Swimming and Diving Championships

Welcome:

The Ohio Valley Athletic Conference would like to welcome you to the 49th Annual Ohio Valley Conference Championship Meet. The meet ran from 1945 to 1983. It took a 13-year hiatus and returned in 1996. The OVAC is currently celebrating its 62nd year of serving the youth of the Ohio Valley.

The Meet was originally held in the downtown Wheeling YMCA and then moved to the facilities at Linsly where it remained until 1983. With the construction of the Steubenville High School facility and the growth of the sport, it moved to Steubenville High School with championships re-emergence in 1996.

We would like to thank the Steubenville Board of Education for allowing us to use the fine facility.

We would like to thank Steubenville High School principal, Mike McVey and his staff for all of the hard work they do to make this a great swim meet.

Also, Beth Hupp whose help with coordinating the meet site continues to be first rate. Coordinating a meet away from the site can be quite a challenge without someone on site to help with the fine details. Beth, Ross Ivkovich and the Steubenville Big Red swimming parents, those of current and former swimmers have been invaluable in staging a successful Championship. Thank you again.

Since I have been in charge of the meet it has grown from a meet of five schools and less than 100 swimmers to today's meet with 19 schools and almost 400 swimmers.

Finally, to the senior swimmers whom we are recognizing today, thank you to your dedication to a tough sport. Your participation, whether it has been for one year or four is a testament to your hard work and dedication. Good luck as you graduate and move onto your future endeavors.

To all of the swimmers, good skill and fast swims.

Bill Brubaker
OVAC Meet Director

Fast Track

Wheeling Hospital

Fast Track is an emergency care service that allows non-critical cases to be treated in a more expedient way. The decision of whether to route a patient to Fast Track or to the Emergency Center is made by the medical staff when the patient enters the door. Critical cases can then receive the priority care they require without having the less serious cases endure a long wait for treatment.

Fast Track hours are Saturday,
Sunday, and Monday from
Noon to 11:00pm Tuesday
through Friday from
4:00pm to 11:00pm
