When talking about Madonna High School basketball, the name George Vargo is one of the first mentioned.

Actually, you can't mention one without the other.

Vargo was an institution on the sideline with the Blue Dons program and prior to his return to the school as a coach, he was a standout, multi-sport athlete there, too.

It's because of his coaching tenure there, which spanned 26 seasons, that Vargo is being honored today with the Earl Haberfield Boys Coaching Award.

Vargo, who graduated from Madonna in 1970, was hired as the Blue Dons head coach in 1994. He stepped away from the Madonna sideline to become the head men's basketball coach at Franciscan University in Steubenville in 2015.

He returned to the Blue Dons' bench, however, in 2019 and remained there until his retirement following last season.

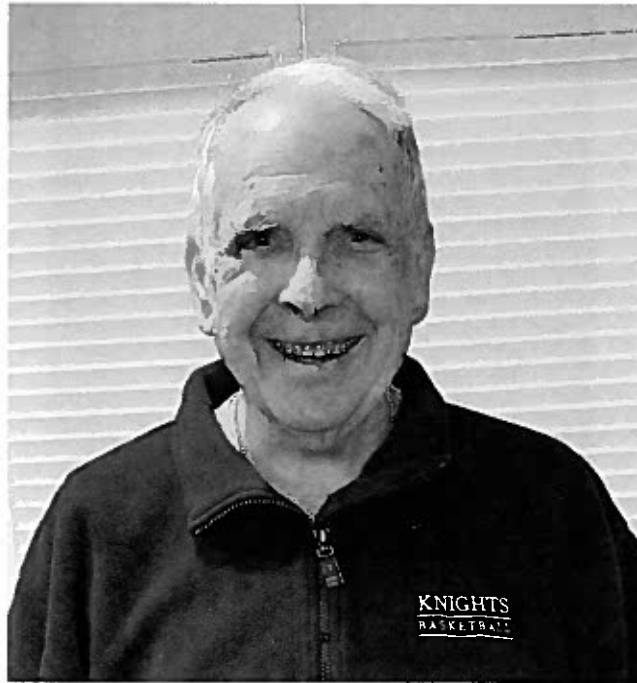

A lot of success was found during both tenures at the helm. Vargo won almost 400 games, reached the WVSSAC Class A State Tournament four times and cut down the nets in Charleston in 2011. He also won eight OVAC titles, eight Mason-Dixon Conference titles and nine Weirton City Championships.

Vargo's impact on Madonna basketball stretched beyond the coaching realm. He worked behind the scenes to secure funding to help upgrade the Madonna High School gymnasium, which he pushed to be renamed in honor of Coach Bill Barrett. He was also influential in the construction of the "Dube Dome" which is the current home for Madonna basketball inside the St. Joseph the Worker Grade School. He helped raise the funds for the locker room remodel at the "Dube Dome" as well.

Knowing that it took a lot of people for team success, Vargo founded the "Juiceman Award" which recognizes a supporter of Madonna Boys Basketball.

Vargo organized and hosted summer basketball camps, served on the OVAC Basketball Tournament committee and coached the OVAC All-Star Game four times, including last season.

Prior to landing his "dream job" at Madonna, Vargo coached at Wintersville High School in 1982 and at Weir as an assistant girls coach for three seasons.

Larry Finneran put forth quite the coaching career during his 15 seasons on a girls' basketball sideline.

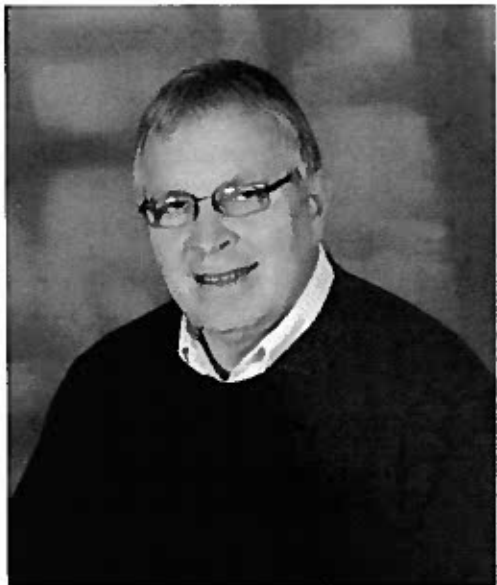

Finneran, who today is being honored with the Rich Saffield Girls Coaching Award, had stops at three different OVAC member schools during his head coaching career, which spanned from 1986-2001.

Finneran cut his coaching teeth as a freshmen girls' coach at Wheeling Central and then ascended to the head-coaching position in 1986. He held that post until 1993. During that time, Finneran led the Maroon Knights to a state runner-up finish in 1988 and won four straight OVAC titles from 1988-91.

After his time at Central ended, Finneran was hired as the varsity coach at Magnolia and served the Blue Eagles from 1993 until 1996.

He wrapped up his head-coaching career at Madonna where he worked from 1997-2001. He was named Region 1 Coach of the Year in 2001.

Prior to getting his start in high school coaching in 1985, Finneran served as the middle school boys and girls' coach at St. Michael's Parish Grade School in Wheeling. He also coached the Wheeling Central freshman boys team from 2005-08 and most recently coached at St. John Neumann Grade School in Knoxville, Tn. where he had the opportunity to coach his grandchildren.

Frank "Chip" Rea has witnessed a little bit of everything during his time wearing the stripes of a basketball official.

