### KENNA HOMELL - HONORARY REFEREE

The Bellaire Relays is proud to have one of its own members as Honorary Referee for its 1974 meet. Kenny Howell was selected for this honor to give recogition to his many contributions over the

Although he is probably not widely known throughout the state, Kenny is one of those men who is always there to help the Relays and Bellaire High athletics.

He was on the original Bellaire Relays committee in 1955 when the meet was just for local teams. But through his efforts and people like him the Relays have grown to be one of the two largest

track and field meets in the state of Ohio.

He has been a starter, worked at the finish line, served on var-

ious committees and has shown the hospitality of the Relays by housing the out of town boys overnight.

Kenny is not one of the people you see only on Relays day. He is here for the dual meets in March when snow flurries are falling and is a member of the Big Red Touchdown Club which works to secure the best for Bellaire athletics.

Kenny said that he has led a dull life but this certainly can't be true. For the personal sarisfaction he must have gain from his time and effort is worth more than many men will gain in a life-
