George Strager

In Retrospect

Thanks so much for joining us this evening. Your presence at the "Evening With the Stars" is not only a tribute to our talented All-Star squads but to the founder of this gathering whose name it bears, George Strager, former head coach of St. Clairsville High School.

High in ideals and principles, Coach Strager initiated this evening's format for the specific purpose of placing the athlete first by exhibiting respect, admiration and support relative to his/her all-star status. Additionally, this type of an affair would also further generate a strong and sincere feeling, demonstrating that our adults do have a genuine interest in the development and future of our young student athletes.

Having been called home by the Lord, George Strager has left a legacy in athletics, all of which may never be equalled in the Ohio Valley Athletic Conference. We humbly echo our thanks...yes, George, thanks for it all.
