans to our facility.

Having been a Head Football, Cross Country and Track Coach, in addition to a Reserve Basketball Coach throughout my coaching days, we recognize the tremendous opportunities and values that are gained by young women and men through participation in sports. The learning that takes place through athletic competition will last a lifetime. However, even with this in mind, we must continually strive to emphasize the *STUDENT* in student-athlete because academics are the school's main business.

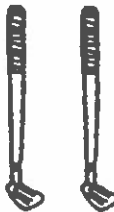

We would like to thank the community for its support throughout the season as well as the athletes' parents for all the time and energy they invest in our program. *Go Warriors!!!*

Message From the A.D.

Welcome to another Buckeye Trail High School athletic season. We're pleased to have you in attendance at this athletic contest and hope you enjoy yourself, regardless of which team wins.

As fans we must remember that although winning is a major goal in any program, it is not the only one. The preparation, team involvement, and good sportsmanship are as important as the victory.

I would like to take this opportunity to personally thank the parents, fans, and Booster Club for their continuous support of our programs. This type of community support is imperative if we are to provide quality extracurricular activities for our students.

Our Athletic Boosters Club meets the last Monday of each month. Get involved in their many worthwhile projects to help Buckeye Trail athletics.

IF THE SHOE FITS

Please don't curse that boy down there
He is my son you see
He's only just a boy you know
He means the world to me
I did not raise my son, dear fan
for you to call him names
He may not be a superstar
It's just a high school game,
So please don't curse those boys down there
They do the best they can
They never tried to lose a game,
They're boys, and you're a man.

This game belongs to them, you see
You're really just a guest
They do not need a fan like you
They need the very best
If you have nothing nice to say
Please leave the boys alone
And if you have no manners.
Why don't you stay at home!
So please don't curse those boys down there
Each one's his parents' son,
and win or lose or tie, you see
To us, they're NUMBER ONE!!!

TO ANY ATHLETE

There are little eyes upon you.
And they're watching night and day;
There are little ears that quickly
Take in every word you say;
There are little hands all eager--
To do anything you do;
And a little boy who's dreaming
Of the day he'll be like you
You're the little fellows idol;
You're the wisest of the wise,
In this little mind about you,
No suspicions ever rise;

He believes in you devoutly,
He hopes that all you say and do,
He will say and do, in your way
When he's grown up like you.
There's a wide-eyed little fellow,
Who believes you're always right,
And his eyes are always open
And he watches day and night;
You are setting an example
Every day in all you do,
For the little boy who's waiting
To grow up to be like you
