3. The application of further stimulation and motivation within our conference itself.
4. A careful and prepared study of choosing the Football All Star Squad.
5. The following of more diverse and pointed dinner meetings with some additional emphasis on the last meeting of the year.
6. To incorporate a program for the instruction by which we might be able to use the abilities of student trainers.
7. A more informative conference brochure.

The Ohio Valley Athletic Conference was organized in 1943 with F. W. Bowen, J. E. Ewing, J. C. Greer, M. S. Hattala, B. J. Lockhart, J. V. Nelson, C. Petty, C. F. Walker, and C. S. Wiseman among those responsible for its basic inception. Mr. C. S. Wiseman became the Conference's first president.

A demand arose in 1943 for a conference which would help stimulate and promote a more lucrative program of competitive high school athletics in the upper Ohio Valley.

Today, the O. V. A. C. is the largest and most functional high school Conference of its kind in either Ohio or West Virginia. A total of nine major athletic programs are enjoyed by its member schools of which forty-six schools supply the upper Ohio Valley with over 6,000 athletes in the various competitive athletic areas.

It is the basic objective of the Ohio Valley Athletic Conference to continue the promotion of all high school athletics and to serve in the over all development of proper school relationship and sportsmanship within the Conference.
