### Panther Sports Fans:

Welcome to Buckeye Local High School, home of the Panthers! Over the past years, our winter sports programs have continued to work towards establishing traditions of excellence. I anticipate the upcoming season to be no exception. I am looking forward to an excellent season in girls/boys basketball, and wrestling. Best of luck to the winter athletes and their coaching staffs.

We hope the Panther fans will continue to be an active part of our programs. Your support is important to the success of our programs. The athletes need your support and the students depend on your interest.

We welcome our visiting teams and their fans. I hope you enjoy our facility and that you find healthy competition and good sportsmanship every time you visit us.

Sincerely,

Daniel Doyle, Principal

## THE CHAMPION - *She Does A Little More*

The average player plays until the breath  
in her is gone,

But the champion has a goal in mind  
that makes her carry on.

For rest the average player begs when  
limp her muscles grow,

But the champion plays on leaden legs,  
her spirit makes them go.

The average player's complacent when  
she's done her best to score,

***But the champion does her best,  
then she does a little more.***

*Sports is life with the volume up.*

*The friendships in sports are fused  
more tightly than in most other places.*

*The laughter is louder, the jokes funnier,  
the pain sharper, the nights later,  
the lows lower.*

*Athletics teach us that life,  
although unpredictable,  
is something that we can deal with.*
