# OVAC CUP 2001

## SAME STORY, DIFFERENT YEAR!

Welcome to the 11th Annual Mens OVAC Soccer Championship. Tonight's game matches the #1 Linsly School Cadets against the #2 Wheeling Park Patriots. This marks four time Champion Linsly Schools 8th trip to the finals, while Wheeling Park will be making their 7th trip to the championship game winning four out of six. We expect a great game from these two programs, as they have won eight of the previous ten championships. This marks the 6th time these two schools have played each other in the finals for the Cup.

Welcome also to the 7th Annual Women's OVAC Soccer Championship. Tonight's game matches the #1 Wheeling Park Patriots against the #2 Brooke Bruins. We expect a tremendous games from these two teams as this is the sixth consecutive meeting between these two perennial powers in the Championship Game. The Patriots have been in every title contest, winning five and finishing runner-up once. Brooke won the 1996 championship and has finished runner up four straight times since then.

Once again WTRF-TV7 will be taping these games for a delayed broadcast on a yet unknown date.
