THE LAST WILL AND TESTAMENT OF THE CLASS OF 1938

We, the Class of 1938 of Bellaire High School, being of full age and of sound mind and memory, do make, publish and declare this to be our last will and testament, hereby revoking all wills by us heretofore made.

Item I—We direct that all our just debts and graduation expenses be first paid out of our estate.

Item II—After our just debts and graduation expenses are paid, we devise and bequeath to all our beloved faculty a bottle of magic eradicator to erase the worried lines which we, as thoughtless students, have etched on their furrowed brows.

To the Board of Education, we leave our humble thanks for their kind and considerate cooperation during our four years in Bellaire High School.

Item III—We want to leave our appreciation to the workmen and janitors for their untiring efforts in finishing the third floor.

Item IV—To the present Juniors, who will be the graduating class of next year, we leave all our happy memories of Bellaire High School and best wishes for a successful Senior year.

To the Sophomore class, we leave such parts of our dignity as we can spare to enable them to face the responsibilities of being a Junior.

To the Freshmen, we leave only our sincerest sympathy and our perseverance to help them stick out three more years.

Item V:

I, Helen Trevey, will my nickname, "Feeble", to any entitled to it.

I, Peg Dankworth, bequeath to any young girl who gets next year's drum major all the love and looks that mine had.

I, Ethel Jane Davis, will my brown-eyed fiddle players, to Alice Johnson.

I, Dan Brannen, bequeath to any amorous Junior my fair complexion.

I, Lee Ring, bequeath to Dana Archibald anything that she may admire in me.

I, Herman DeMarco, leave my powerful speaking voice to Walter Tarbet.

I, Clare Gibson, leave my long legs to Roland Connors so that he won't get squashed running around the halls.

I, Ray Dick, distribute my gigantic brain power to Charles Axelrod and Morris Prosser.

I, Tom Fred, reserve my seat in Dankworth's for Lucille Kennedy.

I, Ray Hammond, leave my dandified mannerisms and mincing airs to Ed. Duffy.

I, Mary Jo Heil, leave my love for football players to Sylvia Jordick.

I, Helen Rees, leave my imported males to any other girl who doesn't appreciate home talent.

I, Don Reese, leave my beautiful golden locks to Jack Archer.

I, Maxine Conley, will my freckles to Squeak Linard to adorn his countenance.

I, Lovie Thomas, will my trucking ability to Gordon McDonald.

I, Irene Price, leave my zest for living to Dorothea Booth.
 I, Bob Jarrett, leave my unique personality to Bob Sherlock.
 I, Eileen Lyden, will my way with the men to Mac Belle Spero.
 I, Jimmy Steger, leave my unique dancing feet to Jack Rees, if he could stand improvement.
 I, Edgar Pappert, will my winged feet to Bobby Bloom, to get him places faster.
 I, Katherine Hoge, leave my place on the Senior sextet to Lois McAllister.
 I, David Belt, will my extra avoirdupois to any undernourished freshman.
 I, Lillian Dunn, leave my come-hither smile to Catherine Duvall.
 I, Bette Leach, will some of my grace to Karl Fitch, to be used in basketball.
 I, Jane Robinson, pass on the legacy I received last year to Virginia Duvall.
 We, Frances Karovic and Bill Ney, will our love for each other to Emmaline Giffin and Bob Crunelle.
 I, Mariam Dunfee, will my sense of humor to Mr. McCarley, who might need it next fall for his Economics classes.
 I, Betty Jane Drahos, leave my pretty eyes to my sister.
 I, Sidney Dean, leave my love for the underclassmen to Eugene Marinelli.
 I, Edward Fogle, will my ambition to become a theater usher to Charles Lynch.
 I, Margery Ann Nimo, will to any Junior that needs it, a Wheeling football letter.
 I, Stewart Scales, leave my thatch of fur to adorn the dome of Mac Robinson.
 I, Irene Marling, leave my wad of chewing-gum to anybody.
 I, Charles Keyser, leave my immunity from knowledge to Sam DeBlassis.
 I, Bill Bruey, leave my choice for faithful women to Freddie Willis.
 I, Eileen Davis, will my enthusiasm for basketball to Mary Roan.
 I, Marie Dignity, will all my headaches from typing to Rosalie Brutchey.
 We, Martha Belt and Frazier Taylor, leave our seats on the bus to Delcie and Richard.
 I, Ruth Ann King, leave one well-used compact behind for Betty Jane Archibald.
 I, Bob Phillips, leave a challenge to any underclassman who thinks he can take my woman.
 I, Joe Kaldor, leave my perpetual blush to Bill Adamek.
 I, Maurice Bovenizer, leave my dreamy eyes and soulful expression to Carl Beck.
 I, Ina Powell, leave my manners to Robert English.
 I, Laura Belle Creamer, will my bashfulness to my sister, Marjorie.

