**GOOD LUCK
OVAC SWIMMERS**

Welcome:

The Ohio Valley Athletic Conference would like to welcome you to the 57th Ohio Valley Athletic Conference Swimming and Diving Championship Meet. The meet ran from 1945 to 1983. It took a 13-year hiatus and returned in 1996. The OVAC is currently celebrating its 71th year of serving the youth of the Ohio Valley.

The Meet was originally held in the downtown Wheeling YMCA and then moved to the facilities at Linsly where it remained until 1983. With the construction of the Steubenville High School facility and the growth of the sport, the meet moved to Steubenville High School with the championship's re-emergence in 1996.

We would like to thank the Steubenville Board of Education for allowing us to use their fine facility. Also, the administration and staff at Steubenville High School whose continued dedication and effort on behalf of the students who participate in this meet, continues to be first class.

Also, Beth Hupp whose help with coordinating the meet site continues to be first rate. Coordinating a meet away from the site can be quite a challenge without someone on site to help with the fine details. Beth, Ross Ivkovich and the Steubenville Big Red swimming parents, those of current and former swimmers have been invaluable in staging a successful Championship. Thank you again.

Since I have been working as director of the OVAC Swimming Championship, the meet has grown from an event with five schools and less than 100 swimmers to today's meet with 21 schools and over 400 swimmers.

To the senior swimmers whom we are recognizing today, thank you for your participation in a tough sport. Your participation, whether it has been for one year or four is a testament to your hard work and dedication. Good luck as you graduate and move on to your future endeavors.

Finally, a big thank you. I was given quite an honor at this venue last year. It is not often that one receives such an honor. Although this event, now carries my name; this has not been done without the help of a lot of very good people. These are individuals who have supported the sport of swimming, as parents, officials and coaches. There are too many to name here. Look at those who are working here for your sons and daughters today. This meet is for them as well. There are many others who are not with us any more. They may be gone, but they will never be forgotten. Thank you again.

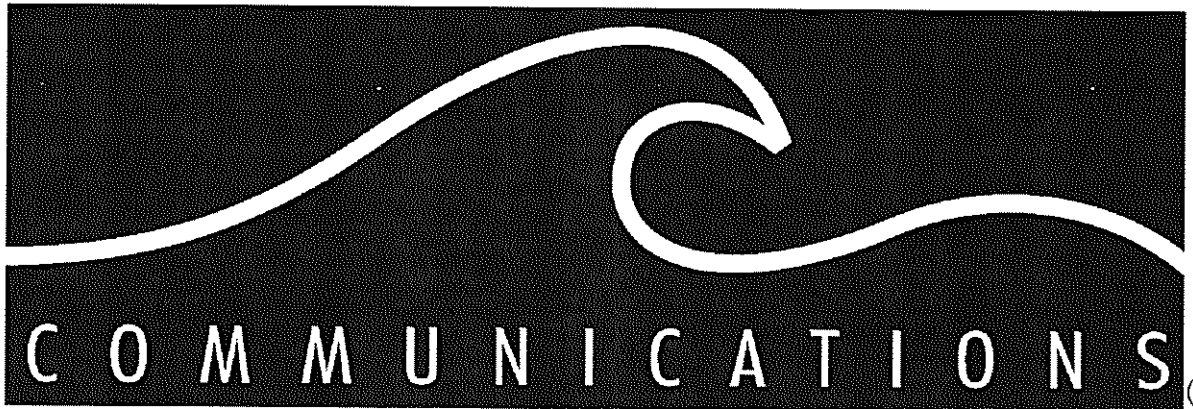

To all of the swimmers: good skill and fast swims.

Asked
Benjamin—
whoops, I mean
“Ben”—what
his plan is if
there’s alcohol
at the party.

— 12/22/07
Explained
to Benjamin
that in
our family,
we don’t
drink till
we’re 21.

— 5/3/02
Told
Benjamin
that only
grown-ups
drink alcohol.

Knowing what to say—and when— can help prevent underage drinking.

Research shows that parents are the number one influence in their children’s decisions about alcohol.* To use that influence effectively, our approach to conversations about underage drinking may have to change as our kids grow and mature. Learn more about practical strategies for each parenting stage by downloading our free parent guide.