After all, Rea has been blowing the whistle at Ohio Valley basketball games since 1974 and remains active on the court now 51 years later.

Add up the years of service and his on-court work, Rea is being recognized today with the Bobby Dawson Officials Award.

Rea, who was a steel worker at Wheeling Pittsburgh Steel in Mingo until becoming a teacher in the Brooke County Schools in 2004, has worked games at all levels.

He reached the pinnacle of prep officiating – the state tournament – in West Virginia an astounding 34 times between 1983 and 2009.

He worked at the regional semifinal and final level in both Ohio and West Virginia.

As he's backed off of his on-court work in recent seasons, Rea remains active in officiating by working with and mentoring young officials. He's also taught the officiating class.

Since 2014, he's served on the OVAC All-Star Basketball Committee. He's also served as president of the West Virginia-Ohio Board for 12 years and as the board's secretary for 20 years.

Rea's achievements and contributions have been recognized numerous times in his career. He received Ohio District 5 Official of the Year in 2014 and 2020. He was the West Virginia/Ohio Basketball Official of the Year in 2011 and in 2024 received recognition for 50 years of officiating.

Chip and his wife, Joyce, have been married for 53 years. The couple has two sons – Chip Jr. and Brian, both of whom are active in prep sports officiating as an umpire and basketball referee, respectively. Frank and Joyce also have four grandchildren – JoJo, Gabriella, Lidia and Simeon Rea.

Carol Storm is a nurse by trade.

She became a basketball wife and mom. That dual role afforded her the opportunity to become the scorekeeper for the John Marshall Monarchs.

Basically, the rest is history.

Storm kept the book for the Monarchs during her husband Bill Storm's tenure as the head coach for eight seasons and is now being recognized as the recipient of the Thomas E. Rataiczak Timer/Scorekeeper Award.

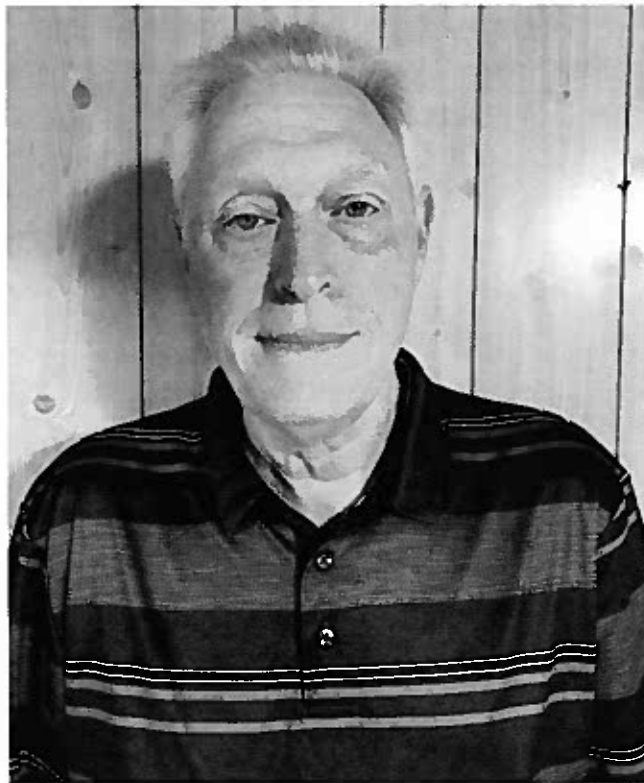

Storm kept the book from 2006 until 2014 and cites the "life-long friendships developed among referees, opposing coaches, coaches and other (team) personnel" as some of the highlights of her time at the scoring table.

Storm also reflected on her time keeping track of points and fouls for the Monarchs and quickly pointed out the chance to keep the book in Charleston in 2009 when her husband, led his team there and her son, Casey, was a member of the coaching staff. The Monarchs also played in four OVAC championship games.

Prior to ascending to her role as scorekeeper, Carol was team videographer and even washed uniforms when Pancho Flores was the head coach.

Carol, who graduated from Wheeling Central in 1970, attended West Liberty State College and became a registered nurse. She worked in Columbus for more than a year before returning to the Ohio Valley to work at Reynolds Memorial Hospital in Glen Dale for 44 years. She retired in 2017. She completed a BSN Degree from Wheeling Jesuit University and then a master's degree from West Virginia University.

Carol and Bill have two sons – Casey (Shelby) and Travis (Janelle) – and four grandchildren – Rilee, Braden, Shayne and Cole.

Bob Hill is a basketball junkie.

Hence why when he decided to step down as an assistant coach at Martins Ferry, he was quick to volunteer to continue to handle the in-person scouting for the Purple Riders.

Quite frankly, Hill loves being in a gym and watching the game.

Hill is being honored today because of that passion and his contributions to the sport as the Bob Burton Distinguished Service Award recipient.

Hill, who is a 1967 graduate of Shadyside High School, was hired by the Martins Ferry City School District in 1972 and worked there until his retirement in 2010.

Hill coached basketball for more than 30 years during his time with the Purple Riders. He's oversaw the Riders' in-person scouting for the past 14 seasons.

Along with his duties as a basketball coach, Hill coached golf at Martins Ferry, too.

Bob and his wife Debbie have been married 48 years. They have two daughters – Renee and Tara. They also have four grandchildren – Kelsey, Shawn, Hunter and Ryan.

Proud to Support the
2025 OVAC All-Star Basketball Games
