Senior Class Song MAY WE ALWAYS

May we always think of Bellaire High School and be always true
 May your friends remain friends always, for they mean so much to you
 May the memories of our school days linger always in our mind
 Not forgotten are the teachers, well earned trophies oh so fine
 All the fun we've had in classes and the noisy hall
 May all our goodtimes be remembered as we answer to the call
 For as in this big world we wander ever hold our heads up high
 And remember we all came from good old Bellaire High

May we always think of Bellaire High School and be always true
 May you always have good fortune, may the Lord smile down on you
 May we always strive for high goals, may our paths be always bright
 May no troubles enter our way, may our worries be always slight
 When in fifty years we think back of our days in school
 May old acquaintance be remembered even of those many rules
 And if your wondering if you'll ever see your classmates with a sigh
 Just remember we all came from good old Bellaire High.

BELLAIRE ALMA MATER

Hail Alma Mater!	For through the darkness
To thy spirit guiding	Like a lamp is shining
Pledge we fidelity	Knowledge thy hand maid
By thy name abiding	In her strength combining
Armored in courage	With lofty brotherhood,
Ne'er from battle hiding	Ne'er her place resigning
Fearless each loyal son.	Hail! thee, Bellaire High School.
