# 79th Ohio Valley Athletic Conference® Annual Rudy Mumley All\*Star Football Game

Welcome to the seventy-ninth edition of the OVAC® Rudy Mumley All-Star Football game. I am truly excited to see our student athletes perform this evening. As a former athlete, athletic director, High School principal, and current member of the Executive Board in this conference I am truly honored to be the game director. This conference is second to none and offers so many opportunities to our student athletes. The OVAC® is simply the best high school athletic conference in the country.

We hope everyone enjoys what our student athletes will do this evening. From our all-star football players showcasing their skills on the field, our musicians displaying their talents, our cheerleaders athletic ability, and our talented Queens, we have assembled the best the OVAC® has to offer. It has been a pleasure for all involved with our week of camp at Wheeling University to work with these students. We appreciate the work of parents and home schools for their support of all those involved in our game.

Corey Murphy GAME DIRECTOR

The OVAC® would like to thank everyone for attending this all-star football game. It takes the support and effort of so many to put on event of this caliber for our students. Congratulations to all of our all-stars as they shine tonight for their schools and the OVAC® Conference!

There are many words to describe the life of Rudolph Mumley, but perhaps the most appropriate would be service.

For most of his 80-plus years, Mumley, known as "Rudy" to his legion of friends, worked on behalf of many causes. None were more important to him than the youth of the Ohio Valley.

It is befitting that the game which fans are witnessing this evening is named in his honor. If it hadn't been for Rudy's willingness to step forward, the Ohio-West Virginia All-Star Game would not have existed the last 28 years, and it now appears to be a fixture that will carry it well into the next millennium.

The game's history goes back to the early 1940s and, for many years after that, it was sponsored by booster club associations from

Eastern Ohio and the West Virginia northern panhandle.

**RUDOLPH "RUDY" MUMLEY** 1918 -1999

However, the game could not receive NCAA sanction and consequently was held during the spring to allow players who had received scholarships to NCAA schools an opportunity to participate.

When it became apparent that the booster club organizations could no longer sponsor the game, it ceased to exist. An idea was presented to Sam A. Mumley Sr. that the Ohio Valley Athletic Conference could assume sponsorship of the game and apply for NCAA sanction.

One of the requirements toward receiving NCAA sanction was that only 60 percent of game proceeds could be spent to cover expenses and the other 40 percent had to be used for charitable purposes.

Once the game received sanction, the OVAC® had another problem. It was experiencing financial problems and did not have the resources to provide "seed" money that would be needed to purchase uniforms, pay for training camp and other start-up expenses such as insurance.

Sam Mumley, who was the executive secretary of the OVAC®, appealed to his uncle, Rudy, to provide the financial help. The story has become legend on how Rudy, a bachelor who lived with his beloved sister, Lillian, in the Warwood area of Wheeling, mortgaged their home to receive a loan. The rest, as the saying goes, is history.

There was more adversity to overcome for this inaugural OVAC® venture. The Ohio Valley experienced damaging floods during June of 1972. Wheeling Stadium sustained considerable damage and the facility would not be available for the early August game.

Sam Mumley called his longtime friend, the late Edmund Joseph, who was then athletic director at Martins Ferry High School and asked if the OVAC® could use Ferry Stadium. Once Joseph took the request to school officials and received permission, the game was finally on.

However, on the day of the game, the area was hit hard by a rainstorm. More adversity. By this time, you could not fault Rudy Mumley, who agreed to serve as game director, if he was feeling a bit jinxed. Several hours before kickoff was scheduled, the rain stopped and the sun came out. It turned into a beautiful evening, and the game went off like clockwork before a capacity audience.

The OVAC® was in business as far as renewal of the Ohio-West Virginia midsummer classic was

However, that's not the end of the story. Over the next two decades-plus that Rudy Mumley served as game director, he made numerous improvements to the game. He turned it from just an allstar game into an extravaganza.

