

OVAC CUP 2003

DIFFERENT YEAR...SAME SONG!

Welcome to the 13th Annual Men's OVAC Soccer Cup Championship. Tonight's game matches the #1 Linsly School and #2 Wheeling Park. This marks six-time (three time defending) Cup Champion Linsly School's 10th trip to the finals, while Wheeling Park is making their 9th trip to the final game, winning four out of eight previous trips. This also marks the 8th time in 13 years that these two schools have met in this game against each other. Linsly comes into the game ranked #9 in West Virginia, while the Patriots hold down the #2 spot.

On the Women's side, this marks the 9th Annual game for the Cup. Wheeling Park has been in all eight previous finals, losing only once to Brooke in 1996. The seven-time Cup Champions, who look for number eight tonight, are 4-time State Champions. They play a Linsly team who finished just behind them for the OVAC Championship this year and are having one of their best years ever. This marks the Lady Cadets second trip to the finals, the other being the inaugural game in 1995. In their only meeting this year Park won 1-0.

Once again our thanks to WTRF-TV7 for their continuing support of soccer in the Ohio Valley. They are taping both of the games to broadcast at a later time.
