Leigh Ann,
You were the "baby" in our home, the
end of the line you might say. But what
a blessing it was when God sent you
our way. You filled our hearts with
pride. It would be impossible to love
you more.

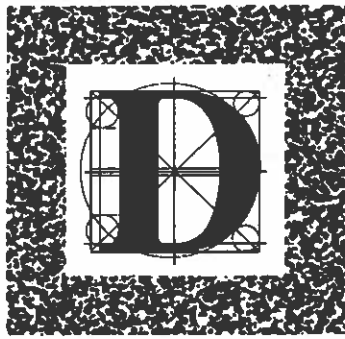

Good luck and best wishes.

We love you.

- * There is a system of non-deadly force training called CDT.
- * CDT has been featured on CNN, FOX-5, and A&E.
- * You can learn to protect yourself and your family, and you can do it in just a couple days.
- * How's that grab you?

OVAC Track & Field Championships Fun Facts

The Shadyside Boys have won 27 OVAC Championships, and 13 in a row from 1968 through 1980.

The John Marshall Girls have won 10 OVAC championships.

Barnesville's Jennie Castle is in the OVAC record book 6 times. Jennie holds the record in the 800 Meter Run in both 2A and 3A. Also, Jennie's 300 Meter Hurdle record in 2000 was set without her winning the event. Jennie set the record in the preliminary and was injured during the finals.

Registered Ohio and West Virginia Track & Field Official, and long time Starter in Shadyside, Joe Heintzman, is still a part of an OVAC Record. Joe was on the winning Sistersville 4X200 Relay Team in 1980 that still holds the 1A record!

The oldest OVAC record belongs to Jim Capito of Bellaire. Jim set the 3A Long Jump record in 1958 with a jump of 22' 03.75".

The Wheeling Park Boys and the Barnesville Girls both hold 7 of the 18 records in their respected class.

The idea for this program was a result of the success that Bellaire athlete Kacie Vavrek has had over her stellar high school Track & Field career. Like most schools, Bellaire does not have a "Spring Sports" program booklet, and the school yearbook deadline is well before the end of Track season, which includes the State Meet. While Kacie has been All-Ohio in Track her first three years in high school, and the Division II 100 Meter Hurdle Ohio State Champion in 2001, her accomplishments did not make the pages of a school program or yearbook. This OVAC program attempts to provide the opportunity to give recognition to the Track & Field athletes of the Ohio Valley. To Kacie Vavrek, and all athletes participating in Track & Field, this program is dedicated to you!

I would like to thank all of the sponsors who purchased ads for this program, the coaches and booster club members that sold the ads, and all of the people that helped compile the records and information listed in this program. The proceeds generated by this program will purchase equipment that will be used for all future OVAC Track & Field Championship Meets.

If your school, community, or athletes were not represented in this program, and you would like information about being a part of the 2003 program, or if you have any comments, corrections or suggestions, please contact me via the information below. Hopefully, this program can continue to provide a platform to showcase the Track & Field Athletes of the Ohio Valley Athletic Conference.