He took the all-star gridders to camp at West Liberty State College, his alma mater, and a place where he had long-standing ties. Each year, Mumley added activities for the players to help them pass the time and provide some relief from the rigors of training camp.

He enlisted the help of the Osiris Shrine and this group gave the game a more meaningful

purpose as it would eventually gain the lion's share of the charity proceeds.

Through his good friend, the late George Strager, another mid-week event, "An Evening With the Stars," was initiated and handled with impeccable care by two other longtime friends, Mike Young and Pete Cuffaro.

From the time the OVAC® assumed sponsorship of the game, Mumley brought back the Stone & Thomas "Queen of Queens" Pageant which had been a part of the All-Star Game series when it was sponsored by the booster club associations. Stone & Thomas continued to sponsor the event over the next two decades-plus. In recent years, the queen's pageant has continued under the sponsorship of Kaufman's of Wheeling and WTOV-9.

In the meantime, Mumley enlisted the help of Glenn Didriksen and his family, which owned and operated several McDonald's Family Restaurants in the area, to form the McDonald's All-Star Band.

This has become an increasingly popular feature of the game.

Mumley's innovative mind produced a game that would help kick off the Ohio Valley football season, a classic that would involve some 60 to 70 football players annually and several hundred bandsmen. Add to that some 25 to 30 queen candidates and a myriad of volunteers who helped make the 10-day to two week experience a memorable part of their lives.

For a number of years, Rudy and his nephew Sam, along with other OVAC® officials and the dedicated men from the Osiris Shrine, would hold a pep rally at Russek Field on the campus of West Liberty State College. Several thousands of people attended these events and, of course, it was Rudy

who usually stole the show.

From his days at old Wheeling High to those at West Liberty State College, Rudy was always there to help. Following a stint in the military service, he spent the next three decades or so as an educator, primarily in Eastern Ohio. He was principal at Buckeye South High when he retired.

His service to the Ohio Valley Athletic Conference® was ongoing for more than three decades,

and he served as president on two different occasions.

Through his efforts and those of his many friends who joined with him to work on various facets of the all-star classic, more than \$600,000 has been provided to Ohio Valley charitable groups.

Several years before his death, which came in early February of 1999, Mumley relinquished

directorship of the game to his longtime associate and close friend, Ron Mauck.

Nonetheless, Rudy still remained a familiar figure on the sidelines. His walk had slowed considerably although he had bounced back from a series of illnesses. But, the enthusiasm was as great as ever. He had seen the game reach new heights last year when it was televised live by WTOV-9 and the game still drew a near-capacity crowd.

It was a fitting tribute that OVAC® officials several years ago renamed the contest as the Rudy

Mumley OVAC® Charity All-Star Game.

Rudy was to become one of the most recognizable sports figures the Ohio Valley had ever produced. He was honored as the Dapper Dan's "Man of the Year" in 1992, and earlier was inducted into the Athletic Hall of Fame at his beloved West Liberty State College, following in the footsteps of his late brother, Eli, Rudy was the first non-athlete or non-coach to earn this honor, and in recent years, he became a prominent benefactor to the school.

Educator, humanitarian and philanthropist. That's the legacy of a guy who wanted to be known simply as Rudy. And as long as this game can survive, fans of the Ohio Valley for the coming

generations will be able to look skyward and say, "Thanks, Rudy!"

By Nick Bedway Sports Editor Wheeling News-Register

For more than three decades, Samuel A. Mumley served the youth of this area as executive secretary of the Ohio Valley Athletic Conference.

Last February, "Sammy" was called home by his maker to receive his just reward for a lifetime spent in service to others.

Perhaps the greatest compliment one can pay Sam Mumley following his passing is to say that he made his world a much better place to live because he once walked among us.

