Swimming and Diving Championships

**Welcome:**

The Ohio Valley Athletic Conference would like to welcome you to the 48<sup>th</sup> Annual Ohio Valley Conference Championship Meet. The meet ran from 1945 to 1983, took a 13-year hiatus and returned in 1996. The OVAC is currently celebrating its 61<sup>st</sup> year of serving the youth of the Ohio Valley.

The meet was originally held in the YMCA in downtown Wheeling and then moved to the facilities at Linsly. With the construction of the Steubenville facility and the growth of the sport of swimming in the Valley, it has moved to Steubenville.

We would like to thank the Steubenville Board for Education for allowing us to use their wonderful facility.

We would like to thank, Steubenville High School principal Mike McVey and his staff for all of the hard work they put in to making the venue a great place to have our meet.

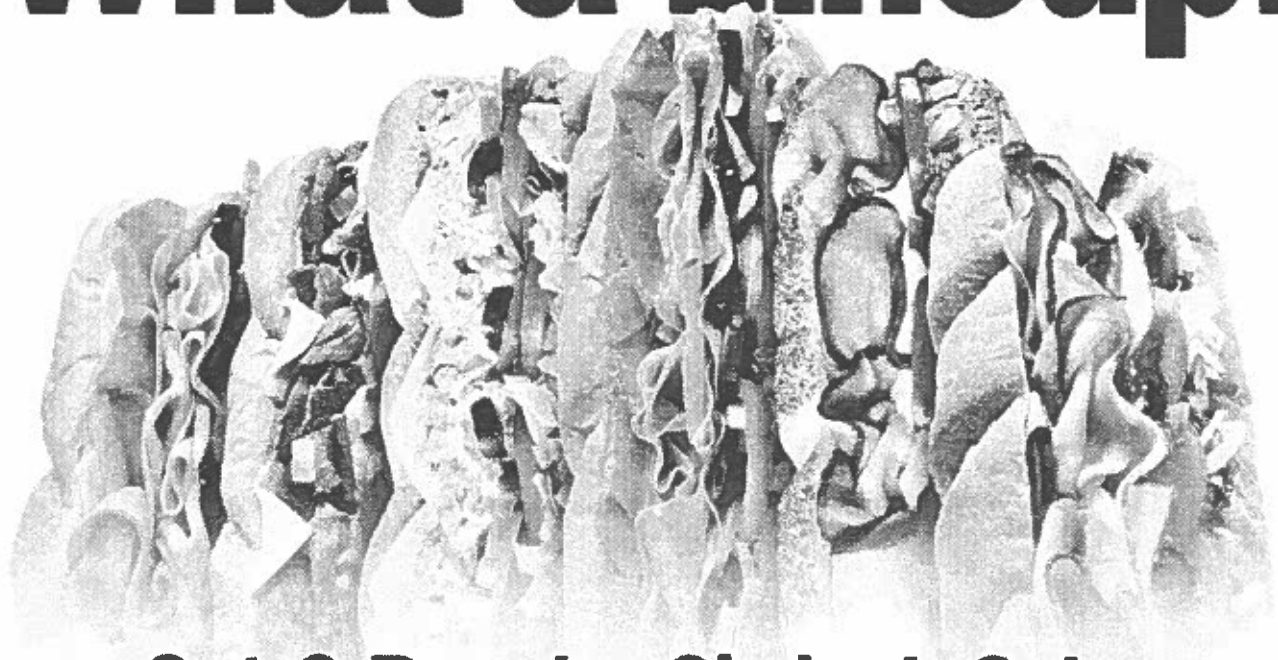

This being my 25<sup>th</sup> year as director of Championship swimming meets for the OVAC member schools, it has been my pleasure to see the meet grow from five schools and less than 100 swimmers to today's record setting event. This edition of the meet will have a record 21 schools with swimmers entered in the meet and over 400 swimmers.

One would be remiss to not thank Beth Hupp whose help at the host site has been too good to be true. Coordinating a meet away from the site can be quite a challenge without someone on site to help with the fine details. Beth and the Steubenville swimming parents, those of current and former swimmers has been invaluable in staging a successful meet. Thank you again.

Finally, to the senior swimmers we recognize today, thank you for your dedication to a tough sport. To all of the swimmers, good skill and fast swims.

Bill Brubaker  
OVAC Meet Director

# Wheeling Hospital

**Fast Track** is an emergency care service that allows non-critical cases to be treated in a more expedient way. The decision of whether to route a patient to Fast Track or to the Emergency Center is made by the medical staff when the patient enters the door. Critical cases can then receive the priority care they require without having the less serious cases endure a long wait for treatment.

Fast Track hours are 5pm to 11pm Monday through Friday and noon to 10pm on Saturday and Sunday.