 Item VI—We appoint Mr. Reinbolt to be the Executor of this our last will and testament. Signed by Class of 1938, Bellaire High School, Bellaire, Ohio, and by it acknowledge to be its Last Will and Testament, this Second day of June, 1938.

There are schools in every ham-let There are schools in every town
 All the world is gladly wait-ing For the brains we have to sell

There are schools up the full lips That just are that topics re-ign
 Great brains men don't you be-leave no lack from teachers they will tell

all the schools have Senior class-ic But just one among the great
 All the problems will be settled Problems both of church and state

RESUME OF SEASON 1937

SEPTEMBER 18—SHADYSIDE SNOWED UNDER

In the opening game of the season the Big Reds dropped the casketmakers in their own products. Not literally, of course, but it appeared so.

SEPTEMBER 27—REDS ANNIHILATE BRIDGEPORT

Of course, it was a track meet. The daily laps taken by the fellows around the track, served them in good stead that Saturday. The Bridgeport team was made up of light weights, which may account for the one-sided score. Big Sleepy did a lot of walking to the ends of the substitute benches; nearly everybody got to play.

OCTOBER 2—REDS TAKE TOUGH TILTONSVILLE TEAM

The Bellaire team was held pretty tightly the first half by a heavy Tiltonsville line but came back strong in the third and fourth quarters to lay the heavy line low.

OCTOBER 9—BELLAIRE HARD PUSHED TO WIN FROM TRIADELPHIA

The Glennmen were scored on for the first time, in the first quarter but came back hard in the second quarter with their 12 points. The game was played in very sloppy weather—rain all the time, resulting in considerable mud flinging.

OCTOBER 16—BIG REDS TAKE UNION INTO CAMP

The Union team was lucky in the first quarter by having one of their players intercept a pass with no one between him and the goal line. At this game, the new bleachers for the visitors were dedicated. They were needed, for the "team-across-the-river" brought a big percentage of McMechen and Benwood along.

RESUME OF SEASON 1937

OCTOBER 22-BELLAIRE WINS FIRST NIGHT GAME

The Reds went to East Liverpool Friday night and played their first game under the lights. Due to the rain the band was not present to give its usual ardent support. Nevertheless, we came home on the long end of a large score.

OCTOBER 30-FERRY TAKEN DOWN THE LINE

The "most looked forward to game" of the season ends in catastrophe—for Ferry. It was played before a crowd of 4800 people, Martins Ferry being well represented. It was the first victory Bellaire has had over Ferry in four years.

NOVEMBER 6-QUAKERS SPOIL PERFECT RECORD OF BIG REDS

A very exciting game was played that Saturday on a day of perfect football weather. The old sportsmen said that the New Philly team was one of the finest teams that ever played here. There was a special train for the out of towners and it was fairly well packed.

NOVEMBER 13-BELLAIRE OUT-FOUGHT BY LIGHT WEIRTON TEAM

Before 4000 football fans, a big percentage from out-of-town, the Big Reds took another taste of the bitter—the bitter this time being Weirton. Each team had strong defense but the breaks were against the Reds.

NOVEMBER 25-BIG REDS AGAIN WIN VALLEY CHAMPIONSHIP

The boys had at least two things to be thankful for last Thanksgiving—their victory over the unbeaten Wheeling team, and the other, the championship of the valley. Both the defensive and offensive strength of our team was tested to the limit.

FOOTBALL

CAPTAIN JOSEPH ACCROCCO—Center—5'-6"-150 lbs. "Fosh", the captain, was one of the hardest fighting linemen Bellaire has seen in a long time. He played football with his heart and soul in the game. "Fosh" was one of Bellaire's two regular All-Valley men, besides being mentioned on an All-State team. Joe is a Junior and will be back again this year.