Mumley devoted nearly five decades to working for the youth of our Ohio Valley. In addition to his time as executive secretary of the OVAC®, which is still believed to be the largest high school athletic conference of its kind in the United States, Mumley was an athletic trainer, coach, basketball official, teacher and a school administrator.

SAMUEL A. MUMLEY 1931 -1999

If that wasn't enough time to give, Mumley joined Eric Carder, an assistant principal and director of activities at Wheeling Park High School, in serving as co-director for the West Virginia Super Six state high school football championships, which they brought to Wheeling Island Stadium six years ago.

Additionally, the pair helped secure the West Virginia state soccer championships held last year at the brand new athletic facility at Wheeling Jesuit University.

Sam also played a major role in the wonderful mid-summer football spectacle you are attending tonight at Wheeling Island Stadium. Renamed several years ago to honor his uncle, who also passed away earlier this year, the Rudy Mumley Charity All-Star Football Classic was revived in 1972 under the sponsorship of the OVAC®.

In those days, the NCAA made things difficult for sponsors seeking sanction to hold various all-star contest. The local Ohio-West Virginia All-Star game had been dormant for many years after having been a fixture on the Ohio Valley gridiron scene since the early 1940s. Both Mumley's spent hundreds of hours putting together the formula for a program that the NCAA found acceptable. Today, the game is more vibrant and popular than ever among the area football fans, who nearly pack the Island Stadium each and every July to kick off a new gridiron campaign.

They also helped turn this event into more than just a football game. It has become a mid-summer spectacular complete with an All-Star Band, cheerleaders and the pageantry of a Queen of Queens contest.

It also helped raise hundreds of thousands of dollars for charitable organizations in the Ohio Valley over the past 26 years.

Much of these wonders have been achieved because Mumley refused to take "no" for an answer from anyone and because he dared to dream what many of us have considered to be impossible dreams.

Who would have believed that the state high school football championships could ever be lured out of Charleston to the Northern Panhandle?

Sam did.

And Wheeling will host the state title games for the sixth straight year the first weekend of December.

Through his fund-raising efforts and the help of countless corporate sponsors and Super Six volunteers from up and down the Ohio Valley, the state football finals have been raised to a level that may never be matched in the Mountain State.

When Mumley came back to take over a second time as executive secretary of the OVAC®, the league was in dire financial straits.

Through Mumley's efforts and the backing of other leaders in the community, an OVAC® Foundation Board was formed to serve as a fund-raising arm of the bi-state league. That board is still in existence today.

The sports programs at the various schools were improved immensely. All-star games are now held each year in football, boys' and girls' basketball, baseball, softball and boys' and girls' soccer. The OVAC® sponsors championship tournaments in wrestling, swimming, tennis, golf, volleyball, baseball, softball, boys' and girls' soccer, boys' and girls' cross country, boys' and girls' track, cheerleading, etc.

Girls sports have risen to equal importance because Sam had the foresight and the courage to support each and every program offered by the OVAC®. His efforts with girls' sports earned Mumley a seat on the equity panels for both the Ohio High School Athletic Association and the West Virginia Secondary School Athletic Commission.

The scholarship program also has been enhanced by Sam's ability to involve the corporate sector of the various communities within the extensive OVAC® map. At last May's OVAC® Banquet of Champions held at the Wheeling Civic Center, more than \$15,000 in scholarship money was awarded to deserving OVAC® student-athletes.

That money wasn't just found on the street corner; it was obtained largely through tireless efforts of the late executive secretary.

Sam put the OVAC®'s "kids" first in all his dreams and work for the conference. "What can we do for the 'kids'? How can we make things better for them?" Those were the first questions he posed whenever the OVAC® or Super Six would discuss changes in their programs.

He took great pains to involve everyone in conference business. He was constantly in touch

with media members, keeping them updated on matters and seeking their opinions.

When important final decisions had to be made, Sam didn't mind being the one to make them. But he did so after many discussions among his constituents and his own private soul-searching. And, of course, his main concern was making sure that the decisions were in the best interest of the OVAC® student-athletes.

