PANTHER SPORTS FANS:

Welcome to Buckeye Local High School, home of the Panthers! Over the past years our winter sports programs have continued to work towards establishing traditions of excellence. I anticipate the upcoming season to be no exception. I am looking forward to an excellent season in girls/boys basketball and wrestling. Best of luck to the winter athletes and their coaching staffs.

We hope the Panther fans will continue to be an active part of our programs. Your support is important to the success of our programs. The athletes need your support and the students depend on your interest.

We welcome our visiting teams and their fans. I hope you enjoy our facility and that you find healthy competition and good sportsmanship every time you visit us.

Sincerely,
Daniel Doyle, Principal
