OVAC CUP 2002

SOME THINGS NEVER CHANGE

Welcome to the 12th Annual Men's OVAC Soccer Cup Championship. Tonight's game matches the #1 Linsly School and #2 Wheeling Park. This marks five-time Cup Champion Linsly School's 9th trip to the finals, while Wheeling Park is making their 8th trip to the final game, winning four out of seven previous trips. This also marks the 7th time in 12 years that these two schools have met in this game against each other. Their two meetings this year were both very close with the Cadets winning both by a 2-1 score. Linsly comes into the game ranked #2 in West Virginia, while the Patriots, who are defending State Champions, hold down the #5 spot.

On the Women's side, this marks the 8th Annual game for the Cup. Wheeling Park has been in all seven previous finals, losing only once to Brooke in 1996. The six-time Cup Champions, who look for number seven tonight, are 4-time defending State Champions. They play a Weir team who finished just behind them for the OVAC Championship this year and are having their best year ever. This marks the Lady Riders first trip to the Finals.

Once again our thanks to WTRF-TV7 for their continuing support of soccer in the Ohio Valley. They are taping both of the games to broadcast at a later time.

DEDICATION

The games tonight are dedicated to Steve Hannig. Steve was a tireless worker for OVAC Soccer and we miss him very much.