From a personal standpoint, if Sam became your friend, he was your friend for life. He was always there with a kind word, a bit of advice if it was asked for, and encouragement when any of his friends were in a difficult situation.

I once wrote in a column that Sam was no saint, but that he was sent to us by angels to perform good works and turn our impossible dreams into reality.

He dearly loved his wife, Nancy, who remained by his side through good times and rough times. No different from the rest of us, Nancy became part of the OVAC® family as well, taking care of the conference's financial books, a role she continues to handle today.

They were married just 11 years when Sam passed away. But, as Nancy once said, they

crammed 40 years of happiness into that short time.

A long bout with cancer terminated Mumley's life at the too young age of 67. But, as this writer has stated before, you won't make me believe "Sammy" lost that fight with cancer. Nothing defeated Sam Mumley in his lifetime. God, whom Sam believed in with all his heart, simply decided it was time to call him home.

Sam Mumley was one of a kind.

He will remain in our thoughts and prayers forever.

# In the beginning... "1940" The First All★Star Game

West Virginia's senior All-Star schoolboys today held a 13 to 17 victory as the aftermath of their first meeting with the eastern Ohio team in the maiden football contest played under the new lighting system at the Island Stadium.

The victory of the mountain state youths, who had trailed from the opening quarter until the last seven minutes of the ball game, 7-0, came as a mild surprise as two well-drilled and highly efficient combinations delighted an early season crowd of some 8,000 fans.

The Ohioans drew first blood in the spectacular contest. A Mallery-Shackleford pass, late in the first period, moved the Buckeyes from midfield to the West Virginia 25. Sadlowski, another Bellaire back, took a pass that planted the ball on the nine, from where Sadlowski scored in two plays.

The remainder of the half was devoid of a distinct threat on the part of either team although the Rowe-Howell coached combine had advanced to the Ohio 25 when the intermission arrived.

The mountaineer sturdy rush line battled the equally effective Ohio forwards on fairly even terms into the final period before Johnny August, a Shadyside youth, who shared the starting role for the Bucks, was hit hard on his own 30 and Joe Corba, a Follansbee back, seized the white leather for the eventual winners.

Charlie Helinski, Union product, became a ball of fire at this stage. He wheeled off tackle to the Ohio 19 and then lugged the leather to the five aided by a too many times out penalty. Helinski picked up a yard and Mike "Punchy" Dimitro punched his way into the payoff zone. Dimitro cracked the line for the extra point and the issue was deadlocked.

### **Passes Decide Battle**

The West Virginia stands settled back after this furious display satisfied with a 7-7 standoff, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kickoff.

Helinski niched successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kickoff and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at halftime. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

Carl Hamill, Weirton's cagey tutor was in the dressing room to minister to a pair of his former Red Riders. Tony Brown aggravated an old should injury while Luke Tomasovich received a cracked rib.

The West Virginians showed big Sedor due respect while the prospective Ohio State youth was in the game. His Shadyside backfield mate, August despite his costly fumble, was one of the big guns in the Bucks' effort and the Niemiec-Hartwig combinations thrusts left the West Virginia fans worried.

Lou Caffaro; recovering from a nasal operation, held the sticks for the West Virginians but felt the call of battle in his impassive role. Paul Bricker, Weirton end who handled the kicking for Howell and Rowe, and did an effective job although one of his boots slipped off the side of his foot and out of bounds.

# "1975" All-Star Game - 50 Years Ago

A 52-yard scoring drive capped off by a 15-yard touchdown run by Mike Cain of John Marshall gave West Virginia an 8-0 victory over Ohio in the annual OVAC sponsored charity football game at Wheeling Island Stadium.

A crowd estimated at 10,000 turned out on a warm August evening for the All-Star struggle and witnessed a game in which there was little sustained offense, though frequent turnovers and some dazzling defensive play added excitement to the evening.

