Welcome!

Welcome to our 28th season of Brooke High Basketball. Through the years our Bruin teams have played competitive basketball against both OVAC and state-wide rivals. In addition to a 100% effort on the basketball court, our team members are expected to perform to the best of their abilities in the classroom.

Please join me in welcoming our visitors in Brooke High. Tonight's game should be enjoyed in a spirit of good sportsmanship. At the conclusion of the game, let us commend both teams for their efforts on behalf of their respective schools.
