## SENIOR CLASS SONG - 1957

(Tune- "May The Good Lord Bless and Keep You")

May The Good Lord Help and Guide Us  
As we bid classmates adieu,  
We'll remember all the good years  
In Bellaire High School.  
If we had it in our power,  
We'd turn back the hands of time,  
And relive all the good times  
We've had with our dear friends.

Oh, we'll miss you, dear old high school,  
And the teachers one and all,  
But the path of life's unfolding  
And we must heed its call.  
And so through these doors we'll wander  
To the joys and woes beyond,  
But we'll keep fond memories of you  
Dear old Bellaire High.

And our hearts are sad and lonely,  
Dear old Bellaire,

Dear old Bellaire High School.

WORDS BY HELEN HARVEY AND PEGGY WHITE