After a scoreless first half, the Mountaineers piloted by Brooke High coach Vincent "Sonny" Rea put everything together for a game's lone TD.

The touchdown was manufactured after Oak Glen's Paul Kuzio returned an Ohio punt seven yards to the West Virginia 48.

Wheeling Central quarterback Chuck Hoose set the winning march in motion when he threw a quick out pattern to his Maroon Knight buddy, Gret Botizan, for nine yards. Hoose then hit Brooke half-back Rich Thomaselli on a wing pass and the gutty Bruin dragged tacklers with him for a 19-yard gain to the 24. Sturdylegged Greg Babe of Magnolia, a consistent ground-gainer, then hammered center to the 20. On the next play Cain picked up five yards and then Cain, who was married a week earlier, fired quickly through a hole made by the blocking of Linsly guard Ken McNinch and John Marshall center Ed Lautar, and zipped into the end zone untouched. The TD came with just 14 seconds remaining in the third period. Babe tacked on the bonus points on a run.

The Ohio squad had a couple scoring opportunities in the fourth period, one stymied by an unsportsmanlike conduct which resulted in the Buckeyes having to punt, and the other on a fumble which was recovered by Oak Glen's defensive end Kevin Beck at the West Virginia 20. The Mountaineers shutout was largely due to the efforts of such stalwart defenders as Bernie Shalvey of Wheeling Central; Mike Yankavitch of Warwood, Steve Jeter of Weir, Randy Rodgers of Wheeling, Butch Biondillo and Dan Griffith of Brooke, and Beck.

The Ohioans made only 111 yards rushing and were thrown for losses of 39 yards. The Buckeyes passing game could only show 51 yards on five of 10 passes. Ohio moved the chains on only eight occasions.

West Virginia's offense was just 209 yards, 140 yards rushing and 69 yards passing, five of 11. Two of the aerials were intercepted. West Virginia backs were tossed for losses of 21 yards. The Mountaineers had 13 first downs.

Penalties played a key role in the game, as 80 yards were stepped off against Ohio, while West Virginia's penalty total was 40 yards.

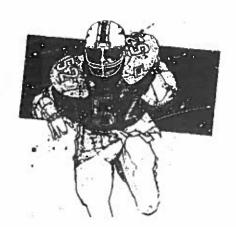

West Virginia's touted passing game backfired three times in the first half, two on pass interceptions and a fumble after a pass completion. The Mountaineers also had two scoring threats thwarted in the first period. On the initial drive of the game West Virginia moved to Ohio's 19-yard line, but a fourth down pass went incomplete. The other march ended on pass interception by Buckeye West's Chuck George.

Ohio's Sam Reynolds of Barnesville intercepted a pass early in the second half, and ended up attempting a 44-yard field goal which was unsuccessful.

The Buckeyes had yet another scoring opportunity when Dan Cernansky of 'Toronto intercepted a pass at the West Virginia 30 and returned it to the 13. Three plays netted only four down, defender Paul Kuzio of Oak Glen coming up from his safety position on third down to administer a one-yard loss and forcing another field goal at tempt which failed as Griffith knifed through to block the boot and Jeter made the recovery at the 33.

#### 2025 OVAC® ALL STAR COACHES Head Coach - Bernie Thompson

By KIM NORTH Staff Writer

WHEELING – Union Local won a program-record nine football games last fall, going 1-1 in the Ohio High School Athletic Association's Division V, Region 19 playoffs, nearly taking down perennial power Wheelersburg in the second round.

As a reward for their superb season, the Jets staff has been selected to coach the Ohio All Stars in the 79th annual OVAC Rudy Mumley Game on Saturday, July 19 on the artificial surface of Wheeling Island Stadium. Kickoff is set for 7 p.m.

"This is a very important game. It's a big game for the entire Ohio Vailey. It's special," Union Local head coach Bernie Thompson said. "I'm just honored to be a part of it."