JOSEPH KALDOR—End—5'-9"-165 lbs. Joe was a mainstay at an end position on the team. He could play either end. Joe was a deadly tackler, an adept pass receiver and very fast on going down under punts.

RICHARD KALISHESKI—End—5'-11"-181 lbs.— a Senior and Bellaire's only All-State man. He and Kaldor were one of the best set of ends in the valley. "Rick" was big and rugged and a fine offensive and defensive man and will make good college material. Richard, a two-year letterman, was on the squad for four years.

JOHN SITAR—End—5'-10"¹/₂—165 lbs. Although not a regular, John saw much action during the season and made the regular ends step lively for their positions.

HAROLD DOTY—Tackle—5'-10"-200 lbs. "Butch" was the biggest man on the squad. The past season was his first and last as a regular on the team, although he was out for football in his first two years of school. "Butch" was a big, fast man most dreaded by all opposing backfield men.

LEO KRUSIENSKY—Tackle—5'-9"-175 lbs. Leo was the quietest but one of the toughest men on the squad. He shared starting honors with Skorich, a Junior. This was his first year as a letterman but fourth on the squad.

FORREST MELLOTT—Tackle—5'-9"-175 lbs. "Mose" was on a par with Krusienksy. This was his first season as a letterman but he was on the squad for four years.

DEAN GIACOMETTI—Guard—5'-8"-155 lbs. "Muggsy" started the season as a backfield man, he was made over into a guard. Dean was one of the fastest men on the squad, a wonderful defensive man and a great interference leader. This was his first and last season.

