***We're Proud Of The Extra Hard Work And
Long Hours Put In By Our High School Band,
Colorguard, Cheerleaders and Athletes***

WELCOME FROM THE SUPERINTENDENT OF SCHOOLS

On behalf of the Board of Education, Administration and all the employees of the Rolling Hills School District, I would like to take this opportunity to welcome each of you to this athletic contest this evening. We are extremely proud of the athletic facilities in our school district and it is our hope that your attendance at this game will provide you with the opportunity to see the athletes from both teams take part in a high school contest that develops character and integrity.

Our goal in Colt Country is to provide each and every student with the best educational programs possible while at the same time permitting our students and those visiting our schools to take part in athletic contests with quality facilities.

We wish each of you an enjoyable evening. We also take this opportunity to express our sincere appreciation for those groups such as our booster clubs that work with us to provide the best for our students.

Norman L. Blanchard
Superintendent

WELCOME FROM THE PRINCIPAL

I welcome you to Meadowbrook High School Athletics. It is with great anticipation that I look forward to watching our students represent the Meadowbrook High School.

All sports are a vital part of the learning process. I am sure that you will join me in wishing each sport a successful season. Also, I want to wish the Flag Corp, Band, and Cheerleaders much success throughout the year.

Have a Great Year.
Chuck Chippi
Principal

Welcome to the 1996-97 school year and athletic seasons. We are excited about the opportunities ahead. We strive to offer our student athletes a laboratory, outside the classroom, to test their physical, emotional and mental limits.

Meadowbrook will win some games, but please join the Athletic Department and its coaches as we assist each athlete daily in gaining a good work ethic and the values needed to be a successful person. We look forward to better serving you, our public, as we expand our programs and facilities. Enjoy this season and please be a "good sport."

Need money for college?

The Federal Family Education Loan Programs pays up to \$23,000 for undergraduate study, plus an additional \$65,000 for graduate work!

You're going to need two things to help you compete in tomorrow's tough business environment. A good education and the money to pay for it. If you have the desire to learn, we offer programs to help you get the money you'll need. There are need-based loans that families or independent individuals can apply for. But, don't wait until the last minute to apply. Give us a call, or come into the Bank today. There's low-interest money available for your education, and we're ready to show you how to apply for it.