This will be the third time Thompson has been involved in the mid-summer classic. He was a team captain of the 2011 Ohio team as a player and then

served on then-UL head coach Bruce Stiles' staff in 2018.

"I'm looking forward to representing the state of Ohio in this game."

BERNIE THOMPSON is in his seventh year as head coach of his alma mater. The Waynesburg University graduate has been coaching for nine seasons.

He and his wife, Karlie, reside in Belmont, Ohio.

His staff includes:

VAUGHN BUTLER will also be participating in his third All-Star Game, having served as an assistant coach. He was on the Buckeye Trail staff of Randy Thompson in 2007 and then joined Thompson on Stiles' staff 11 years later.

The Union Local and Fairmont State University graduate is also an assistant boys' basketball coach and has also coached baseball and track in his 30 years.

He and his wife, Lisa, have four daughters ~ Brenynn (Ryan) Mowery, Payten (Bradlee) Gibson, Saige Butler and Sutherland Butler. They reside in Morristown.

TYLER GRANT will be making his debut in the game. The Union Local graduate has been an assistant for nine years. He played baseball and football for the Jets.

He and his wife, Layne, have three children - Chase, Leighton and Beckett. They reside in Powhatan Point.

TONY GREGOR has also been at Union Local for the past nine years. He played in the 1997 OVAC game.

Also a junior high boys basketball coach, Gregor attended OUE and Belmont College. He played baseball and football for the Jets. Gregor and his wife, Nikki, have two daughters – Kierra and Ryley – along with a son – Brody. They reside in Bethesda.

DAKOTA HESS is a member of the Jets Junior High football staff but will be working with the varsity staff during camp week and on game night. The 2022 UL graduate played in the 2022 All-Star Game after graduation. He was also a member of the baseball and basketball programs during his high school career.

He resides in Jacobsburg with his mother, Michelle, father, Jim, and younger brother, Logan.

JIM HESS watched his oldest son Dakota play in the game. His youngest, Logan, is a member of this year's squad.

Currently the head baseball coach and an assistant boys' basketball coach, Hess has been involved with the football program for the past 10 years. He played baseball, basketball and football during his days as a Jet.

He and his wife, Michelle, reside in Jacobsburg with their sons.

RYAN KUTCHER has spent the last 13 years on the Jets staff. He has never been a part of the All-Star game. Kutcher graduated from Union Local High School and Muskingum University. He played football and ran track as a Jet. He resides in Belmont.

ANTHONY ROCCHIO graduated from Bellaire where he played baseball, basketball and football. He was a member of the UL staff for the 2018 game.

Rocchio has now been with the Jets program for nine years.

He and his wife, Andrea, reside in St. Clairsville with their daughter, Alane, and son, Rone.

## HUNTER MEANS WHEELING PARK HIGH SCHOOL

6000 LUCK AT BETHANY LOVE, MOM, DAD, GABBY GRANDMA TERRI, NONNIE & PAPPY CHRIS

... And now, the end is near And so I face the final curtain My friend, I'll say it clear I'll state my case, of which I'm certain I've lived a life that's full I traveled each and every highway And more, much more than this I did it my way ... Regrets, I've had a few But then again, too few to mention I did what I had to do And saw it through without exemption I planned each charted course Each careful step along the byway And more, much more than this I did it my way ... Yes, there were times, I'm sure you knew When I bit off more than I could chew But through it all. when there was doubt I ate it up and spit it out I faced it all, and I stood tall And did it my way ... I've loved, I've laughed and cried I've had my fill, my share of losing And now, as tears subside I find it all so amusina To think I did all that And may I say, not in a shy way Oh, no, oh, no, not me I did it my way For what is a man, what has he got? If not himself, then he has naught To say the things he truly feels And not the words of one who kneels The record shows I took the blows And did it my way

... Yes, it was my way