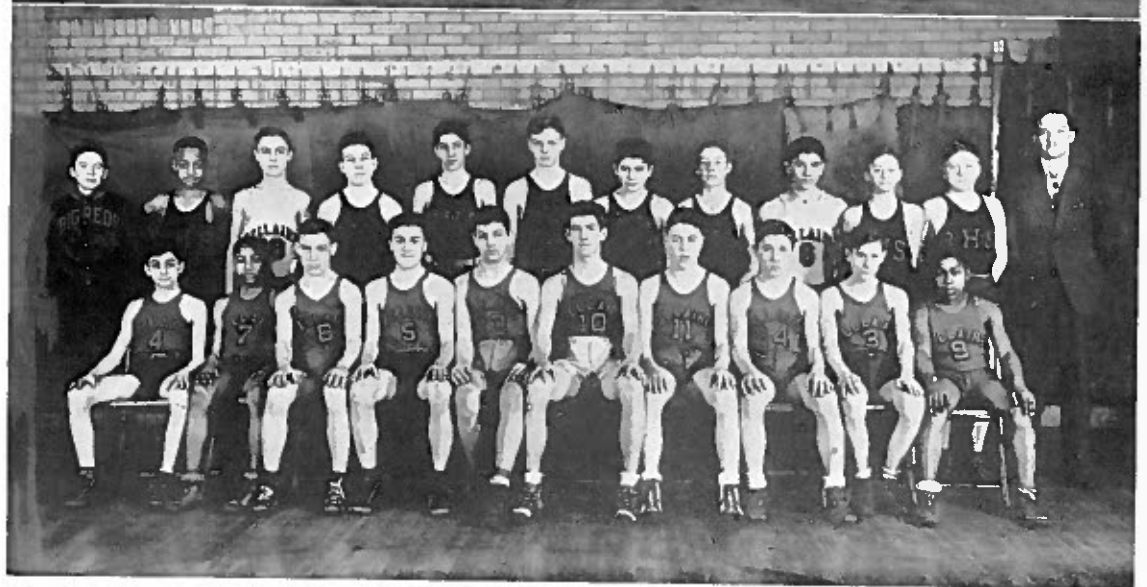

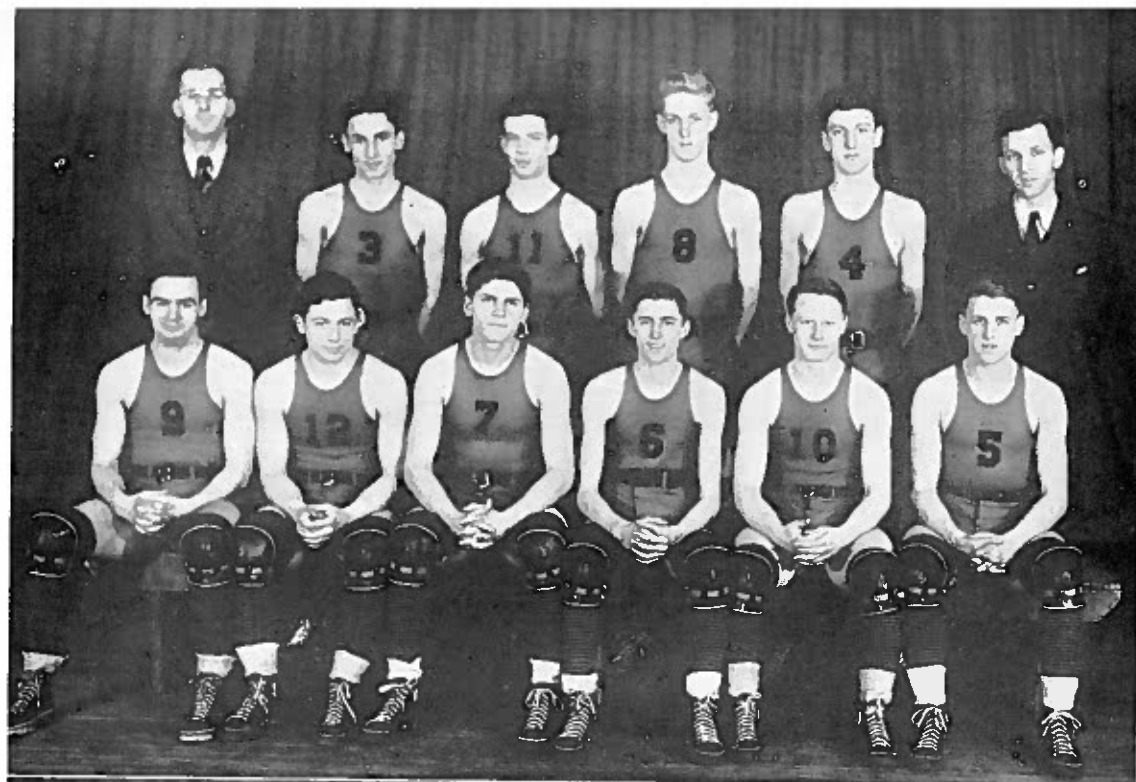

BENNY PERZANOWSKI—Guard—5'-6"-150 lbs. Benny was very fast and could always be seen in front of one of his own backfield men, leading interference. He backed up the defense line in fine style.

ANTHONY MALATINSKY—Guard—5'-7"-150 lbs. "Anton" was one of the three backfield men shifted into a guard position. He did not see much service but remained loyal to the squad during the whole season. "Anton" graduates after one year of service.

FREDERICK VOLLEMAN—Halfback—5'-8"-148 lbs. After a spectacular performance in the Bridgeport game "Ashie" had to give up football due to injuries sustained. "Ashie" showed possibilities of becoming an outstanding halfback and his loss was keenly felt.

ALBERT CARLETON—Quarterback—5'-10"-190 lbs. "Fat" had much to do with the success of the team due to his great blocking ability. He was the mainstay of the Bellaire defense, backing up the line and being a fine ball carrier.

COLUMBO DEPAULIS—Fullback—5'-7"-165 lbs. "Babe" was not a touch-down getter, but he kept plugging away to help his backfield mates put the ball over the goal. He did most of the punting, was a good ball carrier, and a good blocker. DePaulis, along with Accrocco, was Bellaire's representative on numerous All-Valley selections.

BASKETBALL REVIEW

At the time that this was written, the Big Reds had completed an unusual basketball schedule. They started out with nearly every member playing for his own interests and ended up with a smooth, fast clicking team.

The most looked forward to game of the season on the part of the players was the Wheeling game. Wheeling in the opinion of many had the best team in the valley and West Virginia and expected to avenge their defeat in football by a very lopsided score. But when the final gun went off, they had beaten Bellaire only by 12 points. So it was proved that the Big Reds had greatly improved their game.

Head basketball coach, Tom Dixon, went through this trying season with a chin held high. He took it with his team, as all fine coaches do.

There were only four seniors on the team this year, Frank Soloninka, John Sitar, Don Reese and Bob Jarrett.

