**PHONE:** 304 / 233-0140

**FAX:** 304 / 233-4613

**RE:**

**CC:** None

**Number of pages including cover sheet: 6**

**Message:** First in response to the letter from East Liverpool. I am only asking them to play 7 teams. The other 9 games they have can be played against Beaver Local or any other school. This problem only occurs on the girl's side, as the boys are both in Division 2. So if they did not schedule Beaver Local it's not our fault. Secondly, attached is the letter about the Divisions for soccer. I also included the breakdown of which schools are where for 1999. I will call East Liverpool today or tomorrow, look forward to seeing you next week.

OVAC Soccer is excited and proud to announce entirely new formats for play starting with the 1999 fall season. For the first time in the history of the OVAC schools have been paired by ability instead of size. Please understand there are no regular season games now associated with the conference. The OVAC now has two competitive programs, one to determine the champions of each division called the OVAC Championship Series and the second a tournament called the OVAC Cup. Both of these programs are molded after the English Premier League and FIFA World Cup Soccer.

The first component of the new format is the OVAC Championship Series. These are not regular season games, but games played in a round robin format to determine the soccer champions of the OVAC. There are two divisions and these divisions were determined by the schools finish in this past years OVAC Tournament. Fall 1999 winners of the Division 1 and Division 2 Championship Series will receive the OVAC Championship pennant as well as the Gold Ball Champions Trophy at the OVAC Banquet in the spring. All OVAC All-Star teams will be based on the Championship Series, as well as Player and Coach of the Year.

In addition to the Championship Series, the OVAC will also sponsor the OVAC Cup a tournament that all teams are seeded into that will determine the best of both divisions. This competition has no impact on the conference championship. The Cup will also guarantee a minimum of three games for all teams. Winners of the Cup will receive a traveling trophy and a plaque.

## **DIVISION 1 / WOMEN**

The following schools have qualified for Division 1 next year.  
They will have to play each other before October 6, 1999

**Wheeling Park**

**Brooke**

**East Liverpool**

**Wheeling Central**

**Linsly School**

**John Marshall**

**Weir**

**Indian Creek**

---

## **DIVISION 2 / WOMEN**

The following schools have qualified for Division 2 next year.  
They will have to play each other before October 6, 1999

**Oak Glen**

**Magnolia**

**St. Clairsville**

**Steubenville**

**Beaver Local**

**Steubenville Central**

**Edison**

## **DIVISION 1 / MEN**

The following schools have qualified for Division 1 next year.  
They will have to play each other before October 6, 1999

**Linsly School**  
**Wheeling Park**  
**Weir**  
**St. Clairsville**  
**Weirton Madonna**  
**Wheeling Central**

The following special interest areas will have to be reviewed with your coaches and players. The officials who will be working your games have been instructed to call the following fouls. OVAC Soccer has placed a **ZERO TOLERANCE** level on these fouls.

## **AUTOMATIC YELLOW CARDS**

- 1. Any Tackle from behind**
- 2. Any trash talk**

## **AUTOMATIC RED CARDS**

- 1. Any foul with intent to injure.**
- 2. The intent to fight**
- 3. Language**

It is very important for you the Head Coach to know how serious we are about the above areas. These fouls will be enforced on a consistent basis. If you have any questions about this, please ask now, if not, please sign the form stating that you understand this page.

I have had the ZERO TOLERANCE calls reviewed with me by OVAC Directors. I understand that it is my responsibility to make my coaches and players aware of these fouls and their consequences. I will also support officials when these calls are made.

# 1998-99 TELEVISION COVERAGE

**THE**  
*Championships*

---

**THE**  
*All-Star Classic*

WTRF-TV7 has agreed to again televise both the Men's and Women's Championships and All-Star Classics. They will be on a tape delayed basis.

# STARTING IN THE FALL OF 1999

# DIVISION 1 / DIVISION 2

Starting in the Fall of 1999 the OVAC will divide into two divisions and will be called **Division One** and **Division Two**. Teams will be divided based on their 1998 finish in the OVAC Tournament. At the end of the 1999 season the bottom two teams of the Division One will be dropped to the Second Division, and the top two teams in Division Two will be elevated to the First Division.

Please note: based on your finish, you will be required to play the other seven teams in your division before the tournament cutoff the following year. You can schedule, as many other games with whoever you want in this time period, but these seven games must be played or you will not qualify for the tournament. **Absolutely no exceptions will be made to this rule or this concept will not work! This will also help your schedule making for the following year.**

The tournament seedings will be as follows: the Division One teams will be seeded 1-8 depending on their regular season record against each other, then the Division Two teams will be seeded 9-16 based on their regular season record against each other. There will be only one Tournament Champion, but there will be two All-OVAC Teams, Two Players of the Year and Two Coaches of the Year selected. One for Division One and the same for Division Two in both the Men's and Women's groups based on the regular season record against others in their division.

The All-Conference choices will be based on the same selection criteria currently in place (Champion places four players, Second Place three players, Third & Fourth Place 2 players and all others 1 player with all schools placing two players on a Honorable Mention list), but will be based on the regular season and not the tournament.