Frankie, you know, was one of the boys who could be counted on as ready to fight when his team was in need. He is about 5'7" and is a little in need of more pounds per unit of area. But with every ounce he has, he is pushing forward in the game.

"Cigar", John Sitar, was a main stave in the team toward the end of the season. He proved himself very valuable under the defending basket and on offensive shots from the side of the floor. Johnny is a 6 footer which made good football material as well as basketball material. His heart's desire is to win the heavyweight boxing crown of the world, so don't be surprised when he does.

Don, "Legs", Reese is the tallest member on the team, not weighing much more than the shortest. Don had the misfortune of getting the flu a few days after the last Union game, which kept him down some in the others.

Bob Jarrett, best known as "Circus" to the boys on the team, was one of the most outstanding players of the season. He came to Bellaire Hi as a letterman from Charleston, West Virginia. Along the first part of the season he was caught in somewhat of a slump but seemed to snap out of it along towards the end of the season.

So, so long to these boys and best of luck to them in future athletics. May they always have a name like Bellaire to fight for.

TRACK TEAM

At the date of writing, track has not been completed. Several preliminary meets have been held but the more important ones are yet to come. However, indications are that the season will be a fairly successful one. Perhaps the most ambitious track program in B. H. S. history has been undertaken this year with exceptionally good results. The seniors on the track squad opposite the event in which they participated follow:

Reese—hurdles, jumps, javelin	Vogt—distances
Jarrett—high jumps	Steger—pole vault
Gibson—hurdles, distance runner	Keyser—pole vault
Volleman (Captain)—sprints up to 400	Deafenbaugh—pole vault
Malatinsky—440 yard dash	Carleton—weights
Posledni—quarter mile, broad jump	Kaldor—javelin

Among these the loss of Reese, Volleman and Carleton will be most keenly felt by next year's team.

Other members of the track team and their respective events include:

Mooney—dashes and pole vault	Fordyce—hurdler
Wade—sprinter	Kahl—half-mile
Obejenski—sprints	Gill—half-mile
Rausher—sprints and weights	Moore—mile
Prince—hurdles	Bovenizer—jumps
Skorich—weights	Linar—hurdler
Neff—javelin	Johnson—distances.
	Dunfee, Kirkland and Salonika—managers

The coaches were Glenn and Polinsky to whom much credit should be given for the excellent manner in which they conducted the track program.

CONCERT BAND

The first band of the school year was the football band. At every game a new formation was planned in honor of each visiting team. The Concert Band was organized a short time later. To be a member, each student had to play a solo and participate in one or more ensembles.

Many times during the school year the soloists and ensembles have taken part in various programs sponsored by the community and have given their talents willingly. Quite a number of our boys took part in the Clinic Band of the Ohio Valley. There are to be two solo and ensemble contests at which our band will be well represented as well as the annual Eastern Ohio District Contest to be held at Bridgeport.

We have been very fortunate in having a new music room in the newly finished part of the building. This ideal practice room together with the instruments recently added will enable us to have a much better organization.

The Band Mother's Club, through its unfailing effort to raise funds for new equipment deserves a great deal of credit for the band of which we are so proud.

THE ORCHESTRA

During previous years the orchestra was composed of pupils from the band, with a few violins added for novelty.

Due to the co-operation of school authorities and the donation of two very fine string instructors, Mr. Hamilton and Mr. Clayton, by the Tri-State Music Association, the orchestra has made a great step forward.

The orchestra practice has been put on regular school time and the members receive academic credit. In two years time we hope to have balanced symphonic instrumentation. Next spring the orchestra will enter contests and compete in solo and ensemble contests as has the band in the past years.

The outstanding social functions of the club were the Thanksgiving dance for the Girl Reserves and their boy friends and the Valentine party.

As service projects, Thanksgiving baskets were distributed to the needy and Christmas presents were sent to a mission school in Kentucky and to the Salvation Army. A marionette show was sponsored by the club, the proceeds going into a fund to buy the school piano.

The TRUTH About THRIFT

Thrift and progress go hand in hand.
By saving you contribute not only to
your own welfare, but to the progress
of your community and your country.
The small sums you deposit regularly
grow into large amounts which give you
the purchasing power to buy the worth-
while things of life.

Reduced to its simplest terms, thrift is
the sign of determination to succeed.
We urge it as the foundation of your
plan for living.
